C. J. GAYLER'S
Salamander Safes, Warranted Fire and Thief Proof,

AND FREE FROM DAMPNESS.

THESE SAFES possess every qualification to render them proof against the action of fire or thieves, and of sufficient strength to endure a fall from any story of a burning building. They are made of WROUGHT IRON, being kneed, rivited and welded together, and lined with a perfect non-conducting Fre Proof Mineral Composition, no wood being used in their construction as in the majority of safes sold by other makers. The doors of Gayler's Safes are secured with his THIEF DETECTOR and ANTI-GUNPOWDER LOCK, which precludes the possibility of picking or blowing them open with gunpowder. Over TWO HUNDRED of these Safes have been exposed to accidental fire to the most intense heat, in many instances remaining in the burning ruins for several days, and at no time have they ever been known to fail in preserving their contents.

The public are invited to call at the BRANCH DEPOT, No. 10 EXCHANGE PLACE, PHILADELPHIA, near Dock street, and examine the numerous testimonials in favor of GAYLER'S SAFES, also the large assortment on hand for sale at manufacturers' prices, by JOHN L. PIPER, Agent.

P. S.—Also for sale low, new and second-hand Safes of other makers, which have been taken in part payment for Gayler's Salamanders.

Dr. Cullen's Indian Vegetable Panacea.

ROWAND & WALTON invite attention to the following advertisement:

DR. CULLEN EVER VICTORIOUS.

As a proof of the continued success of DR. CULLEN'S INDIAN VEGETABLE PANACEA, we refer to a few of the many certificates in our possession, of cures performed by this great purifier.

Captain T. L. Sanders, constable of South Mulberry Ward, cured of Barber's Itch.

Mr. J. P. Reese's child, No. 83, North Seventh st., cured of hereditary Tetter, which covered his entire body.

Mr. E. W. Maxwell, Grape Court, Market street, above Eitghth, cured of Scrofula, had fourteen open ulcers upon his body at the time he commenced taking the Medicine.

Miss Christiana Sands, West Spruce street, between Belch and Willow streets, near the Schuylkill, cured of Scrofula; had suffered eight years; her head was so much affected that tea and coffee would pass out at her ear—this is a strong case.

Capt. John R. Barclay, No. 400 Market street, cured of Scrofulous Sore Leg, of 25 years' standing.

Mr. Isaac Brooks, Jr., No. 5, Jefferson, west of Schuylkill Sixth street, below Locust. This was, undoubtedly, one of the most severe cases of Scrofula ever cured, and is certified to by many of our best physicians and clergymen, and also by himself.

Joseph Barbour, No. 1, Short court, east from Twelfth street, above Race, cured of Scrofulous Sore Throat, of eight years standing.

Mrs. J. H. Frick's child, No. 73½ Dock street, Philadelphia.

Mr. Michael Duffy, 44 South Front street, (at P. Brady & Co's) Philadelphia, cured of Tetter of twenty-five years.

Mr. William Flemming, No. 210 Washington st., between Eighth and Ninth, Philadelphia, cured of Erysipelas of four years, which destroyed the flesh to the bone.

William Barker cured of Scrofula. This case had been in the hospital many months, and discharged as incurable—he is now well, and way be seen daily at our office.

Mr. David Kirgan, Muddy creek, Hamilton co., Ohio, cured of Scrofula. This was a very severe case, and Kirgan says that could money prevent, would not undergo the same affliction for ten thousand dollars, and yet he was cured for a few dollars, by Dr. Cullen's Indian Vegetable Panacea.

Mr. John W. Hazleton, of Mulica Hill, New Jersey, cured of Tetter of ten years' standing, with a few bottles of the Panaceo.

Mr. John Brocker, of Germantown, at the age of 61 years, was cured of a violent Tetter that had troubled him for 18 years.

Mrs. Eve Siscoe, No. 52 South street, between Third and Fourth, from Schuylkill, cured of fever sores on her ankles, after suffering 12 years with them. Mrs. S. is 62 years of age.

Mrs. Elizabeth C. Foster, Second st., four doors above Washington street, was cured of Tetter on her leg, which had troubled her 14 years.

Mr. Charles Otis, late of Parish street, now of Manyunk, cured of Tetter, of 5 years, in hands and feet.

Mr. Mellon Grubb, Juniper street, near Spruce, cured of Scrofulous ulcers on the shoulders, which had defied the doctors more than a year.

Mr. Hiram Ridge, Attleboro', Bucks co., Pa., cured of Salt Rheum. This case had been pronounced incurably by some 12 or 14 physicians of the first standing—as a last resort had recourse to Cullen's Panacea, and was cured completely in a few months, after suffering 17 years—the disease had almost covered his entire person.

Henry Reeves, of Bridgeton, cured of the worst of Scrofula ever seen in New Jersey, by 7½ bottles!

Thomas Wainwright, of Manayunk, cured of Scald Head; the disease extended over the whole scalp until it was an entire mass of corruption; and yet one bottle of the Panacea cured him.

We might add case after case, ad infinitum; but we think it unnecessary; presuming the afflicted will want more evidence then we can give in an advertisement, we again ask them to send to our office and get these certificates, from which you will learn the extraordinary sufferings of these persons, as well as the mode of cure.

DR. HOOFLAND'S CELEBRATED GERMAN BITTERS,

PREPARED BY

DR. C. M. JACKSON, AT THE GERMAN MEDICINE STORE,

120 *Arch Street, Phila.*

Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are withal, safe, certain and pleasant.

READ AND BE CONVINCED.

Charles Robinson, Esq., Easton, Md., in a letter to Dr. Jackson, January 9, 1850, said—

"My wife and myself have received more benefit from your medicine than any other we have ever taken for the *Dyspepsia and Liver Disease.*"

The *Tenth Legion*, published at Woodstock, Va., January 10, 1850, said—

A GREAT MEDICINE.

We have uniformly refrained from recommending to the public any of the various Patent Medicines of the day, unless thoroughly convinced of their value. Among those we consider worthy of notice is the *German Bitters*, invented by Doctor Hoofland, and prepared by Dr. Jackson, in Philadelphia. One instance in particular, in which the superior virtues of this medicine have been tested, has fallen under our observation. During the last summer, a son of Mr. Asm. Crabill, of this county, was very seriously afflicted with Liver Complaint, and after trying in vain various remedies, he purchased a bottle of the Bitters, and after using it, was so much relieved of his distressing malady, that he procured another bottle, and is restored entirely to health.

READ FURTHER A FEW FACTS.

From the *Weldon Herald*, published at Weldon, N. C., January 24, 1850, which said—

PATENT MEDICINES.

It is *very* seldom that we make any allusion to Patent Medicines, either approving or otherwise. Unfortunately for the country, and for honest and conscientious inventors and venders of these medicines, the land is becoming flooded with quack preparations, that are made alone for profit and are fit not even for the dogs. In this state of things it is hard to tell which are, and which are not worth having. If a person gets an indifferent medicine the first time he purchases, he is very apt to condemn the whole of them and buy no more, and inventors must only blame those of their number, (who ignorantly combine plain medicines together for the purpose of making money,) for the ill success which attends the efforts of the deserving.

We believe Dr. C. M. Jackson's Hoofland's German Bitters to be a most excellent medicine, and one that should be highly popular in these days of Temperance; for they are altogether *Vegetable* in their composition, without one drop of *Alcoholic Spirits* in them. This medicine is innocent, but strengthening in its effects, and richly deserving of an unbounded popularity, which, when it becomes known, it will, no doubt, fully enjoy.

Judge M. M. Noah said, in his *Weekly Messenger*, January 6, 1850.

Dr. Hoofland's German Bitters.—Here is a preparation which the leading presses in the Union appear to be unanimous in recommending, and the reason is obvious. It is made after a prescription furnished by one of the most celebrated physicians of modern times—the late Dr. Christopher Wilhelm Hoofland, professor to the University of Jena, private physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced. He was emphatically the enemy of *humbug*, and therefore a medicine of which he was the inventor and endorser may be confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Debility, Vertigo, Acidity of the somach, Constipation, and all complaints arising from disordered condition of the stomach, the liver and the intestines. Nine Philadelphia papers express their conviction of its excellence, and several of the editors speak of its effects from their own individual experience. Under these circumstances, we feel warranted, not only in calling the attention of our readers to the present proprietor's [Dr. C. M. Jackson's] preparation, but in recommending the article to the afflicted.

MORE EVIDENCE.

The *Philadelphia Saturday Gazette*, the best family newspaper published in the United States. The editor says of

DR. HOOFLAND'S GERMAN BITTERS:

It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after it has done its guilty race of mischief, but of a medicine long estab shed, universally prized, and which has met the approbation of the faculty itself.

Evidence upon evidence has been received (like the foregoing) from all sections of the Union the last three years, *andthe strongest testimony in its favor, is*, that there is more of it used in the practice of the regular Physic ans of Philadelphia than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in *all bilious diseases*—the effect is immediate. They can be administered to FEMALE OR INFANT with safety and reliable benefit, at any time.

BEWARE OF COUNTERFEITS.

This medicine has attained that high character which is necessary for all medicines to attain to induce counterfeiters to put forth a spurious article at the risk of the lives of those who are innocently deceived.

Look well to the marks of the genuine.

They have the written signature of C. M. JACKSON upon the wrapper, and the name blown in the bottle, *without which they are spurious.*

DR. KEELER is a regular graduate from one of the best medical schools of the country, and a practising physician in the city of Philadelphia.—We take great pleasure in presenting these remedies to the afflicted. They are all of undoubted medicinal powers and hold out to the invalid a promise of relief, such as none others possess.—They each have been thoroughly tried in a long successful private practice, and have established for themselves a reputation but few possess, and given better satisfaction to the afflicted than any of the boasted remedies of the day. In offering them to the public, the proprietor is influenced by no sinister motives of gain, but feels conscious that they are eminently deserving of public confidence. No medicines ever before the public have acquired such deserved reputation upon their merits alone, or appeal with such irresistible force to the invalid.

PHILADELPHIA, June 10, 1846.

Dr. Keeler—Dear Sir: It affords me great pleasure to state to you that I have tested in my practice, your valuable Panacea with the greatest success.—Indeed, I do not recollect a solitary instance wherein it has not acted beneficially. I have succeeded in curing obstinate secondary syphilitic cases with it in a very short time, and I believe it is the best remedy within my knowledge for all the cutaneous, constitutional and glandular diseases. As a blood purifier it has no equal, and I especially recommend it to all those whose system is debilitated by hereditary diseases or contagious effections, producing a lax habit and cachectic condition, such as Scrofula Ulcers of the skin, chronic diseases, consumption, and all diseases arising from an impure state of the blood. It is a valuable article for children suffering from contagious effections incident to early life. Sincerely yours,

W. ANDERSON, M. D.
