A GREAT MEDICINE.

We have uniformly retrained from recommending to the public any of the various Patent Medicines of the day, unless thoroughly convinced of their value. Among those we consider worthy of notice is the German Bitters, invented by Doctor Hoofland, and prepared by Dr. Jackson, in Philadelphia. One instance in particular, in which the superior virtues of this meaicine have been tested, has fallen under our observation. During the last summer, a sen of Mr. Abm. using it, was so much relieved of his distressing

Dear Doctor—Gratitude for the immediate and sting relief, received from your valuable Cordial and Carminative, induces me to take the liberty of writing to you, that you may know the value of a medicine which no family should be without. My friend, your agent, being in our neighborhood, cal-led to see our family, and fortunately left a small bottle. I happened to have a severe attack of Dysentery from which I was not expected to recover; after every other medicine had failed to afford relief, your cordial was thought of, and wonderful say the third teaspoonful had the effect not only t relieve the most excrutiating pain but to leave my bowels in a regular state. Dr. Keeler:—Sometime last summer your agent left me some of your Infant Cordial and Carminal tive, urging me try it. It so happened that I had a case; a child about six months old, whose stomach and bowels were in a very disordered condition, caused by a deficiency of its mother's milk. The child was à mere skeleton; there was much tormina, tenesmus, and constant evacuations. I administered every medicine I could think of, with but a slight alleviation of the complaint. I then thought small doses, I soon however perceived the child could bear a full dose as recommended in direction; before it had taken halt a bottle, the stomach and bowels had recovered their natural tone, every other bad symptom yielded and the child recovered wery rapidly.

I have no hesitation in saying that your medicine is the very best for the above complaints I have administered in a 21 year's practice.

does not stand alone as a monument of the great efficacy of Brann's Publifier, for we could give almost unlimited evidence of other cures, well altested, if this were doubted. This cure is certified to by Fourteen Respectable Witnesses.

By Doct. Thos. Williams, one of the most respectable physicians of Rome—by Messrs. Bissell & Leonard, wholesale and retail druggists—by Mr. G. R. Brows, proprietor and keeper of the West Rome Hotel—and by eleven other witnesses. Brant's Indian Purifier

INTERNAL ULCERS. INTERNAL ULCERS.

This cure is a triumph over the skill of the best physicians in the city of Philadelphia, and is rostrive proof that internal ulcers can be cured as easily as external. When Brant's Purifying Extract is used. Mr. John Hippurn, one of the most respectable gentlemen in Auburn, Cayuga Co., N. Y., informed us in Oct. 1847, that he had been afficied with three Fissures or Ulcers, so situated internally as to allow of an examination, and thus furnish positive proof of the fact, and of their location. He said that he had spent one year in Philadelphia, under the professional advice of the best physicians, and was obliged to return to Auburn, without cure or help, when Dr. T. M. Hust, druggist, of Aubnrn, advised him, to try. Brant's Purifying Extract, and the use of seven bottles of it effected a perfect cure. CHRONIC ERYSIPELAS AND ULCERS. ASTONISHING AND MOST WONDERFUL CURE.—Copt. Erra Knopp, of No. 37 Willow st., Brooklyn, N. Y., one of the most respectable citizens in the city, was afflicted five years with Scrofulous Eryspelas of both legs, from the knees to the feet, which inflamed and swelled to a prodigious site, the feet, which inflamed and swelled to a prodigious size, and ulcerated. Lurge deep ulcers, apparently large enough to run a finger in, came into them, which discharged daily an almost incredible quantity of a maturated substance. He had had the advice and attendance of several of the most skillful physicians, and had tried many highly recommended medicines without effecting a cure, and was told by one or two of his physicians that the ulcers in his legs would run him off before long. Insur's Puritying Extract has cured these ulcerated and inflamed legs, so that now they are entirely healed up, and he enjoys good health.
