SILVER'S MINERAL PAINTS.

THE wonder of the age, nature's own productions. These Paints differ from all others in the market; they are not clays; they require little Oil, flow easily, and cover with a heavier body than white lead. They neither crack nor peel, and dry readily, making an ENAMEL of STONE.

COLORS.—We have seen different colors, viz: three Browns, two Chocolates, Black and Yellow, and by combination make every variety and shade of color.

of color.

BODY.—These Paints are superior in body (or covering property) to any yet discovered, and pound for pound will cover double the surface of white lead, zinc, or other metalic Paints.

IRON.—To Iron they furnish a perfect protection against rust, for they contain metal, which like lead acts destructively on the iron; in fact this Paint makes iron doubly valuable for building purposes.

BRICK WORK.—They give to house walls a

BRICK WORK.—They give to house walls a much heavier coating than other paints, and if sanding is required, nothing holds so firmly or finishes so well with it.

OLD ROOFS.—Give us a roof, ever so old and leaky, and Silver's Mineral Paints will make it cheaply new and more enduring than it ever was. SHIPS using this extraordinary Mineral as we prepare it for them, will be proof against the action of hot suns, worms and salt water.

CAPITALISTS and BUILDERS are invited to make strict scrutiny into the merits of these Paints. They will find a very great reduction might be made in the cost of Painting. These Paints are purely mineral; all clays and other impurities are washed out in preparing them for the market.—They cost but half the price of white lead, and the same quantity will cover twice the surface, and last six times as long which in fact reduces the price to one-twelfth. Climate has no effect on this Paint, and is equally valuable in the cold Canadas or our sunny Florida.

DIRECTIONS.—Use Linseed Oil, mix as thick

sunny Florida.

DIRECTIONS.—Use Linseed Oil, mix as thick as you can, and use as other paints. These paints need but little dryer, and for priming and second coating in all house work they will be found far cheaper and more durable than lead.

GREAT SCIENTIFIC DISCOVERIES, BY DR. J. W. COOPER. FEVER AND AGUE

OMPLETELY CURED IN THREE DAYS BY DR. J. W FEVER AND AGUE PILLS. FEVER AND AGUE PILLS.

THESE Pills are composed entirely of Vegetable Substances, and in ninety-nine cases out of every hundred, will perform a perfect and permanent cure in three days. No instance has ever been known, where more than six days have been required to perform a complete cure, even in the very worst cases, and on the strongest constitutions. We would earnestly say to all who are afflicted with this distressing disease, to get one hox and try them, and in all cases, two boxes are warranted to cure, if taken according to the directions, or the money returned. ALSO, MY VEGETABLE ANTI-DYSPEPSIA BITTERS. VEGETABLE ANTI-DYSPEPSIA BITTERS.

VEGETABLE ANTI-DYSPEPSIA BITTERS.

This medicine is a certain cure for Dyspepsia in its very worst forms. Thousands of cases have been completely cured by it within the last year, which have been entirely despaired of by the regular tamily physicians. We do not recommend it to cure everything—we recommend it to cure Dyspepsia, and the diseases originating from it, and that it will cure in almost every case, and it is recommended for nothing else. In many instances, even the worst of cases have been completely cured in two and three months, but it depends somewhat upon the constitution of the patient We would say to all who are affilieded with Dyspepsia, give this medicine a fair trial, and if it fails to do good, your money will be returned. ALSO MY VEGETABLE WORM POWDERS.

This is the most wonderful Worm Destroyer

and many instances have been known of children crying for more after once taking it.

This medicine used in that form of a powder, the only medicine ever used in that form, and it operates upon a principle entirely different from any other incidione ever administered by any other physician. It is the only medicine which has no Worm-seed Oil or Turpentine combined with it, which is believed by all other physicians, to be the only two things which will destroy worms, and these two things combined, together with castor oil, are the active principles of all other worm medicines, which every person who has ever tasted or smelled, knows to be the most nauseous of all nauseous medicines, and on account of which, there auseous medicines, and on account of which, there nauseous medicines, and on account of which, there is generally something added to destroy this nauseous taste, and in order to do this, it is something stronger than the medicine itself, and therefore it must necessarily destroy some of its medicinal properties. These powders are simple and so harmless, that a child may cat a whole box at once, and it with not be burt, while at the same time the principle upon which it acts being different at once, and it will not be hurt, while at the same time the principle upon which it acts being different from anything else ever used, it will destroy ell kinds of Worms with a certainty never equalled. It will not only destroy the seat worms, or Ascandes, and long, round worms, or Teres, but is the most effectual medicine for the destruction of the Tape Worm ever known. Ten doses have brought as many as FIVE Tape Worms from one person. It your children have any symptoms of worms try these Powders, and in nine cases out of ten, you will never use any other. These are also warranted. arranted.

warranted.

These medicines are all separate, and one for each disease, and each for only one disease. They are not recommended, as many other medicines are, to cure some fifteen or twenty diseases, and all of different natures, but they are each to cure but one disease, and that they will do in ninestynine cases out of every hundred, and where they have a fair trial and fail in all cases, the money will be returned.

The True Digestive Fluid or Gastric Juice

The True Digestive Fluid or Gastric Juice.

PREPARED from Rennet, or the bourth Stomach of the Ox, after directions of Bacox Lience, the great Physiological Chemist, by J. S. Houghton, M. D., Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, curring after Nature's own method, by Nature's own Agent, the Gastric Juice.

Half a teaspoonful of Pepsin, infused in water, will digest or dissolve, Five Pounds of Roast Beel in about two hours, out of the stomach.

Persus is the chief element, or Great Digesting Principle of the Gastric Juice—the solvent of the food, the purifying, preserving and stimulating agent of the stomach and intestines. It is extracted from the digestive stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evides Indigestion and Dyspepsia are removed, just as they would be by a healthy stomach. It is doing wonders for dyspeptics, curing cases of Debility, Emication, Nervous Décline, and Dyspeptic Consumption, supposed to be on the verge of the grave. The scientific evidence upon which it is based, is in the highest degree curious and remarkable.

The scientific evidence upon which it is based, if in the highest degree curious and remarkable.

SCIENTIFIC EVIDENCE!

Baron Liebig in his celebrated work on Anima Chemistry, says: "An artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the calf, in which various articles of lood, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would

prepared from the mucous membrane of the stomach of the calf, in which various articles of tood, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on "Food and Diet," published by Fowler & Wells, New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira.

Dr. Combe, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastric Juice is a prominent and all-prevailing cause of Dyspepsia," and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding everything else to fall, had recourse to the Gastric Juice, obtained from the stomach of living animals, which proved completely successfull."

Dr. Graham, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology, that the stomachs of autinals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in nowise different from the natural digestive pracess."

AS A DYSPEPSIA CURER.

Dr. HOUGHTON'S PEPSIN has produced the most marvellous effects, in curing cases of Debhity, Emaciation, Nervons Decine, and Dyspepie othan Two Hundred Remarkable Curta, in Pulladelphia, New York and Boston alone. These were nearly all desperate cases, and the cures were not only rapid to disorderful, but permanent.

OLD-STOMACH COMPLAINTS.

There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives instant relief! A single dose removes all the unpleasant symptoms; and it only needs to be repeated short for a time to make these good effects permanent. Purity of Blood and Vigor of Body follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold state of the Blood, Henviness, Lowness of Spirits, Despondency, Emaciation, Weakness, tendency to Insaniv, Suicide, &c.

Dr. HOUGHTON'S PEPSIN's sold by nearly all the dealers in fine drugs and Popular Medicines, introughout the United States. It is prepared in Powder and in Fluid form—and in prescription vitals for the use of Physicians.
