CONSUMPTION

BRANT'S INDIAN

CHILD THIRD THIRD DIFFERENCE AND THE CURS TRY MANY of the most strongly marked and developed cases of Palmonary Consumption—REAL, undoubted cases of alcorated and discased LUNGS—such hopeless cases as were never before curred by any other medicine. So untiry looped cases were some of the afflicted persons, as to have been procounced by physicians and friends to be ACTUALLY DYING case, who had their burial-clothes made, have been cured, and yet me others, who it was said would not live another day, are now as well and hearty as they ever were.

It possesses all the cleansing and purifying virtues nearly as powerful and active as the preparation which we call BRANT'S INDIAN PURISTYNG EXTRACT BRANT'S INDIAN PURIFYING EXTRACT. This differs from that, because this possesses several other Medications which are peculiarly adapted to, and are essential y necessary, to cure

Coughs and Consumptions, and all diseases of a pulmonary nature—such diseases as usually prove so fata, under ordinary treatment, when they attack the

Breast, Thront, Lungs, and Heart. This BALSAM heals and cures Ulcers in the Lungs, and clee where internally, as certainly and easily as the Punity-ing Extract cures and heals ulcers externally. This Balsam cures nine cases of Congh and Consumption out of ten, after all other remedies have failed to do good.

Thousands of Consumptions and Chronic Coughs, abundantly prove its unfailing efficace, in such diseases, and its undoubted curative power, and FEMALE WEAKNESSES AND COMPLAINTS. No remedy that has been offered to the public has ever been half as certain, and effectual in correcting ALL the inel-dental ecoknesses and irregularities of the benulå sax, as BRANY'S PULMONARY BALSAM. It makes no differ-ence whether the decangement has transposition,

one whether the derangement he impression, erces, or other incidental weekness—it regulates A.L., by strengthening the system, epositing the eventuation and working and alloying NERVOUS BRRITABLETY. See our Pamphets for proct. CONSUMPTION A Dying Woman Cured!

We state this cure to prove the purcer to sare life, when this BALSAM is used, even after the person is considered by physician and friends to be in the last stages of disense—actually dying—and, in this case, so far gone that the skrund and burint-clothes were bought. For the particulars of this case, and the respectable and undoubted proof of all the circumstances and lates, we refer to our PAMPHLETS.

This cure was effected on Mrs. ZHBA DYKEMAN, of Ballston Sya. Stratung Co., N.Y. We can prove beyond a doubt, many others almost equality as hop-less, and innumerable cases of Conghs and Consumptions CCHED, which were pronounced incarable by skilled physicians.

Dysentery and Summer Complaint in Children and Adults are always cured. Weakly Children will become fieshy, healthy, and hearty, and grow rapidly, by he use of this PALSAM.

No mother need ever mourn the death of her child by Children Hishnitum, while trething, if BRLLYTS PULMONARY BALSAM he administered. It should be, for use; cases, given in larger than the ordinary doses.

does not stand alone as a >nument of the great efficacy of BRANT'S PUBLIER, for we could give almost unlimited evidence of other cures, well attested, if this were doubted. This cure is certified to by Fourteen Respectable Witnesses. By Doct. Thos. Williams, one of the most respectable physicians of Rome—by Messrs. Bissell & Leonard, wholesale and retail druggists—by Mr. G. R. Brown, proprietor and keeper of the West Rome Hotel—and by eleven other witnesses.

Brant's Indian Purifier cures all impure diseases of the blood, viz.: Scald-Head, Sald-Rhenm, Rheamatism, Eruptions, Pimples on the Face, Plas, Bilts, Ulers, Considerates, Mercurial Diseases, Liver Complaint, Pains in the Back, Side, and Limbs, Rush of thout to the Head, setc., etc. INTERNAL ULCERS.

INTERNAL ULCERS.

This cure is a triumph over the skill of the best physicions in the city of Philadelphia, and is positive proof that internal ulcers can be cured as easily as external, when Brant's Perfervince Extract is used. Mr. John Hepburn, one of the most respectable gentlemen in Auburn, Cayuga Ca., N Y., informed us in Oct. 1817, that he had been affilieted with three Fissures or Ulcers, so situated internally as to allow of an extanination, and thus furnish positive proof of the fact, and of their location. He said that he had spent one year in Philadelphia, under the professional advice of the best physicians, and was obliged to return to Auburn, without cure or help, when Dr. T. M. Hant, druggist, of Auburn, advised him to try Brant's Furifying Extract, and the use of seven bottles of it effected a perfect cure. CHRONIC ERYSIPELAS AND ULCERS, CHRONIC ERYSIPELAS AND ULCERS.

ASTONISHING AND MOST WONDERFUL CURE.—Capt. Exra Knapp. of No. 37 Whilew st. Brooklyn. N. Y., one of the most respectable citizens in the city, was afflicted five years with Serofulous Erysipelas of both legs, from the knees to the feet, which indiamed and swelled to a prodigious-size, and ulcerated. Large deep ulcers, apparently large enough to run a finner in came into them, which disclarged daily an almost incredible quantity of a maturated substance. He had, had the advice and attendance of several of the most skillul physicians, and had tried many highly freomended medicines without effecting acure, and was told by one or two of his physicians that the ulcers in his legs would run him off before long. BRANT'S PURIFYING EXTRACT has cured these ulcerated and inflamed legs, so that now they are entirely healed up, and he enjoys good health.
