The True Digestive Fluid or Gastric Juice!

The True Digestive Fluid or Gastrie Juice!

REPARED from Rennet, or the fourth Stomach of the Ox, after directions of Baron Liebuc, the great Physiological Chemist, by J. S. Houghton, M. D., Philadelphia, Pa.

This is a truly wonderful remedy for Indigestien, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

Half a teaspoonful of Pepsin, infused in water, will digest or dissolve, Five Pounds of Roast Beet in about two hours, out of the stomach.

Persin is the chief element, or Great Digesting Principle of the Gastric Juice—the solvent of the food, the purifying, proserving and stimulating agent of the stomach and intestines. It is extracted from the digestive stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy stomach.

by the aid of inis preparation, the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy stomach. It is doing worders for dyspeptics, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of the grave. The scientific evidence upon which it is based, is in the highest degree curious and remarkable.

SCIENTIFIC EVIDENCE:

Baron Liebig in his celebrated work on Anima Chemistry, says: "An artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the calf, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on "Food and Diet," published by Fowler & Wells, New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira.

Dr. Combe, in his valuable writings on the "Physiology of Digestion," observes that "a diminimition of the due quantity of the Gastric Juice is a prominent and all-prevailing cause of Dyspepsia;" and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, inding everything else to fall, had recourse to the Gastric Juice, obtained from the stomach of living animals, which proved completely successfull."

Dr. Graham, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in nowice different from the natural digestive process."

Dr. HOUGHTON'S PEPSIN has produced the most marvellous effects, in curing cases of Deblity, Emaciation, Nervons Decline, and Dyspeptic Consumming. It is impossible to give the deciding the process.

It is the only medicine which has no Worm-seed Oil or Turpentine combined with it, which is believed by all other physicians, to be the only two things which will destroy worms, and these two things combined, together with castor oil, are the active principles of all other worm medicines, which every person who has ever tasted or smelled, knows to be the most nauseous of all nauseous medicines, and on account of which, there is generally something added to destroy this nauseous taste, and in order to do this, it is something stronger than the medicine itself, and taes upon a principle entirely different from any seous taste, and in order to do this, it is something stronger than the medicine itself, and therefore it must necessarily destroy some of its medicinal properties. NEW SYSTEM AND NEW REMEDIES!!!

TRIUMPHANT SUCCESS.

UTTALL'S S YR IA C UM. The cure for Coughs, Colds, Sore Throat, Hoarseness, Tickling in the Throat, Spitting Blood, Difficult Breathing, Bronchitis, Incipient, Confirmed, and Tubercular Consumption. In three bottles. Each one particularly adapted to each one of three stages of Consumpton. To the afflicted the appearance in three bottles of Nuttall's Syriacum is: a new era in Medicine, from its novelty and direct opposition to the old, absurd and inconsistent one bottle system; while its success, prepared in this manner, each bottle containing a different preparation.) in curing the different stages which characterize Consumption, has established the welcome truth of the curability of every stage of pulmonary Consumption.

Ar Physicians approve of it because it is based upon correct Physiological and Pathological prinecpies.

The Public approve of it, because it is common sense, and because they know from sad experience, that one preparation will not cure the three stages of Consumption.

three stages of Consumption.

The suffering, disappointed, and discouraged invalid approves of it, because its principles hold out a reasonable hope, and when he uses Nuttall's Syriacum, his hopes are realized.

If he is in the first stage of Consumption and uses the first bottle, his expectoration, difficult and painful, becomes free and easy, his cough soon gets well, the soreness, tickling in his throat, indammation, pain in his breast, side, head, back, joints, and limbs are removed.

If he is in the second stage and uses the second

namation, pain in his breast, side, head, back, joints, and limbs are removed.

If he is in the second stage and uses the second bottle, his fever leaves him, his disturbed slumbers become sweet and refreshing, his night-sweats vanish, his expectoration, copious and bloody, assumes a healthy appearance, and at length disappears, his bowels become regular, his appetite returns, the flush in his cheek disappears, the burning heat in the palm's of his hands and soles of his feet; are felt no longer, his cough now ceases, he recovers and is well.

If he is in the third stage, and uses the third bottle, his Diarrhæa gradually ceases, his weak bowels become strong, his cough and other bad symptoms disappear, (and if the patient is a female, her monthly periods return,) his feeble digestion becomes strong and vigorous, his stomach recovers its power and tone, and creates new, rich, and nourishing blood, his strength returns, his wasted body is clothed with flesh, his life is saved, and he is restored to health.

Each bottle of Nuttall's Syriacum has the symp.

s restored to health.

Each bottle of Nuttall's Syriacum has the symptoms of the stage for which it is intended printed in front of the wrapper, whereby every invalid knowing his own symptoms, can judge for himself which bottle he requires, consequently no mistake can occur in selecting the proper medicine.
