ANOTHER FIRE -Our town has again been visited by fire. On Sunday morning, the 29th ultimo, about 7 o'clock, the usual quiet of the day was disturbed by the ringing of the Town Hall bell, and and 22. the terrifying cry of "fire," which were caused by the burning of Mr. PETER HALDEMAN'S store. It was discovered to be on fire on the second story of the building, whence the smoke was issuing when The windows of the second story, both in the norm and back part of the building, were immediately forced open, which enabled the firemen to throw the interesting directly on the fire. We need not say forced open, which endoes the fire. We need not say that they very soon succeeded in conquering the flames; though not before considerable damage had the fire and water. The loss is about \$10,000; but we are glad to say it is fully covered by insurance

The fire was evidently the work of an incendia. ry, who gained entrance into the store through a indow in the yard, by taking the bolts off the shutter. Once in the store, he went to the second story of the building, where, in order effectually t accomplish his designs, he set fire to combustible material in different parts of the room. Mr. HAL-DEMAN was in the store not more than an hour be fore the fire, but not having occasion to go to the ond story, he knew nothing about the fire, until the alarm was given.

It will be remembered that letters were received by Messes. Spancial & KAUFFMAN, stating that they and Mr. HALDEMAN would be burnt out be-fore the 10th of October. So far as regards Mr. H. fore the 10th of October. So far as regards wr. n. the threat has been fulfilled—for this is the second time, in the course of a few weeks, that his property has been selected by the incendiary for destruerty has been selected by the includery for destruc-tion. GREAT FIRE AT CARBONDALE.-A-fire occurred in Carbondale, Pa., on the night of the 28th ult, at 11 o'clock, which destroyed upwards of FORTY HOUSES, in the most business part of the town. Among the houses burnt were three Hotels, the Temperance Hall, the Post Office, and the Printing Office of the Carbondale Democrat. The letters papers and documents in the Post Office were saved, ugh it is said thousands of dollars' worth of ds were carried off by miners. The fire was seen at Honesdale, a distance of sixteen miles.— The loss is estimated at about \$100,000, of which only \$15,000 was insured.
