CELEBRATED FAMILY MEDICINES.

Dr. KEELER is a regular graduate from one of the best medical schools of the country, and a practising physician in the city of Philadelphia.

We take great pleasure in presenting these remedies to the afflicted. They are all of undoubted medicinal powers and hold out to the invalid a promise of relief, such as none others possess.—

They each have been thoroughly tried in a long successful private practice, and have established for themselves a reputation but few possess, and given bester satisfaction to the afflicted than any of the boasted remedies of the day. In offering them to the public, the proprietor is influenced by no sinister motives of gain, but feels conscious that they are eminently deserving of public confidence. No medicines ever before the public have acquired such deserved reputation upon their merits alone, or appeal with such irresistible force to the invalid PURIFY THE BLOOD.—DR. KEELER'S
