This farm lies on Apple-Pie Ridge, in Frederick county, Virginia, 8 miles north of Winchester, and 5 miles west of the Depot on the Winchester and Potomac Railroad, adjoining the lands of John Pugh, Wm. Lodge and others.

The improvements are a good two-story STONE HOUSE with a basement story used as a Kitchen and Cellar, a good Barn, Corncrib, Granery, Spring-house, Carriage-house and Wagon Shed, with other necessary out-buildings, a Well of good Water in the yard, a good Garden and abundance of Fruit Trees.

City Lyceum.

THE annual meeting of the City Lyceum will be held to-morrow (Wednesday) evening at 7 o'clock at Dr. E. Parry's office, for the election of officers.

HENRY CARPENTER,
jan 6 1t*-50] Secretary.

Farmers' Mutual Insurance Company.

THE Directors of the "Farmers' Mutual Insurance Company," submit to the members of the said Company, assembled at their annual meeting for the election of officers, at Wright's Hotel, in the city of Lancaster, on Saturday the 27th day of December, A. D. 1851; the report of their proceedings during the present year.

The following statement exhibits the amount of loss sustained by the Farmers' Mutual Insurance Company during the past year, as also the number of policies that have been issued and the number withdrawn; thus giving a clear view of the actual condition of the said company.

The persons who have sustained losses by fire, on property insured in the Company during the present year, are

Christian Landis, of Manheim township, by a fire in a dwelling house,	$45 00
Michael W. May, of Bainbridge, by a fire which occurred on the 26th of March, A. D. 1851. His barn, hay shed, contents of the barn, warehouse, and damage done to his stock of dry goods and groceries,	1725
Henry and Abraham Stoner, by a fire which occurred in their dwelling house in April last,	9 00
Henry Stoner, of West Earl township, by a fire which occurred in his barn, on the 9th of July last, consuming his barn and contents—both being insured,	1320
William Winnerholt, of Manor township, by the burning of his cooper shop, on the 23d of October last,	75 00
	$3174

It will be recollected too, that at the time the last report was made, the company was indebted to several persons who had sustained loss by fire during the preceding year, the sum of $781,25

Thus, together with the losses sustained during the present year, has all been paid, as well as other incidental debts and expenses as will appear by the report of the Treasurer; and the Directors have the pleasure to inform this meeting that the Company is now entirely free from debt, with the exception of something over one hundred and forty dollars due to the Treasurer. The amount of outstanding taxes cannot be exactly ascertained, as it is in the hands of collectors, some of whom have not yet made full returns, and probably some exonerations will have to be made, but the amount yet to collect, and in the hands of the collectors will be in and about five hundred and fifty dollars.

During the year which is now brought to a close, 108 new policies have been issued covering property to the amount of $218,117

Alterations and additions to old policies have been made, amounting to 23,876

Whole increase $241,993

During the same time 95 policies have been cancelled, amounting in the aggregate to $200,012

And the alterations in old policies diminishing the amount issued, have been made to the am't of 25,073 225,075

Leaving an actual increase to the amount of Insurance of $16,918

The whole number of policies that have been issued, amount to 1303, and the whole amount of property at present insured is Two Millions, Three Hundred and Sixty Thousand Dollars, ($2,36000.)

The Great British Quarterlies AND BLACKWOOD'S MAGAZINE.

Important Reduction in Rates of Postage!

PREMIUMS TO NEW SUBSCRIBERS!!

LEONARD SCOTT & CO.,
No. 54 Gold Street, New York,

CONTINUE to publish the following British Periodicals, viz.:

THE LONDON QUARTERLY REVIEW, (Conservative.)
THE EDINBURGH REVIEW, (Whig.)
THE NORTH BRITISH REVIEW, (Free Church.)
THE WESTMINSTER REVIEW, (Liberal), and
BLACKWOOD'S EDINBURGH MAGAZINE, (Tory.)

Although these works are distinguished by the political shades above indicated, yet but a small portion of their contents is devoted to political subjects. It is their *literary* character which gives them their chief value, and in that they stand confessedly far above all other journals of their class. Blackwood, still under the masterly guidance of Christopher North, maintains its ancient celebrity, and is, at this time, unusually attractive, from the serial works of Bulwer and other literary notables, written for that Magazine, and first appearing in its columns, both in Great Britain and in the United States. Such works as the "Caxtons" and "My Novel," (both by Bulwer,) "My Peninsular Medal," "The Green Hand," and other serials, of which numerous rival editions are issued by the leading publishers in this country, have to be reprinted by those publishers from the pages of Blackwood, after it has been issued by Messrs. SCOTT & CO., so that subscribers to the Reprint of that Magazine may always rely on having the earliest reading of these fascinating tales.

These Reprints have now been in successful operation in this country for *twenty years*, and their circulation is constantly on the increase, notwithstanding the competition they encounter from American periodicals of a similar class and from numerous Eclectics and Magazines made up of selections from foreign periodicals. This fact shows clearly the high estimation in which they are held by the intelligent reading public, and affords a guarantee that they are established on a firm basis, and will be continued without interruption.

Land Agency.

THE undersigned has established a Land Agency at Charition, Lucas county, Iowa. He will select lands and locate Warrants, pay taxes on lands for non-residents; procure Warrants for those entitled to them under the act of September 28th, 1850, and transact any other business connected with a general Land Agency.

From an intimate acquaintance with the business, a residence of five years in this frontier country, and his proximity to valuable vacant lands, he flatters himself that he can give general satisfaction to his employers, and on as reasonable terms as any man in Iowa.

He keeps the township Plats of Lucas and adjoining counties. All warrants sent to him from other States for Location, accompanied with the proper power of attorney, will be promptly attended to.
