Another Scientific Wonder!
GREAT CURE FOR DYSPEPSIA! Da J. E. HOUCH TON'S

The True Digestive Fluid or Gastric Juice

The True Digestive Fluid or Gastric Juice

PREPARED from Renner, or the tourth Stomach of the Ox, after directions of Barox Lizbio, the great Physiological Chemist, by J. S. Hough; ton, M. D., Philadelphia, Pa.

Thisis a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, curing after Nature's own method, by Naturo's own Agent, the Gastric Juice.

Half a teaspoonful of Pepsin, infused in water, will digeat or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach.

Persix is the chief element, or Great Digesting Principle of the Gastric Juice—the solvent of the food, the puritying, preserving and stimulating agent of the stomach and intestines. It is extracted from the digestive stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it. By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy stomach. It is doing wonders for dyspeptics, curing cases of Debility, Emaciation, Norvous Decline, and Dyspeptic Consumption, supposed to be on the verge of the grave. The scientific evidence upon which it is bused, is in the highest degree curious and remarkable.

SCIENTIFIC EVIDENCE

Baron Liebig in his celebrated work on Anima Chemistry, says: "An artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the muceus membrane of the stomach of the calf, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on "Food and Dict," published by Fowler & Wells, New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira.

Dr. Combe, in his valuable writings on the "Physiology of Digestion," observes that "a dimi

a kind of artificial algestion of them in nomine diffreent mro the natural digestive process."

AS A DYSPEPSIA CURER,
Dr. HOUGHTON'S PEPSIN has produced the most marvellous effects, in curing cases of Debility, Emaciation, Nervons Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than Two Hundred Remarkable Cures, in Puiladelphia, New York and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Antidote, and particularly useful for tendency to Billious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury and other drugs upon the Digestive Organs, after a long sickness. Also, for excess in eating, and the too free use of ardein spirits. It almost reconciles health with intemprance.

OLD STOMACH COMPLAINTS.

OLD STOMACH COMPLAINTS.

There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives instant relief! A stugle dose removes all the unpleasant symptoms; and it only needs to be repeated short for a time to make these good effects permanent. Purity of Blood and Vigor of Body follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold state of the Blood. Heaviness, Lowness of Spirits, Despondency. Emaciation, Weakness, tendency to Insanity, Suicide, &c.
