Green Corn.—The New Orleans Picayune of the 21st ult., acknowledges the receipt of half a dozen ears of green corn, raised in the garden of a friend in that city. North Branch Canal Injured .- We regret to lear that the late freshet in the Susquehanna caused serious damage to the unfinished work along the line of the North Branch Canal, between Tunkh nock and Towanda. Boston, April 27.-Kossuth arrived here about 11 o'clock this morning, and was escorted to the State House, by 34 military companies. Immense crowds lined the streets, and the State House was almost

Gov. Boutwell, welcomed Kossuth to the city, which he eloquently and feelingly replied. He dined at the Revere House, with the Governor and many distinguished guests. This afternoon he reviewed the troops in the Common, before not less than 25,000 people. The spectators frantic to see Kossuth, broke the lines, but the review passed o

To our Patrons.—The Clothiers must excuse us for recommending the Clothing House of J. Gormleys op particularly to the notice of our readers.—But, upon reflection, they must know that it is our duty to act for the public good. This gentleman, by cash operations, has succeeded in bringing the price of superfine Clothing within the reach of the whole community. Whilst others use every effort to make large profits, he has struck out in a different course, which he has steadily followed, using every exerction to sell superior goods at the lowest possible price, making his extensive business done at a few cents profit on each article, sufficient, from the fact of the vast quantity sold. Large sales and small profits, is his motto, which principle is carried out to the fullest extent. The large stock and endless variety, the style, superior fit, and olegant workmanship, are of such a character as to justify us in recommending our friends who are in want of good and cheap Clothing to go to Joseph Gormley's, North Queen street, opposite the Franklin House, (Soner's) where you will be sure to find them in any quantity, at the Great Clothing Bazaar, May 4, 1869. hem in any quantity, at the Great Clothing Bazaar.

A NOVEL COMPLAINT .- Many individuals have recently remarked, that a general complaint of a character, has become more or less prevalent in character, has become more or less prevalent in this vicinity. Those who never knew by experience any thing of Catarrh or Bronchitis, complain of a troublesome secretion about the throat, which is difficult to expectorate, and is sometimes so excessive as to require great effort to do so. The cause is, as yet, a matter of speculation among the scientific, but it is supposed to result from some derangement of the digestive system.

Dear Sir: I delayed answering the receipt of your preparation, until I had an opportunity of witnessing its effects in my own family, or in the families of my friends.

This I have now done with a high degree of actification in cases that of adults and children.

This I have now done with a high degree of satisfaction, in cases both of adults and children. I have found it, as its ingredients show, a powerful remedy for colds, and coughs, and pulmonary diseases. Parker Cleaveland, M. D. Brunswick, Mc., Feb. 5, 1849.

From an Overseer in the Hamilton Mills, in this city. Dr. J. C. Ayer: I have been cured of the worst cough I ever had in my life, by your "Cherry Pectoral," and never fail, when I have apportunity, of recommending it to others.

Yours, respectfully, recommending it to others.
Yours, respectfully,
S. D. Emenson.
Read the following, and see if this medicine is worth a trial. The patient had become very feeble, and the effect of the medicine was unmistakably distinct.

Dr. J. C. Ayer,—Sir: I have been afflicted with a painful affection of the lungs, and all the symp-toms of settled consumption, for more than a year. I could find no medicine that would reach my case, a come and no medicine that would reach my case, until I commenced the use of your "Cherry Pectoral," which gave me gradual relief, and I have been steadily gaining my strength till my health is well nigh restored.

While using your medicine, I had the gratifica-

well nigh restored.

While using your medicine, I had the gratification of curing with it my reverend friend, Mr.

Truman, of Sumpter District, who had been suspended from his parochial duties by a severe attack of bronchits.

of bronchitis.

I have pleasure in certifying these facts to you,
And am, sir, yours respectfully,
J. F. CALHOUN, of South Carolina.
The following was one of the worst of cases,
which the physicians and friends thought to be inwhich the physicians and friends thought to be incurable consumption:

CHESTER, Pa., Aug. 22, 1846.

J. C. Ayer,—Sir: I was taken with a terrible cough, brought on by a cold, in the beginning of last February, and was confined to my bed more than two months. Coughing incessantly night and day, I became ghastly and pale, my eyes were sunken and glassy, and my breath very short. Indeed, I was rapidly failing, and in such distress for breath that but little hope for my recovery could be entertained. While in this situation, a friend of mine, (the Rev. John Keller, of the Methodist church) brought me a bottle of your Cherry Pectoral, which I tried more to gratify him, than from any expectation of obtaining relief. Its good effect induced me to continue its use, and I soon found my health much improved. Now in three months, I am well and strong, and can attribute my cure only to your great meicine.

With the deepest gratitude, yours, &c.,

JAMES GODFREY.
