THERE was never, perhaps, a medicine brought
before the public, that has in so short a time,
won such a reputation as M'ALLISTER'S ALLHEALING OR WORLD'S SALVE. Almost every
person that has made trial of it, speaks warmly in
its praise. One has been cured by it, of the most
painful Rheumatism; another of the piles, a third
of a troublesome pain in the side, a fourth of a
swelling in the limbs, &c. If it does not give
immediate relief in every case, it can never do injury, being applied outwardly. As another evidence
of the wonderful healing power possessed by this
salve, we subjoin the following certificate, from a
respectable citizen of Maidencreek township, in
this county.

MAIDENCREEK, Berks Co., March 30, 1848.

Messrs. Ritter & Co.—I desire to inform you that I was entirely cured of a severe pain in the back, by the use of M'Allister's All-Healing Salve, which I purchased from you. I suffered with it about twenty years, and at night was unable to sleep. During that time I tried various remedies, which were prescribed for me by physicians, and other persons, without receiving any relief, and at last made trial of this Salve, with a result favorable hevond expectation. I am now, entirely free from beyond expectation. I am now, entirely free from the pain, and enjoy at night a sweet and peaceful sleep. I have also used the Salve since, for other complaints, with similar happy results. Your friend, JOHN HOLLENBACH.

BRANT'S INDIAN PULMONARY BALSAM

Cures very many of the most strongly marked and developed cases of Pulmonary Consumption—BRAL, undoubled cases of Inlinonary Consumption—BRAL, undoubled cases of ulcerated and diseased LUNGS—such hopeless cases as wen never before curred by any other medicine. So outerly hopeless were some of the afflicted persons, as to have been pronounced by physicians and friends to be ACTUALLY DYNG Sume, who had their burial-clothes made, have been cured and yet live—others, who it was said would not live another day, are now as well and hearty as they ever were. It possesses all the cleansing and purifying virtues nearly as powerful and active as the preparation which we call BRANT'S INDIAN PURIFYING EXTRACT. This differs from that, because this possesses several of

Coughs and Consumptions, and all diseases of a pulmonary nature—such diseases as usually prove so fata, under ordinary treatment, when they attack the

Breast, Throat, Lungs, and Heart. This BALSAM heals and cures Ulcers in the Lungs, and else where internally, as certainly and easily as the Purity-ing Extract cures and heals ulcers externally. This Balsam cures nine cases of Cough and Consumption out of ten, after all other remedies have failed to do good.

Thousands of Consumptions and Chronic Coughs, abundantly prove its unfailing efficacy n such diseases, and its undoubted curative power, and in such diseases, and its undoubted solution, and soluting, healing properties, in the following complaints and diseases, viz.: Spitting of Blood Bleeding at the Lungs, Pain in the Breast and Side, Night-Sucats, Norrous Complaints, Palpitation of the Heart, Cholera Infantum, Dysentery and Summer Complaints in Children and Adults, Asthma, and ALL FEMALE WEAKNESSES AND COMPLAINTS. No remedy that has been offered to the public has ever been half as certain end effectual in correcting ALL the incidental readuresses and irregularities of the female aex, as BICANT'S PULMONARY BALSAM. It makes no difference whether the derangement be suppression, excess, or other incidental weakness—it regulates ALL, by strengthen-

We state this cure to prove the power to sare life, when this BALSAM is used, even after the person is considered by physician and friends to be in the last stages of disease—actually dying—and, in this case, so far gone that the shroud and burial-clothes were bought. For the particulars of this case, and the respectable and undoubted proof of all the circumstances and facts, we refer to our PAMPHLETS.

This cure was effected on Mrs. ZIBA DYKEMAN. of Balynamy others almost equally as hopeless, and tunumerable cases of Conghs and Consumptions CURED, which were pronounced incurable by skilful physicians.

LIVER COMPLAINT. See the cure of Dr. Hubbard, of Stamford, Ct., and others. Dyspepsia! See the cure of T. S. Wilcox, merchant, of Attica, Wyoming Co., N. Y., and many more, in our Pamphlets. Dysentery and Summer Complaint in Children and Adults are always cured. Weakly Children will become fleshy, healthy, and hearty, and grow rapidly, by the use of this BAUSAM.

No mother need ever mourn the death of her child here. the use of this BALSAM. No mother need ever mourn the death of her child by Cholern Infantum, while teething, if BRANT'S PULMONARY BALSAM be administered. It should be, for such cases, given in larger than the ordinary doses.

PURIFY! PURIFY! LIFE and HEALTH are in the BLOOD.

Cleanse, Purify, and Regulate the Circulation, and the whole body will have health. The most wonderful of all remedies to produce such a result, is **BRANT'S INDIAN** PURIFYING EXTRACT.

Yes, the desired result and efficacy will be produced by the use of a smaller quantity of this PearFIER than can be effected by the use of a like quantity of any other remedy in the world. (See our Pamphites for proof.)

This PURIFIER is wholly prepared from Vegetables, and cures the worst, most obstinate, and long-standing diseases of the blood, without puking, purging, sickening, or debititating. It cleanes, strengthens, invegorates, makes new, healthy blood, and gives new vigor and new life to the whole system.

Horrid Scrofula Cured. HOFTIG SCROTTILE CUIPOL.

Mr. J. B. HASKIN, of Rome, Oncide Co., N. Y., certifies, December 20th, 1846, that he had been efflicted with Scrofula four years, and the last year confined to his bed, with TWENTY large, deep, discharging ULCERS—that his neck was eaten around from ear to ear—a hole was eaten through his Wind-pia, so that he breathed through the hole—his ear was nearly destroyed—the use of his arm was wholly destroyed—and an Ulcer under the arm, as large as a man's hand, had nearly esten through into his Lungs—that he had used all kinds of Sarsaparilla and other medicines, to no benefit, and that he was not expected to live ucenty-four hours when he commenced Baryers (Sainaparilla and the Uniform Surface—that NINE BOTTLES of the Punifying Extract healed and cured seventies of the twenty Elects he had when he commenced using it, and that a few bottles more effected a printer cures, see our Pamphlets.

This Wonderful and Astonishing CURE does not stand alone as monument of the great efficacy of Brann's Purprier, for we could give almost unlimited evidence of other cures, well attested, if this were doubted. This cure is certified to by

Fourteen Respectable Witnesses. By Doct. Thos. WILLIAMS, one of the most respectable physicians of Rome—by Messrs. Bissell & Leonard, wholesale and retail druggists—by Mr. G. R. Brown, proprietor and keeper of the West Rome Hotel—and by electen other utinesses. Brant's Indian Purifier

cures all impure diseases of the blood, viz.: Scald-Head, Salt-Rhenm, Rheumatism, Eruptions, Pimples on the Face, Piles, Biles, Ulcers, Costicutess, Morcurial Diseases, Liver Complaint, Pains in the Back, Side, and Limbs, Rush of Rhood to the Head, etc., etc. INTERNAL ULCERS.

This cure is a triumph oner the skill of the best physicians in the city of Philadelphia, and is rostrive proof that internal ulcers can be cured as easily as external, when BRANT'S PUNIFYING EXTRACT is used. Mr. John Hepburn, one of the most respectable gentlemen in Auburn, Cayuga Co., N. Y., informed us in Oct. 1817, that he had been af dicted with three Fissures or 'Ulcers, so situated internally as to sllow of an examination, and thus furnish positive proof of the fact, and of their location. He said that he had spent one year in Philadelphia, under the professional advice of the best physicians, and was obliged to return to Auburn, without cure or help, when Dr. T. M. Hunt, druggist, of Auburn, advised him to try Brant's Purifying Extract, and the use of seven bottles of it effected a perfect cure.

CHRONIC ERYSIPELAS AND ULCERS. CHRONIC ERYSIPELAS AND ULCERS.

ASTONISHING AND MOST WONDERFUL CURE.—Capt. Esta Knapp. of No. 37 Willow st., Brooklyn, N. Y., one of the most respectable citizens in the city, was stilicted five years with Scrotinous Erysipulas of both legs, from the knees to the feet, which inflamed and swelled to a prodigious size, and dicerated. Large deep ulcers, apparently large enough to run a finger in, came into them, which discharged daily an almost incredible quantity of a mantrated substance. If had had the advice and attendance of several of the most skillful physicians, and had tried many highly recommended medicines without effecting a cure, and was told by one or two of his physicians that the ulcors in his legs would run him of before lang. BRANT'S PUNITYING EXTRACT has cured these ulcerated and inflamed logs, so that now they are outlrely healed up, and he enjoys good health.

MARRIAGE:

THE CAUSES AND THE REMEDY! MANY and many a wife endures years of bodily suffering and of mental anguish, prostrate and help-less, embittering her life, that of her husband, and hazarding the future welfare of her children, arising from causes which, if known, would have spared the suffering, the anguish to the wife, and to the husband embarrasaments and pecuniary difficulties hav-ing their origin in the mind being weighed down and harassed in consequence of the sickness of the com

SICKLY AND UNHAPPY WIVES. Extract of a Letter from a Gentleman in Dayton, O.

"DATON, May 1, 1847.

"DR. A. M. MAURICEAU—My Dear Sir: 'The Married Woman's Private Medical Companion,' for which I enclosed one dollar to your address, came safely to hand. I would not have troubled you with these few lines, but that I am impelled by a sense of gratitude, for myself and wife, to give utterance to our sincere and heartfelt emotions.

"My wife has been perceptibly sinking for some three years or more, in consequence of her great anguish and suffering some months before and during confinement; every successive one more and more debilitated and prostrated her, putting her life in imminent danger, and which was, on the last occasion, despaired of. I supposed that this state of things was inevitable, and resigned myself to meet the worst. At this time (now about two months) I heard your book flighly spoken of, as containing some matters reaching my case. On its receipt and perusal, I can not express to you the relief it afforded my distressed mind and the joy its pages imparted to my wife, on learning that the great discovery of M. M. Desomeaux provided a remedy. It opened a prospect to me which I little conceived was possible. No pecuniary consideration can ever repay the obligations I am under to you for having been the means of imparting to us the matters contained in 'The Married Woman's Private Medical Companion.' But for this, ere another year would have passed over my head, in all human probability my was a way head, in all human probability my was a way head, in all human probability my was a way head, in all human probability my was a way head, in all human probability my was a way head, in all human probability my was a way head, in all human probability my was a way head, in all human probability my was a way head, in all human probability my was a way head, in all human probability my was a way head, in all human probability my was a way head, in all human probability my was a way head, in all human probability my was a way head, in al Extract of a Letter from a Gentleman in Dayton, O.

"LANCASTER, P.A., Oct. 24, 1847.

"My Dear Sire: I know you will have the kind ness to bear with me in encroaching upon your time, while I acknowledge (in behalf of myself and wife) the obligations we feel ourselves under to you in baving made known certain matters, comeined in your most invaluable 'Married Woman's Private Medical Companion.' It has been worth its weight in gold to me. If I express myself rather warmly, you will see that I can not do so too warmly, when I inform you of the extent to which I have, through it, been benefited. I will state my situation when I obtained your book through the merest curiosity I look upon it as one of the most fortunate events of my life. I had been married some ten years, and was the father of seven children. I was long struggling anceasingly, to the end that I might gain a moderate competency, but the results of my utmost exertions at the end left to the end that I might gain a moderate competency, but the results of my utmost exertions at the end left me about where I was at the beginning of each year; and that only, with the most stinted economy; sufficing with barely the necessaries of life. Finally, this constant effort was beginning to have its effect upon my health: I felt less capable to endure its continuance, while I felt the necessity of perseverance.

"This constant, unceasing struggle on my part was investing in consequence of the prostructed conditions." tion of my wife (with occasional intermission) for six years, much of the time confined to her bed, and of ourse incapable of taking the charge and management of household affairs. Her condition arose from ment of household attairs. Her condition arose from causes of which I was ignorant. Oh! what would I have given had I the six years to live over again! What would my wife have given to have been spared the long days and still longer nights prostrate on a bed of sickness!—all of which would have been

avoided, had I then seen a copy of 'THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION." DANGEROUS DELIVERIES,

OBSTRUCTIONS, IRREGULARITIES, &C. OBSTRUCTIONS, IRREGULARITIES, &C.

How many are suffering from obstruction or irregularities peculiar to the female system, which undermine their health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice! How many suffer from prolapsus uteri (falling of the womb), or from fluor-albus (weakness, debility, &c., &c.)! How many are in constant agony for many months preceding confinement! How many have difficult if not dangerous deliveries, and whose lives are jeoparded during such time, will find in its pages the means of prevention, amelioration, and relief!

"PHILADELPHIA, Nov. 29, 1847.

"DR. A. M. MAURICEAU: Had I known of the important matters treated of in 'The Married Woman's Private Medical Companion' some years ago, how much misery I might have escaped! I have suffered years from causes which you point out in your book, without knowing what to do. I obtained a copy, and found my case treated of. I trust every female will avail herself of the information contained in its pages."

Letters are daily received of this character, unnecessary to present.

To those yet unmarried, but contemplating marriage, or perhaps hesitating as to the propriety of incurring the responsibilities attendant upon it, the importance of being possessed of the revelations contained in these pages, so intimately involving their future happiness, can not be appreciated.

It is, of course, impracticable to convey more fully the various subjects treated of, as they are of a nature strictly intended for the married, or those contemplating marriage; neither is it necessary, since it is every one's duty to become possessed of knowledge whereby the sufferings to which a wife, a mother, or a sister, may be subject, can be obviated.

Copies will be sent by Mail free of Postage to the Purchaser. On the receipt of One Dollar, "THE MAR IED WOMAN'S PRIVATE MEDICAL COM-PANION" is sont 'mailed free' to any part of tha United States. DYSPEPSIA—SOUR STOMACH CURED.

M. T. WALLACE & CO.—Gondemen; I received a case of Brant's Modicines from you, and have been most wonderfully disappointed in the rapid sales made, and much more so in the general and particular satisfaction the medical effect the nucleicnes had given to all those who have been fortunate enough to try them. I was myself, for more than a year, afflicted with a disease of the Stomach. I could not ent any fat or greasy substance without causing great pain, sickness, and vomiting, and was continually afflicted with a Sour Stomach. When Brant's Modicines came, I, as an experiment, tried one bottle, which to my utter disappointment, cased and relieved the sural pain giver eating. I therefore used the second bottle, which has completely cured the disease. I am now well and hearty, sand can eat almost anything without being pained, or the stomach becoming sour. Please send me another supply by express, as some who are taking it can not do without it, they have experienced so much benefit from its use.
