At all events, the attack is in bad taste—it being, I believe, the very first direct or indirect attack by Democratic journal on Mexican Soldiers, and I a Democratic journal on the last. OLD SOLDIER.

An Important Decision.

Chief Justice BLACK has delivered the opinion of the Supreme Court in the case of the United States | An impo Bank vs. the State of Pennsylvania, affirming the judgment of the Court below, and awarding to the Commonwealth about \$1,300,000, being the amount due, with interest, of the bonus of \$100,000 per year which the bank agreed to pay for the extensive privileges granted by the charter. The opinion is short, clear, and explicit, and worthy the source from which it emanates.

No material change in the Markets, since our last.

SILVER'S MINERAL PAINTS.

THE wonder of the age, nature's own productions. These Paints differ from all others in the market; they are not clays; they require little Oil, flow easily, and cover with a heavier body than white lead. They neither crack nor peel, and dry readily, making an ENAMEL OF STONE.

COLORS.—We have seen different colors, viz: three Browns, two Chocolates, Black and Yellow, and by combustion make every variety and shade and by combination make every variety and shad

BODY.—These Paints are superior in body (or BODY.—These Paints are superior in body (or covering property) to any yet discovered, and pound for pound will cover double the surface of white lead, zinc, or other metalic Paints.

IRON.—To Iron they furnish a perfect protection against rust, for they contain metal, which like lead acts destructively on the iron; in fact this Paint makes iron doubly valuable for building purposes.

poses.

BRICK WORK.—They give to house walls a much heavier coating than other paints, and if sanding is required, nothing holds so firmly or finishes so well with it.

OLD ROOFS.—Give us a roof, ever so old and

leaky, and Silver's Mineral Paints will make it cheaply new and more enduring than it ever was. SHIPS using this extraordinary Mineral as we prepare it for them, will be proof against the acon of hot suns, worms and salt water.
CAPITALISTS and BUILDERS are invited to
