This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, curing after. Nature's owe method, by Nature's own Agent, the Gastric Juice. Half a teaspoonful of Pepsin, indused in water, will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the somach.

Persin is the chief element, or Great Digesting Principle of the Gastric Juice—the solvent of the lood, the purifying, preserving and stimulating agent of the somach and intestines. It is extracted from the digestive stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it. natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy stomach. It is doing wonders for dyspeptics, curing cases of Debility. Emaciation, Nervous Decline, and Dyspeptic Gonsumption, supposed to be on the verge of the grave Tae scientific evidence upon which it is based, is in the highest degree curious, and remarkable.

SCIENTIBIC EVIDENCE!

Baron Liebig in his celebrated work on Anima Chemistry, says: "An artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the calf, in which various articles of food, as meat and eggs, will be soltened, changed, and digested, just in the same manner as they would be in the luman stomach."

Dr. Percira, in his famous treatise on "Food and Diel," jublished by Fowler & Wells, New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Percira.

Dr. Combe, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantily of the Gastric Juice is a prominent and all-prevailing cause of Dyspersia," SCIENTIFIC EVIDENCE!

Dr. Graham, author of the famous works on "Vegerable Diet," says: "It is a remarkable fact in physiology, that the stomachs of animals, maceritated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in nowise different may the natural digestive process." diffrfeent mro the natural digestive process.

AS A DYSPEPSIA CURER,
Dr. HOUGHTON'S PEPSIN has produced the most marvellous effects in curing cases of Debdity,
Emaciation, Nervons Decline, and Dyspeptic

of cases in the limits of this advertisement; but
authenticated certificates have been given of more authenticated certificates have been given of more than Two Hundred Remarkable Cures, in Philadelphia, New York and Boston alore. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

Thousands of cases have been completely cured by it within the last year, in its very worst torms. Thousands of cases have been completely cured by it within the last year, which have been entirely despated of by the regular lamity physicians. We do not recommend it to cure Dyspepsia, and the diseases originating from it, and that it will cure in almost every case, and it is recommended for nothing else.
