PERILOUS OCCURRENCE .- A most thrilling and perilous occurrence took place on Wednesday, near Mundorff's Island, York county Pa. which came near killing a very worthy young minister, Rev. Edmund W. Kirby, of the Baltimore Annual Con. ference. It appears that he was riding on horse. back on the towpath of the Tidewater Canal, and just after passing Fry's lock the annimal became frightened, from some unknown cause, and backed over the wall with his rider, falling down the steep precipice on the craggy and dangerous rocks below, a depth of nearly sixty feet. The animal's bones were broken many places, and he died shortly after; but it is truly wonderful that young Kirby escaped with life. He was taken up on being discovered, and carefully removed to the residence of Isaac Mundorff, Esq., where Dr, Baldwin, of York county, and Dr. Kneling, of Lancaster county, were in attendance and rendered all the aid which profession and skill could afford. The precise nature of his injuries we have not been able to ascertain.

The grinding cylinders and the press are connected in one frame, 3½ by 4 | The MILL CREEK CADETS, commanded by Capt. feet, and 4 feet high to the top of the hopper, the whole weighing only 150 pounds. Dr. J. C. Ayer: I have been cured of the worst
cough I ever had in my life, by your "Cherry Pectoral," and never fail, when I have apportunity, of
recommending it to others.

Yours, respectfully,
S. D. Emerson.

Read the following, and see if this medicine is
worth a trial. The patient had become very feeble, and the effect of the medicine was unmistakably distinct:—

bie, and the circle of the medicine was unmistake-bly distinct:—

United States Hotel, Saratoga Springs,
July 5, 1849.

Dr. J. C. Ayer,—Sir: I have been afflicted with a painful affection of the lungs, and all the symptoms of settled consumption, for more than a year. I could find no medicine that would reach my case, until I commenced the use of your "Cherry Percentage".

until I commenced the use of your "Cherry Pec-toral," which gave me gradual relief, and I have been steadily gaining my strength till my health is well nigh restored. well nigh restored.

While using your medicine, I had the gratification of curing with it my reverend friend, Mr.

Truman, of Sumpter District, who had been suspended from his parochial duties by a severe attack of bronchitis. f bronchitis.

I have pleasure in certifying these facts to you,

And am, sir, yours respectfully,

J. F. Calhoun, of South Carolina.

The following was one of the worst of cases,
which the physicians and friends thought to be incurable consumption: curable consumption:
CHESTER, Pa., Aug. 22, 1846.
J. C. Ayer,—Sir: I was taken with a terrible cough, brought on by a cold, in the beginning of last February, and was confined to my bed more than two months. last February, and was confined to my bed more than two months. Coughing incessantly night and day, I became ghastly and pale, my eyes were sunken and glassy, and my breath very short. Indeed, I was rapidly failing, and in such distress for breath that but little hope for my recovery could be entertained. While in this situation, a friend of mine, (the Rev. John Keller, of the Methodist church) brought me a bottle of your Cherry Pectoral, which I tried more to gratify him, than from any expectation of obtaining relief. Its good effect induced me to continue its use, and I soon found my health much improved. Now in three months, I am well and strong, and can attribute my cure only to your great meicine.
