Do you doubt predestination? then why not every man gain the celebrity of General Taylor, Daniel Webster, or a Henry Clay? and yet there are some who are foolish enough to doubt that a man may be who are hobins chough to doubt that a man may be born with the power to see into future events. Such should not condemn till they have called to see the seventh son of the seventh son, whose advantages from travelling have given him more experience than all the other astrologers, male or female, in the United States

He will warrant a cure in all cases, and will make no charge, except for the conjurations he shall make use of in his office. He is often asked what a nativity is: he answers, according to Geomancy, one of the seven points in the science of Astrology, that it is a Horoscope of the future events of a persons's life, carefully calculated and transcribed on paper, containing an account of all the lucky and unlucky days in the account of all the lucky and unlucky days in the months and years of the person's life for whom it is cast; by which means thousands in this country and elsewhere have been prevented from misfortunes that had been hidden in the womb of futurity, by referring to their Nativity before entering on any speculation of business or pleasure. It should be in the hands of every one as their Almana of life.

Having been but six years before the public, and
the advertising small when compared with most
other medicines, yet they have worked their way
into every State in the Union and Canadas. They
have absolutely become the standard Medicine of
the day. They are purely vegetable and so admirably compounded that when taken in large doses
they speedily cure acute diseases, and when taken
in small doses they operate like a charm, upon the
most delicate, nervous female, and have raised
numbers from their beds when all other remedies
had failed. We here refer to but a few of the many
miraculous cures effected by the use of said Pills.

COUGH AND CONSUMPTION CURED .- Win. Bently of Pickering, C. W., was cured of a severe cough ther he had been confined to his bed for a long time, and was given up by the Physicians: He had used most of the cough medicines of the day, and was supposed by his friends and physicians to be
