Almost every suffering and of mental anguish, prostrate and help-less, embittering her life, that of her husband, and nazarding the future welfare of her children, arising from causes which, if known, would have spared the suffering, the anguish to the wife, and to the husband embarrassments and pecuniary difficulties have ing their origin in the mind being weighed down and harassed in consequence of the sickness of the com

Twentieth Edition. 18mo., pp. 250. Price, \$1.00. THIS WORK IS INTENDED ESPECIAL-LY FOR THE MARRIED, or those contemplating marriage, as it discloses important secrets which should be known to them particularly.

Here, every female—the wife, the mother—the one either budding into womanhood, or the one in the decline of years, in whom nature contemplates an important change—can discover the causes, symptoms, and the most efficient remedies and most certain mode of cure, in every complaint to which her sex is subject.

The revelations contained in its pages have proved a blessing stationands, as the innumerable letters received by the author (which he is permitted by the writers to publish) will attest. writers to publish) will attest.

SICKLY AND UNHAPPY WIVES. . Extract of a Letter from a Gentleman in Dayton, O.

"DR A. M. MAURICEAU—My Dear Sir.' The Married Woman's Private Medical Companion, for which I enclosed one dollar to your address, came safely to band. I would not have trabled you with these few lines, but that I am impelled by a sense of gratitude, for myself and wife, to give utterance to our sincere and heartfelt emotions.

"My wife has been perceptibly sinking for some three years or more, in consequence of her great anguish and suffering some months before and during confinement; every successive one more and more debilitated and prostrated her, putting her life in imminent danger, and which was, on the last occasion, despaired of. I supposed that this state of things was inevitable, and resigned myself to meet the worst. At this time (now about two months) I heard your book highly spoken of, as containing some matters reaching my case. On its receipt and perusal, I can not express to you the relief it afforded my distressed mind and the joy its pages imparted to my wife, on learning that the great discovery of M. M. Desomeaux provided a remedy. It opened a prospect to me which I little conceived was possible. No pecuniary consideration can ever repay the obligations I am under to you for having been the means of imparting to us the matters contained in 'The Married Woman's Private Medical Companion.' But for this, ere another year would have passed over my head, in all human probability my wife would have been in her grave, and my children left motherless.'

To those yet unmarried, but contemplating marriage, or perhaps besitating as to the propriety of incurring the responsibilities attendant upon it, the importance of being possensed of the revelations contained in these pages, so intimately involving their future happiness, can not be appreciated.

It is, of course, impracticable to convey more fully the various subjects treated of, as they are of a nature strictly intended for the married, or those contemplating marriage; neither is it necessary, since it is every one's duty to become possessed of knowledge whereby the sufferings to which a wife, a mother, or a sister, may be subject, can be obviated.

MR. J. B. HASKIN, of Rome, Oncida Co., N. This Wonderful and Astonishing CURE

By Doct. Thos. Williams, one of the most respectable physicians of Rome—by Messrs. Brasell & Leonard, wholesale and retail druggists—by Mr. G. R. Brows, proprietor and keeper of the West Rome Hotel—and by cleven other witnesses. Brant's Indian Purifier

cures all impure diseases of the blood, viz.: Scald-Head, Salt-Rheum, Rheumatism, Eruptions, Pimples on the Face, Piles, Biles, Ulcers, Costientess, Mercurial Diseases, Liver Complaint, Pains in the Back, Side, and Limbs, Rush of Blood to the Head, etc., etc. INTERNAL ULCERS. This cure is a triumph over the skill of the best physicians in the city of Philadelphia, and is positive record that internal ulcers can be cured as easily as external, when BRANT'S PUBLIFYING EXTRACT is used. Mr. John Hepburn, one of the most respectable semtlemen in Muburn, Cayung Co., N. Y., informed us in Oct. 1647, that he had been at flicted with three Fissuras or Ulcers, so situated internally as to allow of an examination, and thus furnish positive proof of the fact, and of their location. He said that he had spent one year in Philadelphia, under the professional advice of the best physicians, and was obliged to return to Auburn, without cure or help, when Dr. T. M. Hust, drugsis, of Auburn, advised him to try Brant's Purifying Extract, and the use of seven bottles of it effected a perfect cure.

Y., one of the most respectable citizens in the city, was sufficied five years with Scrollous Eryspielas of both legs from the knees to the feet, whice inflamed and swelled to a prodigious size, and ulcerated. Large deep ulcers, apparently large enough to run a finger in, came into them, which discharged deliy an almost incredible quantity of a maturated substance. He had had the advice and attendance of several of the most skilful physicians, and had tried many highly recommended medicines without effecting a cure, and was told by one or two of his physicians that the ulcera in his legs would run him of before long. BRANT's PUBLIFING EXTRACT has cured these ulcerated and inflamed legs, so that now they are entirely healed up, and he enjoys good health.

ATTICAL Genesee Co., N. Y., Feb. 1, 1848.

M. T. WALLACE & CO.—Gentlemen; I received a case of Brant's Medicines from you, and have been most wonderfully disappointed in the rapid sales made, and much more so in the general and particular satisfaction the medical effect the medicines had given ro all those who have been fortunate enough to try them. I was myself, for more than a year, afflicted with a disease of the Stomach. I could not ent any fat or greasy substance without causing great pain, sickness, and vomiting, and was continually afflicted with a Sour Stomach. When Brant's Medicines came, I, as an experiment tried one bottle, which to my utter disappointment, eased and refieved the usual pain after cating. I therefore used the second bottle, which has completely cared the disease. I sam now well and hearty, and can eat almost anything without being pained, or the stomach becoming sour. Please send me another supply by express, as some who are taking it can not do without u, they have experienced so much kenefit from its use.
