Eulogy on the late Illustrious Daniel Webster. By James McCafferty, Author of Tribute to Lanc'r.

Where is that voice, which oft resounded, Yet methinks I hear it still, Captivating all around it, Giving every breast a thrill 7

Where is that eye, with diamond grandeur, Darting forth its magic charm ? Where is that tongue, with spotless candor, Showering forth such verbal storm ?

Where is that mind, so penetrating, Profoundly stor'd with Nature's laws 7 Where is that heart, so fondly beating, Laboring still in freedom's cause ?

Where is the name, so venerated, So exalted, so adored— So deep in every bosom seated, Touching every inmost cord?

Where is the man, whose mild ad lresses Spread like unction o'er the land, Turning wrath to kind caresses, Quenching vain contention's brand ?

When nation's laws with skill expounding, Who such logic could display ? With all the Christian powers surrounding, Webster's motion ruled the day.

His days of gloom were mix'd with sweetr His days of grown were mixed with sweet Heartache oft assailed his mind— Tho' hot exempt from human weakness, Mild, benevolent, brave and kind.

Principle of the Gastrie Junce—the solvent of the lood, the purifying, preserving and simulating agant of the stomach and intestines. It is extracted from the digestive stomach of the Ox, thus ferm-ing an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it By the aid of this preparation, the pains and evile of Indigestion and Dyspepsia are removed, just as they would be by a healthy stomach. It is doing wonders for dyspepties, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Con-sumption, supposed to be on the verge of the grave The scientific evidence upon which it is based, is in the highest degree enrous and remarkable.
