HIGHLY IMPOBTANT FROM HAVANA. Destruction of the Cuban Expedition-Arrest and Execution of Gen. Lopez.

NEW ORLEANS, Sept. 4. The steamship Cherokee, from Havana, arrived this morning. Her passengers report having wit

nessed the execution of Lopez, at Havana. They say he ended his life manfully, his last words being Adien, dear Cuba." The total failure of the expedition is attributed to the delay consequent upon the separation of Col. Crittenden's command from the main body of Gen. Lopez's forces.

The patriots had disperse to the mountain, only about thirty remaining with Gen. Lopez.— They left him without a friend, and wandered about until he was run down by blood hounds and cap-tured. Gen. Pragay had been killed in the engage ment at Los Pazos. Gen. Lopez, previous to his execution, declared himself deceived with regard to the aid he expected in Cuba.

The Spanish accounts say that of the whole number who landed in the Pampero, 556 have already been killed, and 436 are now in prison.-The number who landed with Gen. Lopez was

nly about 400.] The passengers on board the Cherokee, from Havana to New Orleans, held a meeting, General Lane, of Oregon, presiding, and adopted the follow ing resolution

Resolved. That Mr. Owen, the American Consu at Havana, has forfeited every right and title of ar American citizen : has outraged every sentiment of humanity; deserves the execration of every friend of liberty; and that we, as citizens of the United States, request his immediate recall by the Ameri can Government.

[The punishment of the garrote, by which Gen Lopez suffered death, is described as placing the victim in an easy chair, clamping his limbs, placing a band around the neck, and gradually pressing a screw until the neck is broken !]

WASHINGTON, Sept. 6. The National Intelligencer has a despatch from

Ine reasonal intelligencer has a despatch from New Orleans confirming all the previous reports of the news by the Cherokee. One hundred and fifty five American prisoners who were taken with Lopez, have been sentenced to the chain gang in the mines of Cuba for life.

SLAVE WHIPPED TO DEATH .- The Winchester Virginian gives the particulars of a horrid affair in Clarke county, Va., on Wednesday week, which has excited great indignation in that section. The result of it was that Col. James Castleman, and his son Stephen, were indicted on Monday last for hav-ing cruelly and unmercifully beaten two slaves the Wednesday previous, (causing the death of one of them,) belonging to the former. They have been held to bail in the sum of \$5000 each. The Winchester Republican says: From the evidence of the principal witness, a

white laborer, the negro was fastened up for pun-ishment, by having his bands tied, and a chain put around his neck, thrown over a beam, and locked, inst leaving sufficient leaving for the around his neck, thrown over a beam, and locked, jost leaving sufficient length for the unfortunate object to stand upon the ground. He was then whipped with the tongue-strap of a wagon, having a heavy buckle at the end, having been previously ped, that the blows might be laid on the bare After beating him in the most unprecedented stripped, skin. manner, for some time, they left him bound in the situation described, for the purpose of whipping his companion. The occurrence took place about sunset. A son of Castleman deposed that, about ten o'clock at night, his father came into his house, and announced that the negro was dead. He had been sition in which he was whip left in the standing po ped, and died in that way.

This is the most wonderful Worm Destroyer ever known, and at the same time, so pleasant to take, that almost every child will be fond of ir, and many instances have been known of children crying for more after once taking it. This medicine is in the form of a powder, the only medicine ever used in that form, and it ope-rtage upon a principle entirely different from any other medicine aver a duminiered hy any other

other medicine ever administered by any other physician. It is the only medicine which has no Worm-seed Oil or Turpentine combined with it, which is believed by all other physicians, to be the only two things which will destroy worms, and these two things combined, together with castor oil, are the active principles of all other worm medicines, which every person who has ever tasted or smelled, knows to be the most nauseous of all nauseous medicines, and on account of which, there is generally something added to destroy this nau-seous taste, and in order to do this, it is some-thing stronger than the medicine itself, and other medicine ever administered by any othe

thing stronger than the medicine itself, and therefore it must necessarily destroy some of its medicinal properties. These powders are simple inderent in this necessarily dealthy bound of some of a and so harmless, that a child may cat a whole box at once, and it will not be hurt, while at the same time the principle upon which it acts being different time the principle upon which it acts being dimeter from anything else ever used, it will destroy all kinds of Worms with a certainty never equalled.
