Dear Doctor—Gratitude for the immediate and Insting relief, received from your valuable Cordial and Carminative, induces me to take the liberty of writing to you, that you may know the value of a medicine which no family should be without. My friend, your agent, being in our neighborhood, called to see our family, and fortunately left a small bottle. I happened to have a severe attack of Dysentery from which I was not expected to recover; after every other medicine had failed to afford relief, your cordial was thought of, and wonderful to say the third teaspoonful had the effect not only to relieve the most excrutiating pain but to leave my bowels in a regular state. I expect to be in Philadelphia shortly, when I shall call and thank you in person.

Neffswille, Lancaster co., Dec. 11th, 1846.

Dr. Keeler:—Sometime last summer your agent left me some of your Infant Cordial and Carminative, urging me try it. It so happened that I had a case; a child about six months old, whose stomach and bowels were in a very disordered condition, caused by a deficiency of its mother's milk. The child was a mere skeleton; there was much tormma, tenesmus, and constant evacuations. I administered every medicine I could think of, with but a slight alleviation of the complaint. I then thought of giving your medicine a trial, commencing with small doses, I soon however perceived the child could bear a full dose as recommended in direc-tions; before it had taken half a bottle, the stomach and howels had recovered their natural tone, every other bad symptom yielded and the child recovered very rapidly.

I have no hesitation in saying that your medicing is the very best for the above complaints I have ad

ninistered in a 21 year's practice.

Very respectfully, your friend,

For the particulars of this case, and the respectable and undoubted proof of all the circumstances and facts, we refer to our PAMPHLETS. to run a finger in, cume into them, which discharged daily
an almost incredible quantity of a "mantrated substance.
He had had the advice and attendance of several of the
