PATENTED SCIENTIFIC NICHE GOLD PENS, Embracing all the properties contained in finest quill pen, an addition to which, the durability of the Metals are combined and fully associated and developed.

1852.

Tile following highly respectable Testimonials and Recommendations are submitted to the Public:—

The is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complsint, Constipation, and Debility, curing after Nature's own method, by Nature's own Agent, the Gastric Juice.—
Half a teaspoonful of Pepsin, infused in water, with digest or dissolve, Five Pounds of Roast Boef in about two hours, out of the stomach.

Perstn is the chief element, or Great Digesting Principle of the Gastric Juice—the solvent of the load, the purifying, preserving and stimulating agent of the stomach of the Ox, thus form-

from the digestive stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its chemical powers, and natural Gastric Juice in its chemical powers, and turnishing a complete and perfect substitute for it By the aid of this preparation, the pains and evile of Indigestion and Dyspepsia are removed, just as they would be by a healthy stomach. It is doing wonders for dyspeptics, curing cases of Debblity, Emacution, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of the grave. The scientific evidence upon which it is based, is in the highest degree curious and remarkable.

\*\*SCIENTIFIC EVIDENCE!\*\*

Baron Liebig in his celebrated work on Anima Chemistry, says: "An artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the calf, in which various articles of food, as meat and eggs, will be soltened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Perstra, in his famous treatise on "Food and Dr. Pereira, in his famous treatise on "Food and Diet," published by Fowler & Wells, New York, Diet," published by Fowler & Wells, New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira.

Dr. Combe, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastrie Junes is a prominent and all-prevailing cause of Dyspepsia," and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding everything cise to fall, had recourse to the Gastrie Juice, obtained from the stomach of bying animals, which proved completely successfull."

Dr. Grahum, anthor of the famous works on

pletely successfull."
Dr. Grahum, author of the famous works on "Vegenable Diet," says: "It is a remarkable fact in physiology, that the stomachs of anamats macerated in water, impart to the fluid the property dissolving various articles of food, and of effecting a kind of artificial digestion of them in nowise different was the natural digestive process." AS A DYSPEPSIA CURER,

Dr. HOUGHTON'S PEPSIN has produced the most marvellous effects, in curing cases of Publity, Emaciation, Nervons Duchine, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than Two Hundred Remarkable Cures, in Philadelphia, New York and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent. It is a great Nervous Anndote, and particularly useful for tendency to Billious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinne, Mercury and other drugs upon the Digestive Organs, after a long sickness. Also, for excess in caing, and the too free use of ardent spirits. It almost reconciles health with intemprance. Dr. HOUGHTON'S PEPSIN has produced the OLD STOMACH COMPLAINTS. .

OLD STOMACH COMPLAINTS.
There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives instant refiel? A single dose removes all the unpleasant symptoms; and it only needs to be repeated short for a time to make these good effects permanent. Purity of Blood and Vigor of Body follow at come. It is particularly excellent in easts of Nausea. nent. Furthy of Blood and vigor of Body lollow at once. It is particularly excellent in casts of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold state of the Blood Heaviness, Lowness of Spiris, Despondency, Emaciation, Weakness, tendency to Insanity, Suicide. &c. Dr HOUGHTON'S PEPSIN is sold by nearly all the dealers in fine drugs and Popular Medicines, broughout the United States. It is prepared in

Powder and in Fluid form—and in prescription vials for the use of Physicians.

PRIVATE CIRCULARS for the use of Physicians, may be obtained of Dr. Houghton or his Agents, describing the whole process of preparation, and giving the authorities upon which the claim of this cow repudy are based.
