German and French.

NATURAL SCIENCES.—Instruction in Astronomy, Geology, Chemistry, Natural Philosophy and Physiology, by familiar lectures to the more advanced classes, illustrated by proper apparatus and followed by daily examinations of the pupils.

In the Female School the course will be as nearly similar to that in the male, as the circumstances and wants of the sex will admit. It will include the same instruction in the Natural Sciences, and will also embrace Drawing.

Applicants for admission, of both sexes, must be children of citizens of Lancaster county; if males be over 14, and females over 13 years of age; and

be over 14, and females over 13 years of age; and be well grounded in Orthography, Reading, Arith-metic, Geography and English Grammar, and write a fair hand. a fair hand.

Pupils from the county will be subject to the same discipline as to study and conduct, as those of the city; and will be expected to pursue all the studies of the grade or class to which they may belong, except in the Languages, all or any of which may be omitted at the option of the parent or cuardian.

guardian.
The TERMS are \$15 per annum, payable half-The TERM'S are \$10 per annum, payanic analyearly in advance, without any extra charge; but pupils are to find their own, books and stationery. This sum is the same as the average cost to the City of the instruction of resident pupils.

There are now three competent Instructors and about 100 pupils in each of the schools, with the foregoing course of studies in operation. The number of teachers will be increased to four when necessary.

essary.

The scope and system of training is designed to enable the pupils to perform the active duties of life with credit to themselves, should they enter no life with credit to themselves, should they enter no higher institution of learning; or to fit young men to enter any college in the land, considerably advanced, should they so desire. It is also especially intended to aid in the preparation of Teachers.

Should more than the above number apply, persons designed for the profession of teaching will be prefered.

Application can be made to any of the undersigned, before 1st February, 1852.
