Pure Fresh Cod Liver Oil. HIS new and valuable Medicine, now used by the medical profession with such astonishing efficacy in the cure of Pulmonary Consumption, Scrofula, Chronic Rheumatism, Gout, General De-Scrolla, Chronic Rheumatism, Gout, General Debility, Complaints of the Kidneys, &c., &c., is prepared from the liver of the Cod Fish for medicinal use, expressly for our sales.

Extract from the London Medical Journal.

C. J. B. Williams, M. D., F. R. S., Professor of

Medicine in University College, London, Consulting Physician to the Hospital for Consumption, &c., says: I have prescribed the Oil in above four hundred cases of tuberculous disease of the Lungs, in different stages, which have been under my care the last two years and a half. In the large number of cases, 206 out of 234, its use was followed by marked and unequivocal improvement, varying in degree in different cases, from a temporary retardation of the progress of the disease and a mitigation of distance in the disease. of distressing symptoms, up to a more or less complete restoration to apparent health.

"The effect of the Cod Liver Oil in most of these cases was very remarkable. Even in a few days

the cough was mitigated, the expectoration diminished in quantity and opacity, the night sweats ceased, the pulse became slower, and of better volume, and the appetite, flesh and strength were "In conclusion, I repeat that the pure fresh oil from the Liver of the Cod is more beneficial in the treatment of Pulmonary Consumption than any gent, medicinal, diatetic or regimenal, that has yet been employed."

As we have made arrangements to procure the Cod. As we have made arrangements to procure the Cod Liver Oil, fresh from head quarters, it can now be

had chemically pure by the single bottle, or in boxes of one dozen each onderful efficacy has induced numero spurious imitations. As its success depends entirely upon its purity, too much care cannot be used in procuring it genuine.

Every bottle having on it our written signature, may be depended upon as gennine. Pamphlets containing an analysis of the Oil, with notices of it from Medical Journals, will be sent to

THE highly sanitory, balsamic, and tonic proper ties of this Vinegar render it far superior to Cologne Water for the ordinary purposes of the toilet and the bath, surpassing the latter in its perfume and cheapness, and in its greater efficacy for the promotion of cleanliness and health.

This article has been known and extensively used in Europe for very many years, where it has, to a In Europe for very many years, where it has, to a considerable extent, superseded the use of Cologne. Water. The subscriber feels assured that it needs only to be made known in this country to ensure its equally general adoption. It has obtained the approval of several eminent physicians of this city, to whose notice it has been submitted.

It prevents and removes pimples, tetter, and asperity of the skin; it refreshes and whitens the skin, rendering it soft and smooth. It corrects the clammy and bitter taste of the mouth, imparting a fresh and pleasant breath. It cleanses and whitens the teeth, and hardens the gums. Friction with this Vinegar promotes perspiration and assuage rheumatic pains. It allays headache by application to the temples. It is effectual in removing inflammation of the eyelids, and in strengthening the eyes. Applied to a burn it prevents soreness. It possesses many other valuable qualities, which are remiled at large in the printed wrappers accou

panying each bottle.

The subscriber having, during a recent visit to Paris, obtained the original recipe for this invaluable preparation, now offers it to the American public, with a perfect confidence that it will be and in every respect equal to the article prepared EUGENE ROUSSEL, Manufacturer and Importer, 114 Chesnut St. May 22,749

But policies are effected under various circumstances, and with widely different objects, and what may facilitate the views of one man, affords no accommodation to another. It appears, therefore, to the Trustees of the Equitable, that the greatest good will be effected by that office, which allows such reasonable advantages to every assurer, as at the time of completing his Policy, he considers to be suitable to his particular case. Ma. J. B. Haskin, of Rome, Oncida Co., N. Biles, Ulers, Costireness, Mercurial Diseases, Liver quality, Pains in the Back, Side, and Limbs, Rush of ol to the Head, etc., etc. This cure is a triumph over the skill of the best physicians in the city of Philadelphia, and is positive racor that internal ulcers can be cured as easily as external, when BRANT'S PORIFYING EXTRACT is used. Mr. John Hepburn, one of the most respectable gentlemen in Auburn. Cayuga Co., N. Y., informed us in Oct. 1847, that he had been a flieted with three Fissures or Ulcers, so situated internally as to allow of un examination, and thus firmish positive proof of the fact, and of their location. He said that he had spent one yearin Philadelphia, under the professional advice of the best physicians, and was obliged to return to Auburn, without cure or help, how Dr. T. M. Huni, drugsist, of Auburn, advised him to try Brant's Pariyleg Erfract, and the use of seven bottles of it effected a perfect cure. INTERNAL ULCERS.

ASTONISHING AND MOST WONDERFUL CURE.— Capt. Exra
Knapp. of No. 37 Willow st., Brooklyn. N. Y., one of the
most respectable citizens in the city, was afflicted five years
with Scrotdous Erysipelas of both legs, from the knees to
the feet, which inflamed and awelled to a prodigious size,
and ulcerated. Large deep ulcers, apparently large enough
to run a finger in, came into them, which discharged daily
an aimost incredible quantity of a maturated substance.
He had had the advice and attendance of several of the
most skilful physicians, and had tried many highly recommended medicines without effecting a cure, and was told by
one or two of his physicians that the ulcers in his legs would
runa him off before long. Brant's Purifying Extract has
cured these ulcerated and inflamed legs, so that now they
are entirely healed up, and he enjoys good health.

ATTICA. Genesee Co., N. Y., Feb. 1, 1848.

M. T. WALLACE & CO.—Gentlemen; I received a case of Brant's Medicines from you, and have been most wonderfully disappointed in the rapid sales made, and much more so in the general and particular satisfaction the medical effect the medicines had given to all those who have been fortunate enough to try them. I was myself, for more than a year, afflicted with a disease of the Stomach. I could not cat any fat or greasy substance without causing great pain, sickness, and vointing, and was continually afflicted with a Sour Stomach. When Brant's Medicines came, I, as an experiment, tried one bottle, which to my utter disappointment, eased and relieved the usual pain after cating. I therefore used the second bottle, which has completely cured the disease. I am now well and hearty, and can eat almost anything without being pained, or the stomach becoming sour. Please send ine another supply by express, as some who are taking, if can not do without it, they have experienced so much benefit from its use.

Yours, Respectfully,
Mr. Wilcox is a respectable merchant of Attica.

In regard to the quality of the wheel for the purpose of grinding, it is far superior to any I have ever used or seen used, and for a low head I believe it is the best wheel in use—during the whole winter (which best wheel in use—during the whole winter (which has been unusually cold) we have not been affected at all with the ice, and in high water at a stage which would stop the old wheel entirely, we no which would stop the old wheel entirely, we now find no inconvenience from back water.
