Solitude, Timidity, &c., are some of the evils pro-duced NERVOUS DEBILITY. Weakness of the system, Nervous Debility and premature decay generally arises from the destruct-ive habit of youth, that solitary practice so fatal to the healthful existence of man, and it is the young who are the most apt to become its Victims from an ignorance of the dangers to which they subject themselves. Parents and Guardiates are often mis-led with respect to the cause or source of disease in their sous and wards. Alas! how often do they ascribe to other causes the wasting of the frame, Palpitation of the Heart, Dyspepsia, Indigestion, Dérangement of the Nervons System.
