HODY.—These Paints are superior in body (or covering property) to any yet discovered, and pound for pound will cover double he surfage of pound for pound will cover double the surrage of white lead, zinc, or other metalic Paints.

IRON.—To Iron they furnish a perfect protection against rust, for they contain metal, which like lead acts destructively on the iron; in fact this Paint makes iron doubly valuable for building pur-

poses.

BRICK WORK.—They give to house walls a much heavier coating than other paints, and if sanding is required, nothing holds so firmly or finishes so well with it.

OLD ROOFS.—Give us a roof, ever so old and leaky, and Silvor's Mineral Paints will make it cheaply new and more enduring than it ever was. SHIPS using this extraordinary Mineral as we still so the suns, worms and sall water.

CAPITALISTS and BUILDERS are invited to make strict scrutiny into the merits of these Paints. They will find a very great reduction might be made in the cost of Painting. These Paints are purely mineral; all clays and other impurities are purely mineral; all clays and other impurities are wished out in preparing them for the market.—They cost but half the price of white lead, and the same quantity will cover twice the surface, and last six times as long which in fact reduces the price to one-twelfth. Climate has no effect on this Paint, and is equally valuable in the cold Canadas or our sunny Florida.

DIRECTIONS.—Use Linseed Oil, mix as thick as you can, and use as other paints. These paints need but little dryer, and for priming and second coating in all house work they will be found far cheaper and more durable than lead.

In three bottles. Each one particularly adapted to each one of three stages of Consumpton. To the afflicted the appearance in three bottles of Nuttall's Syriacum is a new era in Medicine, from its novelty and direct opposition to the old, absurd and inconsistent one bottle system; while its success, prepared in this manner, (each bottle containing a different preparation,) in curing the aifferent stages which characterize Consumption, has established the welcome truth of the curability of every stage of pulmonary Consumption.

The True Digestive Fluid or Gastric Juice!

The True Digestive Fluid or Gastric Juice!

PREPARED from Rennet, or the fourth Stomach of the Ox, after directions of Baron Lienic; the great Physiological Chemist, by J. S. Houghton, M. D., Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

Half a teaspoonful of Pepsin, infused in water, will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach.

Persts is the chief element, or Great Digesting Principle of the Gastric Juice—the solvent of the lood, the purifying, preserving and stimulating agent of the stomach and intestines. It is extracted from the digestive stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy stomach. It is doing wonders for dyspeptics, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of the grave. The scientific evidence upon which it is based, is in the highest degree curious and remarkable.

SCIENTIFIC EVIDENCE!

Baron Liebig in his celebrated work on Anima Chemistry, says: "An artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the caif, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on "Food and Diet," published by Fowler & Wells, New York,

Dr. Pereira, in his famous treatise on "Food and Diet," published by Fowler & Wells, New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira.

Dr. Combe, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastric Juice is a prominent and all-prevailing cause of Dyspepsia;" and he states that "a distinguished professor of medicine in London, who was severely affliced with this complaint, finding everything else to fail, had recourse to the Gastric Juice, obtained from the stomach of living animals, which proved completely successfull."

Dr. Graham, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology, that the stomach of onimals, macerated in water, import to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in nowise different from the natural-digestive process."

If he is in the second stage and uses the second bottle, his fever leaves him, his disturbed slumbers become sweet and refreshing, his night-sweats vanish, his expectoration, copious and bloody, assumes a healthy appearance, and at length disappears, his bowels become regular, his appetite returns, the flush in his cheek disappears, the burning heat in the palms of his hands and soles of his feet, are felt in longer, his cough now ceases, he recurred and is well.

Each bottle of Nuttall's Syriacum has the symptoms of the stage for which it is intended printed in front of the wrapper, whereby every invalid knowing his own symptoms, can judge for himself which bottle he requires, consequently no mistake can occur in selecting the proper medicine.

Dr. Pereira, in his famous treatise on "Food and Diet," published by Fowler & Wells, New York,

AS A DYSPEPSIA CURER,
Dr. HOUGHTON'S PEPSIN has produced the most marvellous effects, in curing cases of Debblity, Emaciation, Nervons Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than Two Hundred Remarkable Cures, in Philadelphia, New York and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Antidote, and particularly useful for tendency to Billious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury and other drugs upon the Digestive Organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirits. It almost reconciles health with intemprance.

OLD STOMACH COMPLAINTS.
There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives instant relief! A single dose removes all the unpleasant symptoms; and it only needs to be repeated short for a time to make these good effects permanent. Purity of Blood and Vigor of Body follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold state of he Blood, Heaviness, Lowness of Spirits, Desdondency, Emaciation, Weakness, tendency to Insanity, Suicide, &c.

Dr. HOUGHTON'S PEPSIN is sold by nearly all the dealers in fine drugs and Popular Medicines, throughout the United States. It is prepared in Powder and in Fluid form—and in prescription vitals for the use of Physicians.
