To Physicians throughout the U.

States. DEEMING it unaccessary to remind any mem-ber of the Medical profession, of the estab-shed medical properties of pure Holland Gin, in many diseases of dropsical tendency, I respectfully invite your examination of a very superior article, manufactured by myse: exclusively, at Schiedam, ris, I vol. 8 vo.

Sequel of Riley's Narrative; being a sketch of interesting incidents in the life, voyages and travels of Captain James Riley, from the period of his return to his native land, after his ship-wreek, captivity and suffarings among the Arabs of the desert, as related in his narrative, until his death, 2 vols. 12 mo. trated tincture, of exquisite flavor and aroma, al-together transcendent, in its co-dial and medicinal sroperties, to any Holland's Gin heretofore known. Amid the influx of interior distillations with which this country is now flooded, physicians find no difficulty in procuring a good and pure Gin, which they can prescribe with confidence in its benefical effects. As an importer of twenty years' benefical effects. As an importer of twenty years' standing, in the City of New York, and possessing a matured experience in the manufacture of Holland Gin especially, I beg to submit to your attention my "Aromatic Schiedam Schnapps," as one which cannot fail to realize your utmost expectation, and I shall be happy to forward to you a bottom of the state of charges in agency to a letter inti-

tle of it, free of charge, in answer to a letter intithe of it, free of charge, in answer to a letter inte-mating your readiness to accept it.

It is now scarcely one year since I have prepared and distributed my Schiedam Gin exclusively for medical purposes; yet, within that br.ef period, I have received one thousand letters, both from phy-sicians and patients, testifying to its really extraor-dinary efficacy in Gravel, Incipient Dropsy, and af-fections of the Kidneys and Bladder generally. I have no doubt that it would veild similar results: have no doubt that it would yelld similar results with precision and certainty, in your own professional experience. Put up in Pr. and Qt. Botties with my name upon the bottle, cork and label, with an essay upon its properties. This article should be in the hand of every traveller. UDOLPHO WOLFE, Importer
