O other Medicine has ever been introduced to the public that has met with such unparalelled success, as Dr. Soule's ORIENTAL BALM PILLS.— Having been but six years before the public, and the advertising small when compared with most other medicines, yet they have worked their way into every State in the Union and Canadas. They have absolutely become the standard Medicine of the day. They are purely vegetable and so admirably compounded that when taken in large doses. rably compounded that when taken in large deses they speedily cure acute diseases, and when taken in small doses they operate like a charm, upon the most delicate, nervous female, and have raised numbers from their beds when all other remedies had tailed. We here refer to but a few of the many niraculous cures effected by the use of said Pills.

SPINAL AFFECTION.—Anna Wood, of Rutland, Jefferson county, N. Y., was cured, after she had been confined to bed 5 years, with Spinal disease and Abscess of the Lungs. The bill of her regular Physician (Dr. Johnson, of Clay,) had amounted to 8500. See circular.

\$500: See circular.

SCROFULA AND NERVOUS DEBILITY.—Wrs. Down, of Clay, N. Y., was cured of Dyspepsia, Nervous Debility, and Scrofulous affection of the head, after she had been confined six months and all other medicines had failed.

cough and consumption Cured.—Wm. Bently, of Pickering, C. W., was cured of a severe cough after he had been confined to his bed for a long time, and was given up by the Physicians. He had used most of the cough medicines of the day, and was supposed by his friends and physicians to be the last stage of Consumption.

Dyspensia.—A. B. F. Ormsby, of Syracuse, N.

Dysersia.—A. B. F. Ormsby, or Syracuse, N. Y., was cured of Dyspepsia, so severe as not to be able to work for two years.

Wm. Smith, of Greenwich, Conn., was cured of a severe case of Dyspepsia, Costiveness and Norvous Debility, of years standing, after expending large sums of money to no purpose. See circular.
