The time has again arrived when disease of the stomach and bowels carries its thousands to a premature grave. Is there no remedy to stay the frightful mortality that sweep over the land, nor to stay the march of death? We answer, YES—the Cordial will cure and prevent nine-tenths of all cases of diseases affecting these organs. More than five thousand cases of disease were cured by it during the stay. it during the past year. Families leaving the city, consulting the welfare of their children and selves, will act wisely to take this article with them. Dear Doctor—Gratitude for the immediate and lasting relief, received from your valuable Cordial and Carminative, induces me to take the liberty of writing to you, that you may know the value of a medicine which no family should be without. My friend, your agent, being in our neighborhood, called to see our family, and fortunately left a small bottle. I happened to have a severe attack of Dysentery from which I was not expected to recover; after every other medicine had failed to afford relief, your cordial was thought of, and wonderful to say the third teaspoonful had the effect not only to relieve the most excrutiating pain but to leave my relieve the most excrutiating pain but to leave my bowels in a regular state. I expect to be in Philadelphia shortly, when I shall call and thank you in person.

Your obliged Friend,
G. R. FRALEY.

Neffsville, Lancaster co., Dec. 11th, 1846.

Dr. Keeler:—Sometime last summer your agent left me some of your Infant Cordial and Carmin tive, urging me try it. It so happened that I had a case; a child about six months old, whose stomach and bowels were in a very disordered condition, caused by a deficiency of its mother's milk. The child was a mere skeleton; there was much tormma, tenesmus, and constant evacuations. I adminma, tenesmus, and constant evacuations. I administered every medicine I could think of, with but a slight alleviation of the complaint. I then thought of giving your medicine a trial, commencing with small doses, I soon however perceived the child could bear a full dose as recommended in directions; before it had taken halt a bottle, the stomach and bowels had recovered their natural tone, every other had symptom yielded and the shild recovered.

other had symptom yielded and the child recovered very rapidly.

I have no hesitation in saying that your medicine is the very best for the above complaints I have administered in a 21 year* practice.

Very respectfully your friend.
