Wilder's Patent Safe again the Victor!

HILADELPHIA, Jan. 1st, 1852.—The Salamander Safe which I purchased a few years since, and which was in use by Messrs. C. G. Henderson & Co., at the destruction of their store in the building known as "Barnun's Museum,"; on the 30th ult., has this morning been got at, and the interior wood-work, with some Stereotype plates which were in the sate during the fire (the books having been removed,) are found to be UNNARMED. I have this day purchased from Mr. John Farrel, another "Patent Salamander," and would confidently recommend these well known Safes to all who wish security against accidental fires.

SAMUEL B. HAINES' NEW AND IMPROVED

Horse Power,

Now being manufactured at the shop of the undersigned in East King Skeet, Lancaster. This cheap and simply constructed Horse Power excels any others now in use—and more easily operated, and cannot be put out of gear. It is a single conical Wheel Horse Power with four Levers, to be operated by four or eight horses. The bed frame is solid and firmly prevents the gearing from getting out of order, and no danger of breakage.

The master wheel is cone shaped, having the teeth or cogs on the underside, and the lever loops

The master wheel is cone shaped, having the teeth or cogs on the underside, and the lever loops cast solid with the wheel. The levers are firmly set into boxes in the hub of the wheel, and secured by rods extending to each lever, and regulate the edgy motion of the master wheel, so that the power of each horse is regularly divided, and the wheel is prevented from jarring by the sudden starting of the horse. The bed frame is composed of two solid plank forming right angles by being halved together at their centres. The bed plate is formed of a solid iron casting, having a cone shape pivot resting upon the centre of the bed frame and firmly bolted through. The cone shaped pivot has a shoulder upon which the master wheel revolves. Journals or boxes are firmly screwed to the bed plate and secure the regular horizontal motion of the main shaft.

Farmers are invited to call and examine the Ma-

to 100 per cent. more work than other rowers with the same labor of the team. It is warranted to hold 8 horses.

I have also completed a combined THRESHER AND CLEANER, which is capable of Threshing and Cleaning from 300 to 500 bushels of wheat per day, with from 6 to 8 Horses, and an equal number of hands. 4 horses can thresh with it from 100 to 200 bushels per day of wheat, and 400 to 500 of oats. It is very convenient for those who follow Threshing, and for two or more farmers to own in company; it is more convenient to move than any machine in use. The Machine stands on the wagon while threshing—the Power is loaded on the same wagon in moving—two horses are sufficient to move it; it will save enough labor in threshing 2000 bushels to pay its extra cost. It will thresh in the field or by a stack as conveniently as in a barn. The cylinder and concave can readily be adjusted so as to thresh with equal facility both tough and dry grain. It is free from the complication and liability to get out of order of other machines of the kind, and of less cost—price \$100,00.

Entered according to Act of Cougress, in the year 1851, by J. S. HOUGHTON, M.D., in the clerk's of the District Court for the Eastern Dis

trict of Pennsylvania Another Scientific Wonder! GREAT CURE FOR

The True Digestive Fluid or Gastrie Juice!

The THE DIGESTIVE FILID OF GRAVICE JULGE!

PREPARED from Rennet, or the fourth Stomnch of the Ox, after directions of Baron Libbighte great Physiological Chemist, by J. S. Houghton, M. D., Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

Half a tenspoonful of Pepsin, infused in watgr, will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach.

Pepsin is the chief element, or Great Digesting Principle of the Gastric Juice—the solvent of the food, the purifying, preserving and stimulating

Principle of the Gastric Juice—the solvent of the food, the purifying, preserving and stimulating agent of the stomach and intestines. It is extracted from the digestive stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evils of indigestion and Dyspepsiare removed, just as they would be by a healthy stomach. It is doing wonders for dyspeptics, curing cases of Deblity, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of the grave. The scientific evidence upon which it is based, is in the highest degree curious and remarkable. n the highest degree curious and remark SCIENTIFIC EVIDENCE

Baron Liebig In his celebrated work on Anima Chemistry, says: "An artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the muccus membrane of the stomach of the calf, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on "Food and Diet," published by Fowler & Wells, New York, nage 35, states the same great fact, and describes

pleasant symptoms; and it only needs to be repeated short for a time to make these good effects permanent. Purity of Blood and Vigor of Body follow at once. It is particularly excellent in cases of Nausea, Vormiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold state of the Blood, Heaviness, Lowness of Spirits, Desdondency. Emaciation, Weakness, tendency to Insanity, Suicide, &c.

COOPER'S VEGETABLE COMPOUND FEVER AND AGUE PILLS. FEVER AND AGUE PILLS.

THESE Pills are composed entirely of Vegetables Substances, and in ninety-nine cases out of every hundred, will perform a perfect and permanent cure in three days. No instance has ever been known, where more than six days have been required to perform a complete cure, even in the very worst cases, and on the strongest constitutions. We would earnestly say to all who are afflicted with this distressing disease, to get one box and try them, and in all cases, two boxes are warranted to cure, if taken according to the directions, or the money returned. ALSO, MY

VEGETABLE ANTI-DYSPEPSIA BITTERS.

This medicing is a cortain cure for Dyspensia

ular family physicians. We do not recommend it to cure everything—we recommend it to cure Dyspepsia, and the discases originating from it, and that it will cure in almost every case, and it is recommended for nothing else. In many instances, even the worst of cases have been completely cured in two and three months, but it depends somewhat upon the constitution of the patient. We would say to all who are afflicted with Dyspepsia, give this medicine a fair trial, and if it fails to do good, your money will be returned. ALSO,

MY VEGETABLE WORM POWDERS.

MY VEGETABLE WORM POWDERS.

This is the most wonderful Worm Destroyer ever known, and at the same time, so pleasant to take, that almost every child will be fond of it, and many instances have been known of children crying for more after once taking it.

This medicine is in the form of a powder, the only medicine ever used in that form, and it opertaes upon a principle entirely different from any other medicine ever administered by any other physician. It is the only medicine which has no Worm-seed Oil or Turpentine combined with it, which is believed by all other physicians, to be the only two things which will destroy worms, and these two things combined, together with castor oil, are the active principles of all other worm medicines, which overy person who has ever tasted or smelled, knows to be the most nauseous of all nauseous medicines, and on account of which, there is generally something added to destroy this nauseous taste, and in order to do this, it is something stronger than the medicine itself, and therefore it must necessarily destroy some of its medicinal properties. These powders are simple and so hampless, that a child may eat a whole box at once, and it will not be hurt, while at the same time the principle upon which it acts being different from anything else ever used, it will destroy all kinds of Worms with a certainty never equalled. It will not only destroy the seat worms, or Ascarides, and long, round worms, or Teres, but is the kinds of Worms with a certainty never equation it will not only destroy the scat worms, or Ascarides, and long, round worms, or Teres, but is the most effectual medicine for the destruction of the Tape Worm. ever known. Ted doses have brought as many as FIVE Tape Worms from one person. It your children have any symptoms of worms, try these Powders, and in nine cases out of ten, you will never use any other.
