The public that has met with such unparalelled success, as Dr. Soule's OarkENAL BALM PILLS.— Having been but six years before the public, and the advertising small when compared with most other medicines, yet they have worked their way into every State in the Union and Canadas. They have absolutely become the standard Medicine of the day. They are purely vegetable and so admi-rably compounded that when taken in large deses , they speedily cure acute diseases, and when taken in small doses they operate like a charm, upon the most delicate, nervous female, and have raised numbers from their beds when all other remedies had tailed. We here refer to but a few of the many nuraculous cures effected by the use of said Pills. SPINAL AFFECTION.—Anna Wood, of Rutland, Jefferson county, N. Y., was cured, after she had been confined to bed 5 years, with Spinal disease and Abscess of the Lungs. The bill of her regular Physician (Dr. Johnson, of Clay,) had amounted to \$600.
