DR. HOOFLAND'S CELEBRATED GERMAN BITTERS, DR. C. M. JACKSON, AT THE GERMAN MEDICINE STORE,

Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing rest, virtues in the requirement. lids. Possessing great virtues in the recification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are withal.

READ AND BE CONVINCED. Charles Robinson, Esq., Easton, Md., in a leter to Dr. Jackson, January 9, 1850, said— "My wife and myself have received more bene-from your medicine than any other we have ver taken for the Dyspepsia and Liver Disease.'
The Tenth Legion, published at Woodstock
Va, January 10, 1850, said—
A GREAT MEDICINE.

We have uniformly refrained from recommending to the public any of the various Patent Medicines of the day, unless thoroughly convinced of their value. Among those we consider worthy of notice is the German Bitters, invented by Doctor Hoofland, and prepared by Dr. Jackson, in Philadelphia. One instance in particular, in which the superior virtues of this medicine have been tested, has fallen under our observation. During the last summer, a son of Mr. Abm. Crabill, of this county, was very seriously afflicted with Liver Complaint, and after trying in vain various remedies, aint, and after trying in vain various remedies, purchased a bottle of the Bitters, and after

he purchased a bottle of the Bitters, and after using it, was so much relieved of his distressing malady, that he procured another bottle, and is restored entirely to health.

READ FURTHER A FEW FACTS.

From the Weldon Herald, published at Weldon, N. C., January 24, 1850, which said—

PATENT MEDICINES.

Lie revealed what we make any allusion to

It is very seldom that we make any allusion to Patent Medicines, either approving or otherwise. Unfortunately for the country, and for honest and conscientious inventors and venders of these medicines, the land is becoming flooded with quack preparations, that are made alone for profit and are fit not even for the dogs. In this state of things it is hard to tell which are, and which are not worth having. If a person gets an indifferent medicine the first time he purchases, he is very apt to condemn the whole of them and buy no more, and inventors must only blame those of their number, lwho ignorantly combine plain medicines together condemn the whole of them and buy no more, and inventors must only blame those of their number, [who ignorantly combine plain medicines together for the purpose of making money,] for the ill success which attends the efforts of the deserving. We believe Dr. C. M. Jackson's Hoofland's German Bitters to be a most excellent medicine, and one that should be highly popular in these days of Temperance; for they are altogether Vegetable in their composition, without one drop of Alcoholic Spirits in them. This medicine is innocent, but strengthening in its effects, and richly deserving of an unbounded popularity, which, when it becomes known, it will, no doubt, fully enjoy.

The fact also that his article became notorious for its SOURING, FERMENTING and BURST-ING BOTTLES, thereby DECEIVING and INJURING the sick, and destroying goods demonstrates beyond all reasoning or gainsaying, the fallacy of his pretensions, and the baseless fabric of his claims. Townsend's souring compound from public odium, unless it is made entirely different from its present character; and if they do this, it will become another article of Sarsaparilla, and they might as well give it another name first as last. It should be called the "Strangers' Sarsaparilla," and not S. P. Townend's. But if there is no alteration, the people may still expect the same old souring, ferme rootbeer stuff, as formerly made by Ruel Clapp, the

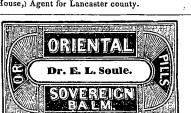

We have felt it our duty to inform the public of the true position of this matter, that OLD DR. JACOB TOWNSEND'S SARSAPARILLA may not be confounded with the souring article. We understand these strangers who have taken up S. P's business intend to remain there. Such conduct needs no comment. BRANT'S INDIAN

PULMONARY BALSAM Cutes very many of the most strongly marked and developed cases of Pulmonary Consumption—REAL, undoubted cases of hierard and discased LUNGS—such hopeless cases as were never helore cured by any other medicine. So uturily hopeless were some of the afflicted persons, as to have been pronounced by physicians and friends to be ACTUALLY DYING Some, who had their burial-clothes made, have been cured, and yet live—others, who it was said would not live another day, are now as well and hearty as they ever were. It possesses all the cleaning and purifying vitues nearly as powerful and active as the preparation which we call RPANTS INDIAN SUBJECTION. BRANT'S INDIAN PURIFYING EXTRACT This differs from that, because this possesses several other Medications which are peculiarly adapted to, and are essential

Breast, Throat, Lungs, and Heart. This BALSAM heals and cures Ulcers in the Lungs, and else where internally, as certainly and easily as the Puntry. ING EXTRACT cures and heals ulcers externally. This Balsam cures nine cases of Cough and Consumption out of ten, after all other remedies have failed to do good.

Thousands of Consumptions and Chronic Coughs, abundantly prove its unfailing efficacy in such diseases, and its undoubted curative power, and southing, healing properties, in the following complaints and diseases, viz.: Spitting of Blood, Bleeding at the Liungs, Paix in the Breast and Side, Night-Sweats, Norrous Complaints, Patpitation of the Heart, Cholera Infantum, Dyscurtry and Summer Complaints in Children and Adults, Asthma, and ALL FEMALE WEAKNESSES AND COMPLAINTS ence whether the derangement be suppression, excess, other incidental weakness—it regulates ALL, by strengthing the system, equaliting the circulation, and soothing an allaging NERVOUS IRRITABILITY. See our Pamphi for proof.

CONSUMPTION.

A Dying Woman Cured! We state this cure to prove the power to sate life, when this BALSAM is used, even after the person is considered by physician and friends to be in the last stages of disease—actually dying—and, in this case, so far gone that the shroud and burial-clothes were bought. For the particulars of this case, and the respectable and undoubted proof of all the circumstances and facts, we refer to our PAMPHLETS. This cure was effected on Mrs. ZIBA DYKEMAN of Baltton Spa. Stratuga Co., N. Y. We can prove, beyond a doubt, many others almost equally as hopeless, and imnumerable cases of Coughs and Consumptions CURED, which were pronounced incurable by skillful physicians.

Weakly Children will become fleshy, healthy, and hearty, and grow rapidly, by he use of the BALSAM. No mother need ever mourn the death of her child by the use of this BALSAM. No nother need ever mourn the death of her child by Cholera Infantum, while techning, if BRANT'S PULMONARY BALSAM be administered. INTERNAL ULCERS.

INTERNAL ULCERS.

This cure is a triumph over the skill of the best physicians in the city of Philadelphia, and is positive rador that internal ulcers can be cured as easily as external, when BRANT'S PUSIFYING EXTRACT is used. Mr. John Hepburn, one of the most respectable gentlemen in Auburn, Cayuga Co., M. Y., informed us in Oct. 1847, that he had been afficieted with three Fissures or Ulcers, so situated internally as to allow of an examination, and thus furnish positive proof of the fact and of their location. He said that he had spent one year in Philadelphia, under the professional advice of the best physicians, and was obliged to return-the Auburn, without cure or help, when Dr. T. M. Hust, druggiet, of anburn, advised him to try Brant's Purfying Eriract, and the use of seven bottles of it effected a perfect cure.

to run a finger in, came into them, which discharged daily

He had had the advice and attendance of several of the
most skilful physicians, and had tried many highly recommended medicines without effecting a cure, and was told by
one or two of his physicians that the ulcers in his logs would
run him off before long. BRANT'S PURIFYING EXTRACT has
cured those ulcerated and inflamed legs, so that now they
are entirely healed up, and the enjoys good health.

PURIFY! PURIFY! LIFE and HEALTH are in the BLOOD.

Cleanse, Parify, and Regulate the Circulation, and the whole hody will have health. The most wonderfu of all remedies to produce such a result, is BRANT'S INDIAN PURIFYING EXTRACT

Yes, the desired result and efficacy will be produced by the use of a smaller quantity of this Ptrapping than can be effected by the use of a like quantity of any other remedy in the world. (See our Pamphlets for proof.)

This Ptrapping is wholly prepared from Vegetables, and cures the worst, most lostinate, and long-standing diseases of the blood, without puting, purging, sickening, or debitating. It cleanes, strengthens, integrates, makes new, healthy blood, and gives new vigor and new life to the whole system. system.

BRANT'S PURIFIER is FOUR TIMES CHEAPER than any other remedy in the world, because ONE DOLLAR'S WORTH of it will effect a greater amount of cure than four dollars' worth of sursaparilla, or any other remedy, no matter how lorge their bottles may be. The important question for consumers to determine, is, how much more curatine effect will a dollar's worth of this Purifier produce, than a dollar's worth of that sursaparila or other remedy. 100,000 Persons of Impure Blood Diseases, and 25,000 Cases were considered Incurable as some other patent medicine men are in the habit of saying. If we should say so, who would believe us! This however, we do say and stand account. How much will a Dollar's worth CURE Trenty large, deep Ulcers were cured by using only twelve bottles of Brant's Purifier.

The following is the most wonderful and astonishing cure that was ever effected on a human being, by any medicine.

Horrid Scrofula Cured Mn. J. B. Haskin, of Rome, Oneida Co., N. Y., certifies, December 20th, 1846, that he had been afflicted with Sexorula four years, and the last year confined to his bed, with support large, deep discharging Ulcers—that his neck

does not stand alone as a monument of the great efficacy of BRANT'S PUBIFIER, for we could give almost unlimited evidence of other cures, well attested, if this were doubted. This cure is certified to by Fourteen Respectable Witnesses. By Doct. Thos. Williams, one of the most respectable by Sicians of Rome—by Messrs. Bissell & Leonard
