PATENT MEDICINES.
PATENT MEDICINES. PATENT MEDICINES.

It is very seldom that we make any allusion to Patent Medicines, either approving or otherwise. Unfortunately for the country, and for honest and conscientious inventors and venders of these med teries, the land is becoming flooded with quack preparations, that are made alone for profit and are fit not even for the dogs. In this state of things it is hard to tell which are, and which are not worth having. If a person nets an indifferent med-

MORE EVIDENCE. The Philadelphia Saturday Gazette, the best family newspaper published in the United States. The editor says of DR. HOOFLAND'S GERMAN BITTERS: DR. HOOFLAND'S GERMAN BITTERS:
It is seidom that we recommend what are termed
Patent Medicines to the confidence and patronage
of our reagers; and, therefore, when we recommend Dr. Hoofland's German Bitters, we wish it
to be distinctly understood that we are not speaking of the nostrums of the day, that are noised
about for a brief period and then forgotten after it
has done its guilty race of mischief, but of a medicine long established, universally prized, and
which has met the approbation of the faculty
itself.

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor, is, that there is more of it used in the practice of the regular Physicians of Philadelphia than all of the regular Physicians of Philadelphia than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will neet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stornach and liver; it is preferable to calonnel in all biliness disliver; it is preferable to calomel in all billious dis-cases—the effect is immediate. They can be ad

ministered to FEMALE OF INFANT with safety and reliable benefit, at any time.

THE uniform success which has attended the use of this preparation—its salutary effect—its power to relieve and cure affections of the Lungs, have gained for it a celebrity equalled by no other medicine. We offer it to the afflicted with entire confidence in its virtues, and the full belief that it will subdue and remove the severest attacks of disease upon the throat and Lungs. These results, as they become publicly known, very naturally attract the ttention of medical men and philantropists ever where. What is their opinion of CHERRY PECTORAL may be seen in the following:

VALENTINE MOTT, M. D.,

Prof. Surgery Med. College, New York, says:-"It gives me pleasure to certify the value and efficacy of Ayer's Cherry Pectoral, which I consider peculiarly adapted to cure diseases of the Throat THE RT. REV. LORD BISHOP FIELD

writes in a letter to his friend, who was fast sinking under an affection of the Lungs:—"Try the Cherry Pectoral, and if any medicine can give you relief, with the blessing of God that will."

CHIEF JUSTICE EUSTIS,

Dr. J. C. Ayer—Dear Sir :—Having been rescued from a painful and dangerous disease by your medicine, gratitude prompts me to send you this acknowledgment, not only in justice to you, but for the information of others in like affliction.

A slight cold upon the lungs, neglected at first, became as severe that estimate of blead a violent ecame so severe that spitting of cough and profuse night sweats followed and fas-tened upon me. I became emaciated, could not sleep, was distressed by my cough, and a pain through my chest, and in short had all the alarming symptoms of quick consumption. No medicine seemed at all to reach my case, untill providentially tried your Cherry Pectoral, which soon relieved

from a week I began to experience the most gar-fying relief from its use; and now, in four weeks, the disease is entirely removed. I can sleep on my bed with comfort, and enjoy a state of health which I never expected to enjoy.
