WASHING REDUCED TO A SCIENCE. Stephen Crane's Patent Com-

pound Wash Mixture. THIS mixture is one of the most useful and important inventions of modern times, for washing clothes perfectly, with astonishing facility and despatch, and without injury to texture or color. Every family, of whatever size, can do all their washing in one-third the time, exclusive of the rinsing and drying, without the labor of inbining, pounding, bleaching or boiling, thus saving time, expense and labor; while clothing itself will be saved from the wear and tear of machines and frice. tion, and last much longer. Also for washing surfaces, and every article or thing which may surfaces, and every article or thing which may require cleansing. The mixture may be obtained, for Lancaster county, at the Book Store of Judd & Murray, opposite the Post Office, Lancaster city. All this can be tested at a small expense, and we invite the whole city and county of Lancaster to come and try it. Family and County Rights for sale, in and for the counties of Lancaster, Berks, Lebanon, Dauphin, Schuylkill, Northumberland, Lunon, Dauphin, Schuyikin, Northumberland, Lu-zerne, Susquelannan, Wyoming, Wayne, Pike, Car-bon, Northampton and Monroe. Lancaster, March 12, 1850. Valuable Lands for Sale.

A gentleman in Virginia offers for sale a ver desirable tract of Land lying in the county of 3reenbrier, west of the Allegheny mountains. I contains about Twenty-Two Hundred Acres; seventeen hundred of which are rich alluvial ttom,—not surpassed in fertility by any in the nion. Some three or four hundred acres of the bottom, and about two hundred acres of the upland are open for cultivation. The uncleared portion of land is covered with a forest of

SHELL BARK, HICKORY, MAPLE, BUCKEYE, OAK AND ASH OAK AND ASH
The tract lies immediately on the Great Kanawha
Turnpike, within a short distance of the celebrated
Virginia Springs; and the central improvement of
the State, now in the course of construction, will
either pass through or near it. It is confidently
believed that sall, water may be obtained on it. believed that salt water may be obtained on it—and

bituminous coal is abundant. The tract might be advantageously divided into four or more parts; and in the hands of industrious Pennsylvania Farmers and Graziers, would, in a few years, readily command from \$30 to 740 per acre. There are few or no slaves in this section of he State, and free labor is readily obtained. The owner, living in a distant part of the State, will sell the tract for FIFTEEN DOLLARS PER ACRE;—one fourth cash—the balance in three equal annual instalments.
