THE wonder of the age, nature's own productions. These Paints differ from all others in the market; they are not clays; they require little Oil, flow easily, and cover with a heavier body than white lead. They neither crack nor peel, and dry readily, making an EMMEL or STOME.

COLORS.—We have seen different colors, viz: three Browns, two Chocolates, Black and Yellow, and by combination make every variety and shade of color.

of color.

BODY.—These Paints are superior in body (or covering property) to any yet discovered, and pound for pound will cover double the surface of white lead, zinc, or other metalic Paints.

IRON.—To Iron they furnish a perfect protection against rust, for they contain metal, which like lead acts destructively on the iron; in fact this lead acts destructively on the iron; in fact this

CAPITALISTS sind BUILDERS'are invited to make strict scrutiny into the merits of these Paints. They will find a very great reduction might be made in the cost of Painting. These Paints are purely mineral; all clays and other impurities are washed out in preparing them for the market.— They cost but half the price of white lead, and the same quantity will cover twice the surface, and last six times as long which in fact reduces the price to one-twelfth. Climate has no effect on this Paint, and is equally valuable in the cold Canadas or our sunny Florida.

DIRECTIONS.—Use Linseed Oil, mix as thick as you can, and use as other paints. These paints

Having recently been afflicted with a very severe
cold, cough and pain on the chest, I was induced
to make a trial of Dr. Munn's Bronchitic Pulmonary

of a single bottle afforded me radical and entire
relief. Generally these attacks of colds and couglis

most cordially, to recommend this Syrup as one of
the best medicines of its kind, that has been introduced to the notice of the public.

Dear Sir: I delayed answering the receipt of your preparation, until I had an opportunity of witnessing its effects in my own family, or in the families of my friends.

This I have now done with a high degree of satisfaction, in cases both of adults and children.

I have found it, as its ingredients show, a powerful remedy for colds, and coughs, and pulmonary diseases.

Read the following, and see if this medicine is orth a trial. The patient had become very feele, and the effect of the medicine was unmistaka-

ble, and the effect of the medicine was unmistakably distinct:—

United States Hotel, Saratoga Springs, July 5, 1849.

Dr. J. C. Ayer,—Sir: I have been afflicted with a painful affection of the lungs, and all the symptoms of settled consumption, for more than ayear. Peould find no medicine that would reach my case, until I commenced the use of your "Cherry Pectoral," which gave me gradual relief, and I have been steadily raining my strength till my health is been steadily gaining my strength till my health i vell nigh restored. While using your medicine, I had the gratifica-

CHESTER, Pa., Aug. 22, 1846.

J. C. Ayer,—Sir: I was taken with a terrible cough, brought on by a cold, in the beginning of last February, and was confined to my bed more than two months. Coughing incessantly night and day, I became ghastly and pale, my eyes were sunken and glassy, and my breath very short. Indeed, I was rapidly failing, and in such distress for breath that but little hope for my recovery could be entertained. While in this situation, a friend of mine, (the Rev. John Keller, of the Methodist church) brought me a bottle of your Cherry Pectoral, which I tried more to gratify him, than from any expectation of obtaining felief. Its good effect induced me to continue its use, and I soon found my health much improved. Now in three months, ny health much improved. Now in three months, am well and strong, and can attribute my cure only to your great meicine.

GREAT SCIENTIFIC DISCOVERIES,

FEVER AND AGUE

COMPLETELY CURED IN THREE DAYS BY DR. J. W. COOPER'S VEGETABLE COMPOUND FEVER AND AGUE PILLS. THESE Pills are composed entirely of Vegeta-ble Substances, and in ninety-nine cases out of every hundred, will perform a perfect and perma-nent cure in three days. No instance has ever been known, where more than six days have been been known, where more than it says have been required to perform a complete cure, even in the very worst cases, and on the strongest constitutions. We would earnestly say to all who are afflicted with this distressing disease, to get one box and try them, and in all cases, two boxes are warranted to cure, if taken according to the directions, or the money returned. ALSO, MY

VEGETABLE ANTI-DYSPEPSIA BITTERS. This medicine is a certain cure for Dyspepsia in its very worst forms. Thousands of cases have been completely cured by it within the last year, which have been entirely despaired of by the regular family physicians. We do not recommend it to cure everything—we recommend it to cure Dyspepsia, and the diseases originating from it, and that it will cure in almost every case, and it is recommended for nothing else. In many instances, even the worst of cases have been completely cured in two and three months, but it depends somewhat upon the constitution of the patient. We would say to all who are afflicted with Dyspepsia, give this medicine a fair trial, and if it fails to do good, your money will be returned. ALSO, MY VEGETABLE WORM POWDERS. VEGETABLE ANTI-DYSPEPSIA BITTERS.

MY VEGETABLE WORM POWDERS. This is the most wonderful Worm Destroyer ever known, and at the same time, so pleasant to take, that almost every child will be tond of it, and many instances have been known of children

and many instances have been known of children crying for more after once taking it.

This medicine is in the form of a powder, the only medicine ever used in that form, and it operates upon a principle entirely different from any other medicine ever administered by any other physician. It is the only medicine which has no Worm-seed Oil or Turpentine combined with it, which is believed by all other physicians, to be the only two things which will destroy worms, and these two things combined, together with castor oil, are the active principles of all other worm medicines, which every person who has ever tasted medicines, which every person who has ever tasted or smelled, knows to be the most nauseous of all or smelled, knows to be the most nauseous of all nauseous medicines, and on account of which, there is generally something added to destroy this nauseous teste, and in order to do this, it is something stronger than the medicine itself, and therefore it must necessarily destroy some of its medicinal properties. These powders are simple and so harmless, that a child may cat a whole box at once, and it will not be hurt, while at the same time the principle upon which it acts being different from anything else ever used, it will destroy all kinds of Worms with a certainty never equalled. It will not plut destroy the seat worms, or Ascarikinds of Worms with a certainty never equalicate will not only destroy the seat worms, or Ascarides, and long, round worms, or Teres, but is the most effectual medicine for the destruction of the Tape Worm. ever known. These medicines are all separate, and one for each disease, and each for only one disease. They are not recommended, as many other medicines are not recommended, as many other inedicines are, to cure some fifteen or twenty diseases, and all of different natures, but they are each to cure but one disease, and that they will do in ninety-nine cases out of every hundred, and where they have a fair trial and fail in all cases, the money will take the control of the control of
