MARRIAGE, HAPPINESS AND COMPETENCE.

WHY IS IT ! That we behold many females, scarce in the meridian of life broken in health and spirits with a complication of diseases and allments, depriving them, of the power for the enjoyment of life at an age when physical health, booyancy of spirits, and happy serenity of mind, arising from a condition of health. predominant.

When too late to be benefitted by our knowledge, we look back and mourn, and regret the full consequences of our ignorance.

What would we not often give to possess, in early life, the knowledge we obtain in after years! And what days and nights of anguish we might not have been spared, if the knowledge was timely possessed. It is MELANCHOLY AND STARTLING

To behold the slokness and suffering endured by many a wife for many years, from causes simple and controllable, easily remedied—or better still,—not incurred, if every WIFE AND MOTHER

Another Scientific Wonder!
GREAT CURE FOR DYSPEPSIA! D. J. S. HOUGHTON'S

The True Digestive Fluid or Gastric Juice

The True Digestive Fluid or Gastric Juice

PREPARED from Rennet, or the fourth Stomach of the Ox, after directions of Barox Lieuro, the great Physiological Chemist, by J. S. Houghton, M. D. Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

Hatt a tenspoonful of Pepsin, infused in water, will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach.

Persix is the chief element, or Great Digesting Principle of the Gastric Juice—the solvent of the tood, the purifying, preserving and stimulating agent of the stomach and intestines. It is extracted from the digestive stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy stomach. It is doing wonders for dyspeptics, curing cases of Debility, they would be by a healthy stomach. It is doing wonders for dyspepties, curing cares of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of the grave. The scientific evidence upon which it is based, is in the highest degree curious and remarkable.

SCIENTIFIC EVIDENCE!

Baron Liebig in his celebrated work on Anima Chemistry, says: "An artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stom-ach of the calf, in which various articles of food,

ach of the calf, in which various articles of food, as meat and eggs, will be soltened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on "Food and Diet," published by Fowler & Wells, New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira.

Dr. Combe, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastrie Juca is a prominent and all-prevailing cause of Dyspepsia."

inution of the due quantity of the Gastric Juca is a prominent and all-prevailing cause of Dyspepsia," and he states that "a distinguished professor of medicine in Loudon, who was severely afflicted with this complaint, finding everything else to lail, had recourse to the Gastric Juice, obtained from the stomach of living animals, which proved completely successfull."

Dr. Graham, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in nawise different from the natural digestive process."

AS A DYSPEPSIA CURER,

AS A DYSPEPSIA CURER,
Dr. HOUGHTON'S PEPSIN has produced the Dr. HOUGHTON'S PEPSIN has produced the most marvellous effects, in curing cases of Debility, Emaciation, Nervons Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than Two Hundred Remarkable Cures, in Pulladelphia, New York and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Annotet, and particularly useful for tendency to Billious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury and/other drugs upon the Digestive Organs, alter a long sickness. There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how had they may be, it gives instant relief! VEGETABLE ANTI-DYSPEPSIA BITTERS. This medicine is a certain cure for Dyspepsia in its very worst forms. Thousands of cases have been completely cured by it within the last year, which have been entirely despaired of by the regular family physicians. We do not recommend it to cure everything—we recommend it to cure Dyspepsia, and the diseases originating from it, and that it will cure in almost every case, and it is recommended for nothing else. In many instances, even the worst of cases have been completely cured in two and three months, but it depends somewhat upon the constitution of the pationt We would say to all who are afflicted with Dyspepsia, give this medicine a fair trial, and if it fails to do good, your money will be returned.
