The True Digestive Finid or Gastric Juice

PREPARED from Renner, or the fourth Stomach of the Ox, after directions of Bason Lizero, the great Physiological Chemist, by J. S. Houghton, M. D., Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

Hall a teaspoonful of Pepsin, infused in water, will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach.

The scientific evidence upon which it is based, is in the highest degree curious and remarkable.

Dr. Combe, in his valuable writings on the "Physiology of Digestion," observes that "a dimination of the due quantity of the Gastric Juice is a prominent and all-prevailing cause of Dyspepsia," and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding everything else to fail, had recourse to the Gastric Juice, obtained from the stomach of living animals, which proved completely successfull."

This medicine is a certain cure for Dyspepsis in its very worst forms. Thousands of cases have been completely dured by it within the last year, which have been extirely despaired of by the regular family physiclans. We do not recommend it to cure everything—we recommend it to cure Dyspepsia, and the diseases originating from it, and that it will cure in almost every case, and it is recommended for nothing else. In many instances, even the worst of cases have been completely cured in two and three months, but it depends somewhat upon the constitution of the patient cured in two and infree months, but it depends somewhat upon the constitution of the patient We would say to all who are afflicted with Dys pepaia, give this medicine a fair trial, and if it fails to do good, your money will be returned. ALSO MY VEGETABLE WORM POWDERS. This is the most wonderful Worm Destroye ever known, and at the same time, so pleasant to take, that almost every child will be fond of it

and many instances have been known of children

take, that almost every child will be lond of it and many instances have been known of children erying for more after once taking it.

This medicine is in the form of a powder, the only medicine ever used in that form, and it opertases upon a principle entirely different from any other medicine ever administered by any other physician. It is the only medicine which has no Worm seed Oil or Turpentine combined with it, which is believed by all other physicians, to be the only two things which will destroy worms, and these two things pombined, together with castor oil, are the active principles of all other worm medicines, which every person who has ever tasted or smelled, knows to be the most nauseous of all nauseous medicines, and on account of which, there is generally something added to destroy this nauseous taste, and in order to do this, it is some thing stronger than the medicine itself, and therefore it must necessarily destroy some of its medicinal properties. These powders are simple and so harmless, that a child may cat a whole box at once, and it will not be hurt, while at the same time the principle upon which it acts being differen trom anything else ever used, it will destroy all kinds of Worms with a certainty never equalled it will not only destroy the scat worms, or Ascari des, and long, round worms, or Teres, but is the most effectual medicine for the destruction of the kinds of Worms with a certainty never equalicated it will not only destroy the scat worms, or Ascarides, and long, round worms, or Teres, but is the most effectual medicine for the destruction of the Tape Worm cvet known. Ten doses have brough as many as FIVE Tape Worms from one person. It your children have any symptoms of worms try these Powder's, and in nine cases out of ten you will never use any other. These are also warranted.

These medicines are all separate, and one for each disease, and each for only one disease. They are not recommended, as many other medicines are, to cure some fifteen or twenty diseases, and all of different natures, but they are each to cure but one disease, and that they will do in ninetynine cases out of every hundred, and where they have a fair trial and fail in all cases, the money will be returned.
