Another Scientific Wonder!
GREAT CURE FOR DYSPEPSIA! DR. J. E. HOUGH LON'S

The True Digestive Fluid or Gastric Juice

The True Digestive Fluid or Gastric Juice

PREPARED from Rennet, or the fourth Stomach of the Ox, after directions of Baron Liebic, the great Physiological Chemist, by J. S. Hough; ton, M. D., Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

Half a teaspoonful of Pepsin, infused in water, will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach.

Persix is the chief element, or Great Digesting Principle of the Gastric Juice—the solvent of the lood, the purifying, preserving and sumulating agent of the stomach and intestines. It is extracted from the digestive stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it. By the sid of this preparation, the pairs and evils.

natural Castric Juice in its chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy stomach. It is doing wonders for dyspeptics, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of the grave. The scientific evidence upon which it is based, is in the highest degree curious and remarkable.

SCIENTIFIC EVIDENCE! in the highest degree curious and remarkable.

SCIENTIFIC EVIDENCE:

Baron Liebig in his celebrated work on Anima
Chemistry, says: "An artificial Digestive Fluid,
analogous to the Gastric Juice, may be readily
prepared from the mucous membrane of the stomach of the caif, in which various articles of food,
as meat and eggs, will be softened, changed, and
digested, just in the same manner as they would
be in the human stomach."

Dr. Pereira; in his famous treatise on "Food and
Diet," published by Fowler & Wells, New York,
page 35, states the same great fact, and describes
the method of preparation. There are few higher
authorities than Dr. Pereira.

Dr. Combe, in his valuable writings on the

the method of preparation. There are tew higher authorities than Dr. Pereira.

Dr. Combe, in his valuable writings on the "Physiology of Digestion," observes tha "a dimension of the due quantity of the Gastric Inice is a prominent and all-prevailing cause of Dyagnesia," and he states that "a distinguished professor of medicine in Loudon, who was severely afflicted with this complaint, finding everything else to fall, had recourse to the Gastric Juice, obtained from the stornach of living animals, which proved completely successfull."

Dr. Graham, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting

dissolving various articles of food, and of effecting a kind of artificial digestion of them in nowise diffreent mro the natural digestive process."

AS A DYSPESIA COREA,
Dr. HOUGHTON'S PEPSIA has produced the most mervellous effects, in curing cases of Debhity, Emaciation, Nervons Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement; but subenticated certificates have been given of more than Two Hundred Remarkable Curcs, in Pulladelphia, New York and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.
It is a great Nervous Anniduce, and particularly useful for tendency to Billious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinne, Mercury and other drugs upon the Digestive Organs, after a long suckness. Also, for excess in eating, and the too free use of ardent spirits. It almost reconciles health with intemprance.

OLD STOMACH COMPLAINTS.
There is no form of Old Stomach Complaints which it does not seem to reach and recovers.

There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives once. No matter how bad they may be, it gives instant relief! A single dose removes all the unpleasant symptoms; and it only needs to be repeated short for a time to make these good effects permanent. Purity of Blood and Vigor of Body follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold state of the Blood, Heaviness, Lowness of Spirits, Despondency.
