Awful Catastrophe. THE BURNING OF THE STEAMER HENRY CLAY. The telegraphic despatches narrated briefly the

A ne teregraphic despacedes narrated brieny the utlines of another horrible steamboat catastrophe in the North River, on Wednesday afternoon. We ive below, from the New York papers of Thurs-ay morning, all the additional particulars we are ble to gather.

to gather. e Tribune relates the disaster as follows: The Tribune relates the disaster as the tribune relates the disaster as the tribune relates the disaster of the tribune of the left the same place a few minutes afterward. On the passage down the river there was, as the passage down the river there was, as witnesses testify, a continuous strife or race between the two boats. At one time the Clay crowded the Armenia almost upon the western shore, and forced her to drop astern, &c. The passengers on board the H. C. finally became greatly alarmed on account of the racing, and some time before the fire a number of ladies were crying and running about the cabin, as if sensible that some catastrophe was impending. Some of the officers of the boat went among them, secured them that there was no danger and tried to

assured them that there was no danger, and tried to cify them We are assured that the race had been so hotly

We are assured that the bate had brack of the bate of the optimised some of their landings. The runners of the boats at the various landings appear to have been aware of the racing, since they were freely offering bets upon the second secon their lavorites.

their lavorites. However, no accident or outrage occurred until a few minutes atker the Henry Clay passed Yon-kers, when it was discovered that the woodwork near the boilers and fibes was on fire. The alarm spread, but the officers of the boat (judiciously, ut doubt.) told the passengers that there was

no danger. The pilot, however, saw that no time was to be The pilot, however, saw that no time was to be lost, and headed the boat for the eastern shore — The river here is nearly two miles wide, and the boat in her regular course would have been a nile and a half from the east shore. Before reaching the shore, the flames had spread

as almost to prevent communication between the re and aft parts of the boat. At about three or a quarter-past three o'clock, the

At about the shore, lying at right angles with the river, and the bow driving up some twenty-five feet on dry land, and plunging with tremendous force into the railroad embankment which is there some

six or eight feet high. The shock overthrew the smokepipe, displaced

six or eight leet night. The shock overthrew the smokepipe, displaced every thing moveable, and added not a little to the spreading of the flames. While the bow was high and dry, the greater portion of the boat, and, un-fortunately, that which held nearly all the passen-gres, was in deep water. The passengers immediately began to jump over-board. Those on the bow got off salely, and be-grant to help the others. A board fence, near by-was instantly stripped, and the boards thrown into-water. By great exertion, a large majority of the passengers got ashore, some scorched, nearly all the bars variefy upon him. While preparing to free a second time Been, tell to the ground, and the bear sprahe gupon him. While preparing to free a second time Been, tell to the ground, and the bear sprahe gupon him. A bie forced the But the rapid spread of the fire, which forced the But the rapid spread of the fire, which forced the

basingers give theory in the construction of the passengers at the stern overboard, was the cause of the loss of a large number of lives. The scene was one of the most terrible charac-ter. Moth rs, with their clothes in flames, trying to eave some dear child; children struggling in the waves without a hand to help them; husband and wives develop the rate than second and vives drowning togetuer rather than separate; and he remorseless fire-rapidly destroying the last the remoraeless standing place of the helpless victims.

standing place of the helpless victums. There were very few houses in the neighborhood, and very little help could be had from the shore.--But all who knew of it hastened to lend their aid.

But all who knew of it hastened to lend their aid. Whon the 6 o'clock train passed, (at about 44 P. M.) the boat was nearly all consumed; the rescued passengers had dispersed. (except those who took the train) and the worst was over. The number of bodies recovered before we left, at 94 last night, was 22 or 23. But two or three of these showed any evidence of burning, and but one sensered to have been burnt to death—this was

The boat was entirely destroyed before 7 o'clock; and boar was entried destroyed before ro-clocky nothing was left at 5 o'clock, escept a fragment of the bow, some ten or twelve feet high; which burn-ed slowly, like a warning beacon to light up the shapeless wreck of charted tumbers and iron be-

The Henry Clay was a fine boat. of moderate The Henry Clay was a fine boat, of moderate size, built about two years ago by Thomas Colyer, and owned by bin and Radford & Co., we believe. There was insurance on the boat to a considerable amount, but we only learned the name of one comthe Stuyvesant, of this city, for \$5000.

amount, but we only learned the name to once of one con-pany-the Stuyvesant, of this city, for \$5000. All along the river, for a mile or two either way, night be seen hats, shawls, fragments of dresses, buildes, & K., and now and then a human body washed ashore. By reason of the buoyancy of their dresses, the female bodies were first recovered; of the first lif-teen hodies, we think all were females or children. From the account given by the N, Y. Tribune, we take the following: that place a service which he performed with great credit.

we take the following: A cry for "the boats" was raised; but no boats could be found. We cannot ascertain that a single vice that he has fallen. He leaves a widow yawl or life boat was on board the steamer. If vice that he has fallen. He leaves a widow, when there was one such, we are assured that none was is at one of the distant military stations, and sev there was one such, we are assured that none was brought in use. Nor can we learn that there was any effective apparatus on board with which to er-tinguish a fire.- Every effort to save the vessel be-came so utterly hopeless, within five minutes atte-the finmes broke out, that it was abandoned, and the steamer's head was turned towards the cast bank of the river in order to run ashore. The wheel houses were wrapped in flames, the engineers had been driven from their posts, and the devastating element, tanned by a stiff south wind, was sweep-ing rapidly towards the atter saloon, where the greater number of the passengers were located.— The dnease withme of the passengers were located.—

er number of the passengers were located.— the grounds except in the neighborhood of Gasp lense volume of s The dense volume of smoke, too, was blown di-rectly aft, laden with burning cinders, and subject-ing them to imminent danger of suffocation. There being no communication from aft to forward, even the approach of the river's bank gave but little hope to the helpless women and children who were astern. The vossel struck, leaving those who were aft some 250 or 300 feet from the shore. At this time it is estimated there were nearly 300 per-ters a builded to gether on the after guards. this time it is estimated there were nearly down and sons huddled together on the after guards. No hoats were to be had there, of any descrip-tion. The Armenia hore rapidly down, and sent out her boats, as also did a number of sailing ves-out her boats, as also did a number of sailing ves-nakes the following report: Left the gulf of Canso, makes the following report: Left the gulf of Canso, out her boats, as also did a number of saling ves-sels which were near; but at least a quarter of an hour elapsed, after the Clay struck, ere any assist-ance came. In the meantime, the panic stricken unfortunates had nearly all been forced over the stern into the water, where many of them sustained themselves by swimming, or by the aid of a few floating boards, until rescued from their perilous condition. Others clume to the ruards of the vescondition. Others clung to the guards of the ves-sel, with the energy of desperation. The rudder and steering gear furnished temporary safety to others. A pumber succeeded in getting held of and steering gear furnished temporary safety to others. A number succeeded in getting hold of the braces on the under side of the guards. Sev-eral ladies threw the end of a stern line overboard, let themselves down into the water, and sustimed themselves by it until aid reached them, fortunate-ly before the line, which was on fire, had become too weak 'o support them. But many others jump-ed franticly into the water, and sank to rise no more

7

News Items NEW OBLEARS, July 26.—Dates have been re-ceived here from Fort Smith, Arkansas, bringing the painful intelligence that a force of 600 Caman-che Indians had met and murdered Capt. R. B. Mar-

y (son of ex-Governor Marcy) and his entire com-and, consisting of 80 men. The battle lasted two mand, consisting of 80 men. The battle lasted two days, but finally the brave Captain and his slende force were compelled to yield to the superior num bers of the foe. The Indians are reported to be athering in large numbers near the fort.

lor recommender to the notice of our readers.— But, upon reflection, they must know that it is our daty to act for the public good. This genileman, by cash operations, has succeeded in bringing the price of superfine Clothing within the reach of the whole community. Whilst others use every effort to make large profits, he has strack out in a differ-ent course, which he has steadily followed, using every exertion to sell superior goods at the lowest possible price, making his extensive business done at a few cents profit on each article, sufficient, from the fact of the vast quantity sold. Large sales and small profits, is his motto, which principle is carried out to the fullest extent. The large stock and endless variety, the style, superior fit, and ele-THE PORK TRADE .- The Louisville Courier gives increase of hogs this season, which are worth ten per ceat. more than they were last, owing, it is said to the fact that the farmers are feeding them on corn. 1600 Agents Wanted

1600 Agents Wanted To travel in every county in the United States, to circulate the authorized edition of LIFE OF GEN. FRANK PIERCE, of New Hampshure, can-didate of the Democracy for President of the Uni-ted States, by D. W. Bartlett, author of " What I saw in London, or Men and Things in the Great Metropois." In one elegant 12no., vol. of 300 pa-ges, illustrated with an accurate Portrait of General Pierce. This book contains the particulars of his early

This book contains the particulars of his early life, anecdotes connected with his private and pro-fessional history, and an account of his public and military services, &c., &c., by a popular New-England author, who has visited Concord for the especial purpose of preparing a reliable and au-thentic volume, under the advice and counsel of prominent Democrats.

A gentleman who was forward, and who got on shore sugnation the years at the second store shore soon after the vessel struck, says that not one of a number of ladies—some with children in their of a number of ladies—some with children in their arms—whom he saw jump from the larboard side, were saved. He expressed the conviction that some fifty or sixty lives, at least, were lost. One child, we are told, was seen to fall beneath the flames in the after saloon. A Mr. Way, of Wellsville, Ohio, was among the passengers. When the Clay first struck he swam ashore, procured a raft of several loose boards, and returned to save his wife. The drowning creatures about him in their struceles drowning creatures about him, in their struggles for safety, broke up his raft, and compelled him to abandon it. The loose boards sustained quite a abandon it. The loose boards sustained quite a number of the sufferers above 'vater until help came. Mr. Way got under the steamor's guard again, and sustained his wife and two other ladies until the small boats came. New York, July 29th-4 o'clock, P. M.

New YORK, July 29th-4 O'clock, P. M. A gentleman who was a passenger on board this ill-fated steamer Henry Clay says that he thinks there were at least 100 lives lost. There were the says) 100 persons, at least, sitting at the dinner ta-ble in the cabin when the fire broke out, and from ble in the cabin when the fire broke out, and from the great rapidity with which the fire spread, and the fact that all the doors opened inwardly, he be-lieves most of them have perished. He farther says that he knew, personally, 22 Philadelphians who were on board the boat, and he had not seen or heard of but two of them since. Among those known to have been lost was the sitter of Hawthorn, the nycelist, a most accom-

Hawthorn, the novelist, a most acco plished lady, returning from the Springs, being an invalid.

Mr. Downing, Horticulturist, who was also lost,

Mrs. L.S. Haskell, of Laurel Hill, N.J., was not on bis way to Newport. Mrs. L.S. Haskell, of Laurel Hill, N.J., was not on board the boat with her husband, and the report that she was drowned is erroneous. Mr. Haskell escaped safely.

skell escaped safely. The Coroner's inquest has been progressing all morning; Professor Bailey, of West Point, and in L. Thompson, of Lancaster, were examined witnesses.

SECOND DESPATCH.

Thus far 52 dead bodies have been recovered from the wreck of the Henry Clay. Many others are known to have been lost. There is intense in-

bar of this city, is missing, and is supposed to have been one of the victims of the disaster. Tho hull of the steamer is be to raised to-morrow by the owners, who have published a card saying

that the boat was racing, and saying that an agree-ment had been entered into by the owners of both boats not to race.

D On Sunday morning last, a man who gave is name as Williams, called at the Livery Stable of Mr. John B. Edwards, and hired a horse and buggy to go Sufe Harbor. He said he would re-turn in the evening, or early on Monday morning;

but nothing has since been heard of him, or of the horse buggy. Mr. Edwards, who offers a reward of \$50,00 for the recovery of his property, and \$20,00 for the arrest of the man, thinks that he was one of the gang who attempted to rob the house of Mr Isaac Pfdutz, in Perry county, on Saturday night of last week .-- Columbia Spy.

July 27, 1852. To Sportsmen.

GREAT Mass Meeting of the friends of good Daguerreotype Likenesses, will be held at JOHN-STON'S SKY-LIGHT GALLERY, corner of North Queen and Orange streets, every day until further The postponement on account of the weather,

bered. There is on this tract about 40 acres of Meadow Land, with a stream of water running through it, which lasts nearly all the year; several Springs and Well of never-failing water, and an excellent young ORCHARD. The building's consist of a very convenient BRICK RESI-DENCE, two Barns, Granary, Negro Houses, &c. This Farm would divide very well in two tracts, if desired by purchasers. Possession of the lands can be given this Fall in time for seeding, and possession of the House in the Spring. The terms will be-one-third of the purchaser money to be paid July 13, 1852. At the same time and place will be sold, and will be—one-third of the purchase money to be paid when possession is given, the balance to be paid in four equal annual payments. W. A. & J. M. CONRAD, Acting for the Heirs of G. Conrad, dec'd. July 6, 1852. 24-ts
