**BRANT'S INDIAN** PULMONARY BALSAM

Cures very many of the most strongly marked and developed cases of Pulmonary Consumption—REAL, undoubted cases of discrated and discosed LUNGS—such hopeless cases as were never before cured by any other medicine. So utterly hopeless were some of the afflicted persons, as to have been pronounced by physicians and friends to be ACTUALT DYING Some, who had their burial-clothes made, have been cured, and yet live—others, who it was said would not live another day, are now as well and hearty as they ever were. It possesses all the cleansing and purifying virtues nearly as powerful and active as the preparation which we call RRANTS INDIAN PUBLISHING EXTRACT BRANT'S INDIAN PURIFYING EXTRACT. This differs from that, because this possesses several other Medications which are peculiarly adapted to, and are essential

Coughs and Consumptions, and all diseases of a pulmonary nature—such diseases as isually prove so fats, under ordinary treatment, when they

Breast, Throat, Lungs, and Heart. This BALSAM heals and cures Ulcers in the Lungs, and else where internally, as certainly and easily as the Purrying Extract cures and heals ulcers externally. This Balsam cures nine cases of Cough and Consumption out of ten, after all other remedies have failed to do good.

Thousands of Consumptions and Cironic Coughs, shundantly prove its unfalling efficacy in such diseases, and its undoubted curative power, and southing, healing properties, in the following complaints and diseases, viz.: Spitting of Blood, Bleeding at the Lungs, Pain in the Breast and Side, Night-Sucats, Nervous Complaints, Palpitation of the Heart, Cholera Infantum, Dysenterly and Summer Complaints in Children and Adults, Asthma, and ALL FEMALE WEAKNESSES AND COMPLAINTS. No remedy that has been offered to the public has ever been half as certain end effectual in correcting ALL the incidental weaknesses and irregularities of the fermale sax, as BRANT'S PULMONARY BALSAM. It makes no difference whether the derangement be suppression, excess, or other incidental weakness—it regulates A.L., by strengthening the crystem, coulding the crystalian, and soothing and alloying NERVOUS IRRITABILITY. See our Pamphieto for words

CONSUMPTION.

A Dying Woman Cured! We state this cure to prove the power to save life, when this BALSAM is used, even after the person is considered, by physician and friends to be in the last stages of disease—actually dying—and, in this case, so far gone that the skroud and burial-clothes were bought. For the particulars of this case, and the respectable and undoubted proof of all the circumstances and facts, we refer to our PAMPHLETS. This cure was effected on Mrs. ZIBA DYKEMAN, of Ball-ton Spa, Saratoga Co., N.Y. We can prove, beyond a doubt, many others almost equally as hopeless, and innumerable cases of Conghs and Consumptions CURED, which were pronounced incurable by skilling hysicians.

LIVER COMPLAINT.

See the cure of Dr. Hubbard, of Stamford, Ct., and others. Dyspepsia! See the cure of T. S. Wilcox, merchant, of Attica, Wyoming Co, N. Y., and many more, in our Pamphlets. Dysentery and Summer Complaint in Children and Adults are always cured. Weakly Children will become fleshy, healthy, and hearty, and grow rapidly, by the use of this BALSAM.

No mother, need ever mourn the death of her child by the use of this BALSAM.

No mother, need ever mourn the death of her child by Cholera Infantum, while teething, if BRANT'S PULMONARY BALSAM he administered. It should be, for any cases, given in larger than the ordinary doses.

PURIFY! PURIFY! LIFE and HEALTH are in the BLOOD.

Cleanse, Purify, and Regulate the Circulation, and the whole body will have health. The most wonderful of all remedies to produce such a result, is **BRANT'S INDIAN** PURIFYING EXTRACT.

Yes, the desired result and efficacy will be produced by the use of a smaller quantity of this Purirum than can be effected by the use of a like quantity of any other remedy in the world. (See our Pamphtets for proof.)

This Purirum is scholly prepared from Vegetables, and cures the corst, most obstinate, and long-standing diseases of the blood, without puking, purging, sickening, or debittating. It cleanes, strengthens, invegorates, makes new, healthy blood, and gives new vigor and new life to the whole system. STEM.

BRANT'S PURIFIER IS FOUR TIMES CHEAPER

one Dollar's Worth of it will effect a greater amount of cure than four dollars' worth of sarsaparila, or any other remedy, no matter how large their bottles may be. The important question for consumers to determine, is, how much more curative effect will a dollar's worth of this Purifier produce, than a dollar's worth of this Purifier produce, than a dollar's worth of that sarsaparila or other remedy. We might here say, that Brant's Medicines had cured, within the last year,

100,000 Persons of Impure Blood Diseases. and 25,000 Cases were considered Incurable as some other patent-medicine men are in the habit of say ing. If we should say so, who would believe us! This however, we do say, and stand ready to prove by respectable witnessee, that BRANT'S MEDICINES have effected cures of more diseases on living human beings, the past year, than any other remedy in existence did during the same time.

INTERNAL ULCERS.

This cure is a triumph over the skill of the best physicians in the city of Philadelphia, and is rostrive proof that internal ulcers can be cured as easily as external, when Brant's Publishing Extract is used. Mr. John Hepburn, one of the most respectable gentlemen in Auburn, Cayuga Ca., N. Y., informed us in Oct. 1847, that he had been affilieted with three Fissures or Ulcers, so situated internally as to allow of an examination, and thus furnish positive proof of the fact, and of their location. He said that the had spent one year in Philadelphia, under the professions advice of the best physicians, and was obliged to return to Auburn, without cure or help, when Dr. T. M. Hund, druggist, of Auburn, advised him to try Brant's Purifying Extract, and the use of seven bottles of it effected a perfect cure. CHRONIC ERYSIPELAS AND ULCERS. CHRONIC ERYSIPELAS AND ULCERS.

ASTONISHING AND NOST WONDERFUL CURE.—Capt. Era Knapp. of No. 37 Willow st., Brooklyn. N. Y., one of the most respectable citizens in the city, was sflicted five years with Scrotdouns Erysipelas of both legs, from the knees to the feet, which inflamed and swelled to a prodigious size, and ulcerated. Large deep ulcers, apparently large enough to run a finger in, came into them, which discharged daily an almost incredible quantity of a maturated substance. He had had the advice and attendance of several of the most skilful physicians, and land tried many highly recommended medicines without effecting a cure, and was told by one or two of his physicians that the ulcera in his legs would run him off before long. BRANT'S PURIFYING EXTRACT has cured these ulcerated and inflamed legs, so that now they are entirely healed up, and he enjoys good health.

WALLACE & CO.—Gentlemen; Lreceived a case of Brant's Medicines from you, and have been most wonderfully disappointed in the rapid sales made, and much more so in the general and particular satisfaction the medical effect the medicines had given to all those who have been fortunate enough to try them. I was myself, for zore than a year, safflicted with a disease of the Stomach. I could not eat any fat or greasy substance without causing great pain, sickness, and vomiting, and was continually afflicted with a Sour Stomach. When Brant's Medicines came, I, as an experiment, tried one bottle, which to my utter disappointment, eased and relieved the usual pain after eating. I therefore used the sessond bottle, which has completely cured the disease. I am now well and hearty, and can eat almost anything without being pained, or the stomach becoming sour. MARRIAGE:

WHY SO OFTEN UNHAPPY. THE CAUSES AND THE REMEDY!

MANY and many a wife endures years of bodily suffering and of mental anguish, prostrate and help-less, embittering her life, that of her husband, and hazarding the future welfare of her children, arising from causes which, if known, would have spared the suffering, the anguish to the wife, and to the husband embarrassments and pecuniary difficulties hav-ing their origin in the mind being weighed down and harassed in consequence of the sickness of the com-panion of his bosom.

How important that the causes should be known to every wife, to every husband, that the dreadful and harrowing consequences to the health and hap-piness of both may be avoided! Life is too short and health too precious to admit any portion of the one to be spent without the full enjoyment of the other The timely possession of a little work entitled as follows has been the means of saving the health and the life of thousands, as over

Here, every female—the wife, the mother—the one either budding into womanhood, or the one in the decline of years, in whom nature contemplates we invested theme—can discover the canses, symman important change—can discover the causes, symp-toms, and the most efficient remedies and most certain mode of cure, in every complaint to which he

sex is subject.

The revelations contained in its pages have proved a blessing to thousands, as the innumerable letters received by the author (which he is permitted by the

writers to publish) will attest. SICKLY AND UNHAPPY WIVES.

Extract of a Letter from a Gentleman in Payton, O. "DR. A. M. MAURICEAU—My Dear Sir: 'The Married Womau's Private Medical Companion,' for which I enclosed one dollar to your address, came safely to hand. I would not have troubled you with these few lines, but that I am impelled by a sense of gratitude, for myself and wife, to give utterance to our sincere and heartfelt emotions. these lew these, but that I am impeled by a sense of gratitude, for myself and wife, to give utterance to our sincere and heartfelt emotions.

"My wife has been perceptibly sinking for some three years or more, in consequence of her great anguish and suffering some months before and during conlinement; every successive one more and more debilitated and prostrated her, putting her life in imminent danger, and which was, on the last occasion, despaired of. I supposed that this state of things was inevitable, and resigned myself to meet the worst. At this time (now about two months) I heard your book highly spoken of, as containing some matters reaching my case. On its receipt and perusal, I can not express to you the relief it afforded my distressed mind and the joy its pages imparted to my wife, on learning that the great discovery of M. M. Desomeaux provided a remedy. It opened a prospect to me which I little conceived was possible. No pecuniary consideration can ever repay the obligations I am under to you for having been the means of imparting to us the matters contained in The Married Woman's Private Medical Companion. But for this, ere another year would have passed over my head, in all human probability my wife would have been in her grave, and my children left motherless.'

Competence and Health.

"Lancaster, Pa., Oct. 24, 1847.

"My Dear Sir.: I know you will have the kind ness to bear with me in encroaching upon your time, while I acknowledge (in behalf of myself and wife) the obligations we feel ourselves under to you in having made known certain matters, contained in your most invaluable 'Married Woman's Private Medical Companion.' It has been worth its weight in gold to me. If I express myself rather warmly, you will see that I can not do so too warmly, when I inform you of the extent to which I have, through it, been benefited. I will state my situation when I obtained your book through the merest curiosity I look upon it as one of the most fortunate events of my life. I had been married some ten years, and was the father it as one of the most fortunate events of my life. I had been married some ten years, and was the father of seven children. I was long struggling unceasingly, to the end that I might gain a moderate competency, but the results of my utmost exertions at the end left me about where I was at the beginning of each year; and that only, with the most staited economy, sufficing with barely the necessaries of life. Finally, this constant effort was beginning to have its effect upon my health: I felt less capable to endure its continuance, while I felt the necessity of perseverance.

"This constant, unceasing struggle on my part was course incapable of taking the charge and manage ment of household affairs. Her condition arose from ment of household affairs. Her condition arose from causes of which I was ignorant. Oh! what would I have given had I the six years to live over again! What would my wife have given to have been spared the long days and still longer nights prostrate on a bed of sickness!—all of which would have been avoided, had I then seen a copy of 'THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION."

DANGEROUS DELIVERIES,

OBSTRUCTIONS, IRREGULARITIES, &C. OBSTRUCTIONS, IRREGULARITIES, &C. How many are suffering from obstruction or irregularities peculiar to the female system, which undermine their health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice! How many suffer from prolapsus uteri (falling of the womb), or from fluor-albus (weakness, debility, &c., &c.)! How many are in constant agony for many months preceding confinement! How many have difficult if not dangerous deliveries, and whose lives are jeoparded during such time, will find in its pages the means of prevention, amelioration, and relief! Extract from a Letter
