I have pleasure in certifying these facts to you,
And am, sir, yours respectfully,
J.F. Calhour, of South Carolina.
BOT The following was one of the worst of cases, which the physicians and friends thought to be incurable consumption:

U. C. Ayer,—Sir: I was takea with a terribe cough, brought on by a cold, in the beginning of last February, and was confined to my bed more than two mounths. Coughing incessantly night and day, I became ghastly and pale, my eyes were sunken and glassy, and my breath very short. Indeed, I was rapidly failing, and in such distress for breath that but little hope for my recovery could be entertained. While in this situation, a friend of mine, (the Rov. John Keller, of the Methodist church) brough me a bottle of your Cherry Pectoral, which I tried more to gratify him, than from any expectation of obtaining relief. Its good effect natuced me to continue its use, and I soon found my health much improved. Now in three months, I am well and strong, and can attribute my cure only to your great meicine.

With the deepest gratitude, yours, &c.,

Read the following, and see if this medicine is worth a trial. The patient had become very feeble, and the effect of the medicine was unmistakable distinct:—

I could had no medicine that would reach my case, until I commenced the use of your "Cherry Pectoral," which gave me gradual relief, and I have been s'eadily gaining my strength till my health is well nigh restored.

While using your medicine, I had the gratification of curing with it my reverend friend, Mr. Fruman, of Sumpter District, who had been suspended from his parochial duties by a severe attack of bronchitis.
