Contains no Mercury or other Mineral.

From the "Reading Eagle."

THERE was never, perhaps, a medicine brought
before the public, that has in so short a time,
won such a reputation as MFALLISTER'S ALLHEALING OR WORLD'S SALVE. Almost every person that has made trial of it, speaks warmly in its praise. One has been cured by it, of the most painful Rheumatism; another of the piles, a third of a troublesome pain in the side, a fourth of a swelling in the limbs, &c. If it does not give immediate relief in every case, it can never do in-jury, being applied outwardly. As another evidence of the wonderful healing power possessed by this salve, we subjoin the following certificate, from a respectable citizen of Maidencreek township, in

During that time I tried various remedies, which were prescribed for me by physicians, and other persons, without receiving any relief, and at last made trial of this Salve, with a result favorable beyond expectation. I am now, entirely free from the pain, and enjoy at night a sweet and peaceful sleep. I have also used the Salve since, for other complaints, with similar happy results.

In this preparation are strongly connected all the uctions, the most potent simples of the vegetable ingdom; and it has been so fully tested, not only by patients themselves, but also by Physicians, that by patients themselves, but also by Physicians, that it has received their unqualified recommendations and the approbation of the public; and has established on its own merits a reputation for value and efficacy far superior to the various compounds bearing the name of Sarsaparilla. It purifies, cleanses, and strengthens the fountain springs of life, and infuses new vigor throughout the whole animal frame.

ANOTHER CURE OF SCROFULA.

The following striking and, as will be seen, permanent cure of an inveterate case of Scrolula, commends itself to all similarly afflicted:

SOUTHPORT, Conn., Jan. 1, 1848. Messrs. Sands: Gentlemen-Sympathy for the afflicted induces me to inform you of the remarka-ble cure effected by your Sarsaparilla in the case of my wife. She was severely afflicted with the scrolula on different parts of the body; the glands of the neck were greatly enlarged and her limbs much swollen. After suffering over a year and finding no relief from the remedies used, the disanding no rene from the remeties used, the out-ease attacked one leg, and below the knee suppu-rated. Her physician advised it should be laid open, which was done, but without any perma-nent benefit. In this situation we heard of, and where juduced to use SANDS' Sarsaparilla. where nutured to use SANDS STARSPATHIA. The first bottle produced a decided and lavorable effect, relieving her more than any perscription she had ever taken, and before she had used six bottles, to the astonishment and delight of her triends, she found health quite restored. It is now over a year since the cure was effected, and her health remain good, showing the disease was thoroughly cradica-ed from the system. Our neighbors are all know-ng to these facts, and think very highly of Sands'

"Gentlemen—I have cured a negro boy of mine with your Sarsaparilla, who was attacked with Scrofula, and of a scrofulous family."

Yours truly,
Fredericks Hall, Va., July 17, 1848. SANDS' SARSAPARILLA .- It seems almost unne known, and so deservedly popular, as this preparation, but patients often who wish to use the extract of Sarsaparilla are induced to try worthless compounds bearing the name, but containing little or none of the virtue of this valuable root; and we think we cannot confere a rester bearing to provide the provider of the state of think we cannot confer a greater benefit on ou readers than in directing their attention to the ad ertisement of the Messrs. Sands in another co umn. The bottle has recently been enlarged to hold a quart, and those who wish a really good article will find concentrated in this all the medicinal value of the root. The experience of thous ands has proved its efficacy in curing the various diseases for which it is recommended; and at the

present time more than any other, perhaps, is thi medicine useful, in preparing the system for change of season.—*Theme Journal*, Sept. 1848.

BRANT'S INDIAN PULMONARY BALSAM

Cures very many of the most strongly marked and developed names of Pulmonary Consumption—BEAL undoubted cases of interacted and diseased LUNGS—such hopeless cases as were never before cured by any other medicine. So utterly hopeless were some of the afflicted persons, as to have been protounced by physicians and friends to be actually Dying Some, who had their burial-clothes made, have been cured and yet live—others, who it was said, would not live another day, are now as well and hearty as they ever were. It possesses all the cleansing and purifying virtues nearly as powerful and active as the preparation which we call BRANT'S INDIAN PURIFYING EXTRACT. This differs from that, because this possesses secret on Medications which are peculiarly adapted to, and are essentially necessary, to cure

Coughs and Consumptions, and all discuses of a pulmonary nature—such discuses a usually prove so fata, under ordinary treatment, when the

This BALSAM heals and cures Ulcers in the Lungs, and else where internally, as certainly and easily as the Puservino Extract cures and heals ulcers externally. This list sam cures nine cases of Cough and Consumption out of ten after all other remedies have failed to do good.

Thousands of Consumptions and Chronic Coughs, abundantly prove its unfailing efficacy, in such diseases, and its undoubted curative power, and such diseases, it: Spiting of Riood, Biceding at the Lungs, Pain in the Breast and Side, Night-Steeds, Nerrous Complaints, Pain plutation of the Heart, Choire Infantum, Dysentery and Summer Complaints in Children and Adults, Ashma, and ALL. A Dying Woman Cured! We state this cure to prove the power to save life, when his BALSAM is used, even after the person is considered; by physician and friends to be in the last stages of disease—actually dying—and, in this case, so far gone that the hrould and burial-clothes were bought. For the particular, this case, and the respectable and indoubted proof of si he direumstances and facts, we refer to our PAMPHILETS. This cure was effected on Mrs. ZIBA DYKEMAN of Bal' on Spa. Saratoga Co., N.Y. We can prove, beyond a dout many others admost graduly as hopeless, and innimerable cases.

PURIEY! PURIEY!

LIFE and HEALIH are in the BLOOD.

Yes, the desired result and efficacy will be produced by the use of a smaller quantity of this Putatien than can be efforted by the use of a like quantity of any other remedy in the world. (See our Pamphleis for proof.)

This Putatien is wholly prepared from Vegetables, and cures the worst, most obstituate, and long standing diseases of the blood, without puking, purging, sickning, or debilitating. It channes, strengthens, insignates, makes in whealthy blood, and gives new vizor and new life to the whole assignment. STEEN.
BRANT'S PURIFIER IS FOUR TIMES CHEAFER

ONE DOLLAR'S WORTH of it will effect a greater amount of cure than four dollars worth of 'zarsopartila, or any other remedy, no matter how long their hottles may be. The important question for consumers to determine, is, how much more curative effect will a dollar's worth of this Purifier produce, than a dollar's worth of that sarsoparilla or other remedy. We might here say, that Brant's Medicines had cured, within the last year, 100,000 Persons of Impure Blood Diseases, and 25,000 Cases were considered Incurable

and 29,000 Clases Were considered interfable as some other patent-medicine men are in the habit of say ing. If we should say so, who would believe us! This however, we do say, and stand ready to prove by respectable witnesses, that Branch's Medicines have effected cures of more diseases on living human beings, the past year, than any other remedy in existence did during the same time.

How much will a Dollar's worth CURE?

Theorily large, deep Uters were cured by using only tuelve bottles of Brant's Purifier.

The following is the most wonderful and astonishing cure that was ever effected on a human being, by any medicine.

Horrid Scrofula Cured. Mn. J. B. Haskin, of Rome, Oncida Co., N. Y., certifies, December 20th, 1846, that he had been afflicted with Schotula four years, and the last year confined to his bed, with with Nrt large, deep, discharging ULCERS—that his neck was eaten around from ear to ear—a hole was eaten was eaten around from ear to ear—a hole was eaten through his Wind-pips, so that he breathed through the hole—his car was ecarly destroyed—the use of his arm was wholly destroyed—and an Ulcer under the arm, as large as a man's hand, had nearly eaten through into his Lungs—that he had used all kinds of Sarsaparilla and other medicines, to no benefit, and that he was not expected to live toenty-four hours when he commenced Brants Indian Purifying Extract—that Nink Bottless of the Publiting Extract healed and cured synenteen of the twenty Ulcers he had when he commenced using it, and that a few bottless more effected a perfect cure. For full particulars of this, and many other similar cures, see our Pamehlets.

This Wonderful and Astonishing CURE does not stand alone as a monument of the great efficacy of Brant's Punfirka, for we could give almost unlim-ited evidence of other cures, well attested, if this were doubted. This cure is certified to by

Fourteen Respectable Witnesses. By Doct. Thes. Williams, one of the most respectable physicians of Rome—by Messrs. Bissell & Leonard, wholesale and retail druggists—by Mr. G. R. Brows, proprietor and keeper of the West Rome Hotel—and by eleten other witnesses.

o the Head, etc., etc.
INTERNAL ULCERS. This cure is a triumph over the skill of the best physicians in the city of Philadelphia, and is rositive froor that internal ulcars can be cured as easily as external, when BRANT'S PURITHING EXTRACT is used. Mr. John Hepburn BRANT'S PURIFITIO EXTRACT is used. Mr. John Hepburn, one of the most respectable gentlemen in Auburn, Cayung Ca., N. Y., informed us in Oct. 1847, that he had been if flieted with three Frssures or Uccess, so eithusted internally as to allow of an examination, and thus furnish positive proof of the fact, and of their location. He said that he had spent one year in Philadelphia, under the profession: addice of the best physicians, and was obliged to return to Auburn, without cure or help, when Dr. T. M. Hunt drugglet, of Auburn, advised him to try Brants Purifying Extract, and the use of seven bottles of it effected a perfecture.

SICKLY AND UNHAPPY WIVES. Extract of a Letter from a Gentleman in Dayton, O.

"DAYTON, May 1, 1847.
"DR. A. M. MAURICEAU—My Dear Sir: 'The Married Woman's Private Medical Companion,' for which I enclosed one dollar to your address, came afely to hand. I would not have troubled you with Married Woman's Private Medical Companion, for which I enclosed one dollar to your address, came safely to hand. I would not have troubled you with these few lines, but that I am impelled by a sense of gratitude, for myself and wife, to give utterance to our sincere and heartfelt emotions.

"My wife has been perceptibly sinking for some three years or more, in consequence of her great anguish and suffering some months before and during confinement; every successive one more and more debilitated and prostrated her, putting her life in imminent danger, and which was, on the last occasion, despaired of. I supposed that this state of things was meyitable, and resigned myself to meet the worst. At this tink (now about two months) I heard your took highly spoken of, as containing some matters reaching my case. On its receipt and perusal, I can not express to you the relief it afforded my distressed mind and the joy its pages imparted to my, wife, on and express to you the relief it afforded my distressed bind and the joy its pages imparted to my wife, on earning that the great discovery of M. No pecuniary consideration ran ever repay the obligations I am under to you for having been the means of imparting to as the matters contained in 'The Married Woman'. Private Medical Companion.' But for his, greanother year would have passed over my head, in all buman probability my wife would have peen in her grave, and my children left motherless.'

Competence and Health:

"Lancaster, Pa., Oct. 24, 1847.

"My Dear Sir: I know you will have the kind ness to bear with me in encrosching then your time, while I acknowledge (in behalf of myself and wife) the obligations we feel ourselves under to you in having made known certain matters, contained in your most invaluable 'Married Woman's Private Medical Companion.' It has been worth its weight in gold to me. If I express myself rather, warmly, you will see that I can not do so too warmly, when I inform you of the extent to which I have, through it, been benefited. I will state my situation when I obtained your book through the merest curiosity. Hook upon it as one of the most fortunate events of my life. I had been married some ternyears, and was the father of seven children. I was long struggling unceasingly, to the end that I might gain a moderate competency, but the results of my utmost exertions at the end left me about where I was at the beginning of each year; and that only, with the most stinted economy, sufficing with barely the necessaries of life. Finally, this constant effort was beginning to have its effect upon my health: I felt less capable to endure its continuance, while I felt the necessity of perseverance.

"This constant, unceasing struggle on my part was imperative, in consequence of the prostrated condition of my wife fwith occasional intermission) for six vears, much of the time coufined to her bed, and of course incapable of taking the charge and management of household affairs. Her condition arose from egueses of which I was ignorant. Oh! what would I have given had I the six years to live over again! What would my wife favit the six years to live over again! the long days and still longer nights prostrate on a bed of sickness!—all of which would have been avoided, had I then seen a copy of 'THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION." DANGEROUS DELIVERIES, OBSTRUCTIONS, IRREGULARITIES, &C. OBSTRUCTIONS, IRREGULARITIES, &C.

How many are suffering from obstruction or irregularities peculiar to the female system, which undermine their health, the effects of which they are ignorant, and for which their delicency forbids seeking medical advice! How many suffer from prolapsus uteri (falling of the womb), or from fluor-albus (weakness, debility, &c., &c.) How many are in constant agony for many months preceding confluement! How many have difficult if not dangerous deliveries, and whose lives are jeoparded during such times will find in its pages the means of prevention, amelioration, and relief!

To Shoemakers.

Letters are daily received of this character, unnecessary to present.

To those yet unmarried, but contemplating marriage, or perhaps hesitating as to the propriety of incurring the responsibilities attendant upon it, the importance of being possessed of the revelations contained in these pages, so intimately involving their future happiness, can not be appreciated.

It is, of course, impracticable to convey more fully the various subjects treated of, as they are of a nature strictly intended for the married, or those contemplating marriage; noither is it necessary, since it is every one's duty to become possessed of knowledge whereby the sufferings to which a wife, a mother, or a sister, may be subject, can be obviated.
