conscientious inventors and venders of these medicines, the land is becoming flooded with quack preparations, that are made alone for profit and are fit not even for the dogs. In this state of things it is hard to tell which are, and which are not worth having. If a person gets an indifferent medicine the first time he purchases, he is very spt to condemn the whole of them and buy no more, and inventors must only blame those of their number, [who ignorantly combine plain medicines together for the purpose of moking money.] for the ill success which attered as he efforts of the deserving.

TAKE PARTICULAR NOTICE. Evidence upon evidence has been received (like the foregoing) from all sections of the Union the last three years, and the strongest testimony in its favor, is, that there is more of it used in the practice induged in—a habit frequently learned from evid companions or at school—the established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

THIS justly celebrated Cordial is now considerep the only efficacious remedy, compounded from the materia medica, for those sad derangements of body and mind, caused by improper habits of youth. The following are some of the effects of the violation of the laws of mans' physical and social being;—Prostration, nervousness, dispepsia, pain in the head, and dimness of vision; weakness of hack and lower extremities premature decay of

Weakness of memory and power for mental application slight, dejection, aversion to society, timidity and self-distrust. From the "Reading Eagle."

THERE was never, perhaps, a medicine brought before the public, that has in so short a time, won such a reputation as M'ALLISTER'S ALLHEALING OR WORLD'S SALVE. Almost every pareon that has made trial of its speaks warmly in HEALING OR WORLD'S SALVE. Almost every person that has made trial of it, speaks warmly in its praise. One has been cured by it, of the most painful Rheumatism; another of the piles, a third of a troublesome pain in the side, a fourth of a swelling in the limbs, &c. If it does not give immediate relief in every case, it can never do injury, being applied outwardly. As another evidence of the wonderful healing power possessed by this salve, we subjoin the following certificate, from a respectable citizen of Maidencreek township, in this county. this county.

Messrs. Ritter & Co.—I desire to inform you that I was entirely cured of a severe pain in the back, by the use of M'Allister's All-Healing Salve, which I purchased from you. I suffered with it about twenty years, and at night was unable to sleep. During that time I tried various remedies, which were prescribed for me by physicians, and other persons, without receiving any relief, and at last made trial of this Salve, with a result favorable beyond expectation. I am now, entirely free from beyond expectation. I am now, entirely free from the pain, and enjoy at night a sweet and peaceful sleep. I have also used the Salve since, for other ep. I have also used the Saire ships, mplaints, with similar happy results.

CELEBRATED FAMILY MEUICINES.

B. KEELER is a regular graduate from one of the best medical schools of the country, and a practising physician in the city of Philadelphia.—We take great pleasure in presenting these remedies to the afflicted. They are all of undoubted medicinal powers and hold out to the invalid a promise of relief, such as none others possess.—They each have been thoroughly tried in a long succeesful private practice, and have established for themselves a reputation but few possess, and given better satisfaction to the afflicted than any of the boasted remedies of the day. In offering them to the public, the proprietor is influenced by no sinister motives of gain, but feels conscious that they are eminently deserving of public confidence. they are eminently deserving of public confidence. No medicines ever before the public have acquired such deserved reputation upon their merits alone, or appeal with such irresistible force to the invalid.
