HAVING removed our Machine Shop and Iron Foundry, from our old stand, at the Railroad, to the place formerly occupied by Mr. John Baker, Coachmaker, in East Orange street, Lancaster, Pa., we tender our grateful acknowledgements to our kind friends, customers, and the public generally, for the very liberal patronage heretofore enjoyed, and that no exertions shall be wanting on our part to merit a continuance of the public support. Our new location has been fitted up recently for the business, affording conveniences not previously possessed for want of room and suitable buildings—besides, the Locomotives passing on the railroad were an inconvenience to our customers that we are entirely free from in our new location. The varieties of THRESHING MACHINE made and repaired as heretofore, Corn Shellers, Wheat Drills, Ploughs, Horse Rakes, &c., made, and kept on hand for sale.

Our stock of Patterns connected with the Iron Foundry, we feel warranted in saying, is fully equal if not superior, to any other establishment in the county, being the kind now generally used, together with skilful Pattern Makers at all times ready to make to order, thus enabling us to fill all orders for Casting and Fitting with despatch.

Highest price paid for old Castings.
WILLIAM KIRKPATRICK.
