The True Digestive Fluid or Gastrie Juice

The True Digestive Finid or Gastric Juice

PREPARED from Rennet, or the fourth Stomach of the Ox, after directions of Baron Liesso, the great Physiological Chemist, by J. S. Houghton, M. D., Philadelphio, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

Half a teaspoonful of Pepsin, infused in water, will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach. Persix is the chief element, or Great Digesting Principle of the Gastric Juice—the solvent of the food, the purifying, preserving and stimulating agent of the stomach and intestines. It is extracted from the digestive stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy stomach. It is doing wonders for dyspeptics, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of the grave The scientific evidence upon which it is based, is in the highest degree curious and temarkable.

Chemistry, says: "An artificial Digestive Fluid, analogous to, the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the east, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira; in his famous treatise on "Food and Diet," published by Fowler & Wells, New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira.

Dr. Combe, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastric Juice is a prominent and all-prevailing cause of Dyspepsia;" and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding everything else to fail, had recourse to the Gastric Juice, obtained from the stomach of living animals, which proved completely successfull."

Dr. Graham, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in nowise different from the natural digestive process."

a Rind of artificial algestive process."

AS A DYSPEPSIA CURER,
Dr. HOUGHTON'S PEPSIN has produced the most marvellous effects, in curing cases of Debility, Emaciation, Nervons Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than Two Hundred Remarkable Cures, in Pulladelphia, New York and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Antidote, and particularly useful for tendency to Billious disorder, Liverton and Ague, and the evil effects of Quinine, Mercury and other drugs upon the Digestive Organs, after a long sickness. Also, for excess in caning, and the too free use of ardent spirits. It almost reconciles health with intemprance. econciles health with intemprance.

and the too free use of ardent spirits. It almost reconciles health with intemprance.

OLD STOMACH COMPLAINTS.

There is no form of Old Stomach Complainte which it does not seem to reach and remove at once. No matter how bad they may be, it gives instant relief! A single dose removes all the unpleasant symptoms; and it only needs to be repeated short for a time to make these good effects permanent. Purity of Blood and Vigor of Body follow at once. It is particularly excellent in cases of Nausca, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after cating, low, cold state of the Blood, Heaviness, Lowness of Spirits, Despondency, Emaciation, Weakness, tendency to Insanity, Suicide, &c.

Dr. HOUGHTON'S PEPSIN is sold by nearly all the dealers in fine drugs and Popular Medicines, throughout the United States. It is prepared in Powder and in Pluid form—and in prescription vitals for the use of Physicians.

Private Circulars for the use of Physicians, may be obtained of Dr. Houghton or his Agents, describing the whole process of preparation, and giving the authorities upon which the claim of this new remedy are based. As it is not a secret remedy no objection can be raised against its use by Physicians in respectable standing and regular practice. Price One Dollar per builte.

FEVER AND AGUE PILLS. FEVER AND AGUE PILLS.

THESE Pills are composed entirely of Vegetable Substances, and in ninety, nine cases out of every hundred, will perform a perfect and permanent cure in three days. No instance has ever been known, where more than six days have been required to perform a complete cure, even in the very worst cases, and on the strongest constitutions. We would earnestly say to all who are afflicted with this distressing disease, to get one box and try them, and in all cases, two boxes are warranted to cure, if taken according to the directions, or the money returned. VEGETABLE ANTI-DYSPEPSIA BITTERS.
This medicine is a certain cure for Dyspepsia in its very worst forms. Thousands of cases have been completely cured by it within the last year, which have been entirely despaired of by the regular family physicians. We do not recommend it to cure everything—we recommend it to cure Dyspepsia, and the diseases originating from it, and that it will cure in almost every case, and it is recommended for nothing else. In many instances, even the worst of cases have been completely cured in two and three months, but it depends cured in two and three months, but it we would say to all who are afflicted with Dyspensia, give this medicine a fair trial, and if it fails to do good, your money will be returned. This is the most wonderful Worm Destroyet ever known, and at the same time, so pleasant te take, that almost every child will be fond of it and many instances have been known of children crying for more after once taking it.

This medicine is in the form of a powder, the only medicine over used in that form, and it oppertues upon a principle entirely different from any other medicine ever administered by any other physician. It is the only medicine which has no Worm-seed Oil or Turpentine combined with it, which is believed by all other physicians, to be the only two things which will destroy worms, and these two things combined, together with castor oil, are the active principles of all other worm medicines, which every person who has ever tasted or smelled, knows to be the most nauseous of all nauseous medicines, and on account of which, there is generally something added to destroy this nauseous taste, and in order to do this, it is some thing stronger than the medicine itself, and therefore it must necessarily destroy some of its medicinal properties. These powders are simple and so harmless, that a child may cat a whole box at once, and it will not be hurt, while at the same time the principle upon which it acts being different and so harmless, that a child may cat a whole box at once, and it will not be hurt, while at the same time the principle upon which it acts being different from anything else ever used, it will destroy all kinds of Worms with a certainty never equalled. It will not only destroy the sent worms, or Ascarides, and long, round worms, or Teres, but is the most effectual medicine for the destruction of the Tape Worm. ever known. Ten doses have brought as many as FIVE Tape Worms from one person. It your children have any symptoms of worms try these Powders, and in nine cases out of ten, you will never use any other These are also warranted.
