\$25,000 having been won by my numerous friends on the late Presidential Election, should convince those skeptical persons who talk of failure, that no such word as fail is or has been known by the eminent and distinguished Astrologer, C.W. ROBACK, who, during his experience of over a quarter of a century, during which time he has given advice, and employed the wonderful powers which he only is the possessor of in this country, having been born with this wonderful, most powerful science. Who can doubt that we are not uncer the influence of destiny, and governed by the reciprocal influence of the celestial, terrestrial, and the astronomical systems, whose mutual relation to cach other once disturb, and will it not destroy the unison of action? Do you doubt predestination? then why not every man gain the celebrity of General Taylor, Daniel Webster, or a Henry Clay'and yet there are some who are foolish enough to doubt that a man may be born with the power to see into future events. Such should not condenn till they have called to see the seventh son of the seventh son whose distances. lemn till they have called to see th rould not con seventh son of the seventh son, whose advantage from travelling have given him more experience than all the other astrologers, male or temale, in the United Sates.

How can it be possible that the destiny of man

It is such that bring discredit on a profession that has been acknowledged to be a science of the highest order, from time immemorial; and it is the only profession that has holy authority to sustain it. The high respect which General Taylor and the following gentlemen had for Astrology is, shown by his letter for his nativity, of the 10th of February, 1846, to the subscript, in which hourse. THE GREAT SECRET AT LAST DISCOVERED For the Cure of Consumption.

NEW SYSTEM AND NEW REMEDIES!!! NEW SYSTEM AND NEW REMEDIES!!!

THUMPHANT SUCCESS.

TUTTALL'S SY RIA CUM. The cure for Coughs, Colds, Sore Throat, Hoarseness, Tickling in the Throat, Spitting Blood, Difficult Breathing, Bronchitis, Incipient, Confirmed, and Tubercular Consumption. In three bottles. Each one particularly adapted to each one of three stages of Consumpton. To the afflicted the appearance in three bottles of Nuttall's Syriscum is a new era in Medicine, from its novelty and direct opposition to the old, absurd and inconsistent one bottle system; while its success, prepared in this manner, (each bottle containing a different preparation.) in curing the different stages which characterize Consumption, has established the welcome truth of the curability of every stage of pulmonary Consumption.

327 The Public approve of it, because it is common sense, and because they know from sad experience, that one preparation will not cure the three stages of Consumption.

327 The suffering, disappointed, and discouraged invalid approves of it, because its principles hold out a reasonable hope, and when he uses Nuttall's Syriacum, his hopes are realized.

11 he is in the first stage of Consumption and uses the first bottle, his expectoration, difficult and painful, becomes free and easy, his cough soon gets well, the soreness, tickling in his throat, inflammation, pain in his breast, side, head, back, tjoints, and limbs are removed.

If he is in the second stage and uses the second bottle, his fever leaves him, his disturbed slumbers become sweet and refreshing, his night-sweats vanish, his expectoration, copious and bloody,

If he is in the third stage, and uses the third bottle, his Diarrhea gradually ceases, his weak bowels become strong, his cough and other bad symptoms disappear, (and if the patient is a female, her monthly periods return,) his feeble digestion becomes strong and vigorous, his stomach recovers its power and tone, and creates new, rich, and nourishing blood, his strength returns, his wasted body is clothed with flesh, his life is saved, and he is restored to health.
