The True Digestive Fluid or Gastric Juice

The True Bigstive Fluid or Gastric Juice

PREPARED from Rendet, or the fourth Stomach of the Ox, after directions of Barox Lurne; the great Physiological Chemist, by J. S. Houghton, M. D., Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, curing after Nature's own method, by Nature's own Agent, the Gastric Jurce—Haif a teaspoonful of Pepsin, infused in water, will digest or dissolve, Five Pounds of Roast Berl in about two hours, out of the stomach.

It is extracted from the digestive stomachor the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and exila of Indigestion and Dyspepsia are removed, just as they would be by a healthy stomach. COMPLETELY CURED IN THREE DAYS BY DR. J. W
COOPER'S VEGETABLE COMPOUND
FEVER AND AGUE PILLS.
THESE Pills are composed entirely of Vegeta
ble Substances, and in ninety-nine cases out o
every hundred, will perform a perfect and perma nent cure in three days. No instance has ever been known, where more than six days have been been known, where more than six days have been required to perform a complete cure, even in the very worst cases, and on the strongest constitutions. We would earnessly say to all who are afflicted with this distressing disease, to get one box and try them, and in all cases, two boxes are warranted to cure, if taken according to the directions, or the money returned. ALSO, MY VEGETABLE, ANTI-DYSPEPSIA BITTERS.

This medicine is a certain cure for Dyspensia

VEGETABLE: ANTI-DYSPEPSIA BITTERS.

This medicine is a certain cure for Dyspepsia in its very worst forms. Thousands of cases have been completely cured by it within the last year, which have been entirely despaired of by the regular family physicians. We do not recommend it to cure everything—we recommend it to cure Dyspepsia, and the diseases originating from it, and that it will cure in almost every case, and it is recommended for nothing else. In many instances, even the worst of cases have been completely cured in two and three months, but it depends somewhat upon the constitution of the patient We would say to all who are afflicted with Dyspepsia, give this medicine a fair trial, and if it lails pensia, give this medicine a fair trial, and if it fails o do good, your money will be returned. ALSO MY VEGETABLE WORM POWDERS.

This is the most wonderful Worm Destroyer ever known, and at the same time, so pleasant teake, that almost every child will be lond of it and many instances have been known of children rying for more after once taking it. This medicine is in the form of a powder, the only medicine ever used in that form, and it ope only medicine ever used in that form, and it oper riaes upon a principle entirely different from any other medicine ever administered by any other physician. It is the only medicine which has no Worm-seed Oil or Turpentine combined with it, which is believed by all other physicians, to be the only two things-which will destroy worms, and these two things combined, together with castor oil, are the active principles of all other worm medicines, which every person who has ever tasted or smelled, knows to be the most nauseous of all or smelled, knows to be the most nauseous of all in auseous medicines, and on account of which, there is generally something added to destroy this nauseous taste, and in order to do this, it is something stronger than the medicine itself, and therefore it must necessarily destroy some of its medicinal properties. These powders are simple and so harmless, that a child may cat a whole box at once, and it will not be hurt, while at the same time the principle upon which it acts being different from anything else ever used, it will destroy all kinds of Worms with a certainty never equalled. It will not only destroy the seat worms, or Ascarikinds of Worms with a certainty never equancuIt will not only destroy the seat worms, or Ascardes, and long, round worms, or Teres, but is the
