SOVEREIGN BALM

No other Medicine has ever been introduced to the public that has met with such unparalelled success, as Dr. Soule's ORIENTAL BALM PILLS.— Having been but six years before the public, and the advertising small when compared with most other medicines, yet they have worked their way into every State in the Union and Canadas. They have absolutely become the standard Medicine of the day. They are purely vegetable and so admi-rably compounded that when taken in large deses they speedily cure acute diseases, and whon taken in small doses they operate like a charm, upon the most delicate, nervous female, and have raised numbers from their beds when all other remedies had tailed. We here refer to but a few of the many miraculous cures effected by the use of said Pills. SFINAL AFFECTION.—Anna Wood, of Rutland, Jefferson county, N. Jefferson county, N. Y., was cured, after she had been confined to bed 5 years, with Spinal disease and Abscess of the Lungs. The bill of her regular Physician (Dr. Johnson, of Clay,) had amounted to \$600. See circular, of Clay, N. Y., was cured of Dyspepsia, Nervous Debility, and Scroulous affection of the head, after she had been confined six months and all other medicines had failed. COUGH AND CONSUMPTION CURED.--Wm. Bently, of Pickering; C. W., was cured of a severe cough after he had been confined to his bed for a long time, and was given up by the Physicians. He had used most of the cough medicines of the day, and was supposed by his friends and physicians to be in the last stage of Consumption. DYSPERSIA.--A. B. F. Ormsby, of Syracuse, N. Y., was cured of Dyspepsia, So severe as not to be able to work for two years. Wm. Smith, of Greenwich, Conn., was cured of a severe case of Dyspepsia, Costiveness and Nervous Debility, of years standing, after expending large sums of money to no purpose: See circular.
