PATENT MEDICINES. It is very seldom that we make any allusion to Patent Medicines, either approving or otherwise. Unfortunately for the country, and far honest and conscientious inventors and venders of these med-icines, the land is becoming flooded with quack preparations, that are made alone for profit and are fit not even for the dogs. In this state of things it is hard to tell which are, and which are not worth having. If a person gets an indifferent med-icine the first time he purchases, he is very apt to condemn the whole of them and buy no more, and inventors must only blame those of their number, [who ignorantly combine plain medicines together for the purpose of making money.] for the ill suc-cess which attends he effortise it hoofland's German Bitters to be a most excellent-medicine, and one that should be highly popular in these days of Temperance; for they are altogether Veg-etable in their comp-sition, without one drop of Alcoholic Spirits in them. This medicine is inno-cent, but strengthening in its effects, and richly deserving of an unbounded popularity, which, when it becomes known, it will, no doubt, fully enjoy. Judge M. M Noah said, in his Weektn Messen.

njoy. Judge M. M Noah said, in his Weekly Messen ger, January 6, 1850 Dr. Hoofland's German Bitters. - Here is

Dr. Hoofland's German Bitters. -Here is a preparation which the leading presses in the Union appear to be unanimous in recommending, and the reason is obvious. It is made after a prescription furnished by one of the most celebrated physicians of modern times the late Dr. Curistopher Wil-helm Hoofland, professor to the University of Ja-na. private physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced. He was emphatically the enemy of humbug, and therefore a medicine of which he was the inventor and endorser may be confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Debility, Verigo, Acidity of the somach, Constipation, and all complainte arising from a disordered condition of the stomach, the liver and the intestines. Nine Philadelphia papers express their conviction of its excellence, and severat of the editors speak of its effects from their own individual experience. Unde: these cir-cumstances, we feel evarranted, not only in calling the attention of our readers to the present proprie-tor's (Dr. C. M. Leakenchel arconvention)

BRANT'S PURIFUNG EXTRACT is used. Mr. John Hepburn, one of the most respectable gentlemen in Auburn, Cayuga Co., N. Y., informed us in Oct. 1847, that he had been af-flicted with three FISSURES or ULCERS, so situated inter-nally as to allow of an examination, and thus furnish posi-tive proof of the fact; and of their location. He said that he had spect one year in *Philadelphica*, under the profossions advice of the best physicians, and was obliged to return to Auburn, without cure or help, when Dr. T. M. Hunt, druggist, of Auburn, advised him to try Brazis Purifying Eriract, and the use of seven bottles of it effected a perfec-cure. cumatances, we feel warranted, not only in calling the attention of our readers to the present proprie-tor's [Dr. C. The editor says of DR. HOOFLAND'S GERMAN BITTERS: It is suldom that we recommend what are termed

Knapp: of No. 37 Willow at. Brooklyn, N. Y., one of the most respectable citizens in the city, was afflicted for years with Scrofulous Eryspielas of both legs, from the knees to the feet, which inflamed and swelled to a prodisious size, and ulcerated. Large deep ulcers, apparently large enough to run a finger in came into them, which discharged daily as atmost incredible quantity of a maturate substance. He had the advice and attendance of several of the most skilful physicians, and had tried many highly recom-mended medicines without effecting a cure; and was told by one or two of his physicians that the ulcers in his legs would run sim aff before long. BAAT's PURIF'ING EXTRACT has cured these ulcerated and inflamed legs, so that now they are entirely healed up, and he enjoys good health. DVSFIDELLA. SOLTD. I could not est any fat or greasy substance without causing great pain, sickness, and yomiting, and was continually afflicted with a Neur Stomach. BRANT'S PURIFIER is FOUR TIMES CHEAPER han any other remedy in the world, because

ONE DOLLAR'S WORTH

of it will effect a greater amount of cure than four dollars' worth of sarsaparilla, or any other remedy, no matter how large their buttles may be. The important question for con-sumers to determine, its how much more curative effect will a dollar's worth of this Purifier produce, than a dollar's worth of that sarsaparilla or other remedy. We might here say, that Brant's Medicines had cured, within the last year,

100,000 Persons of Impure Blood Diseases,

and 25,000 Cases were considered Incurable
