HATEVER concerns the health and happiness of a people is at all times of the most valuable importance. I take it for granted that every person will d^a all in their power, to save the lives of their children, and that every person will endeavor to promoto their own health at all sacrifices. I feel it to be my duty to solemnly assure you that WORMS, according to the opinion of the most calebrated Physicians, are the primary causes That we behold many females, scarce in the meridian of life broken in health and spirits with a complication of diseases and allments, depriving them of the power for the enjoyment of life at an age when playsical health, buoyancy of spirits, and happy serenity of mind, arising from a condition of health, should be predominant. should be predominant.
Many of the causes of her sufferings at first—perhaps years before, perhaps during girlhood, or the first years of marriage—were in their origin so light as to pass unnoticed, and of course o late to be benefitted by our knowledge, we look I mouns, and regret the full consequences of our ignorance.
What would we not often give to possess, in early life, the knowledge we obtain in after years! And what days and nights of anguish we might not have been spared, if the knowledge was timely possessed. It

you that Works, according to the opinion of the most c-lebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, bad Breath, pain in the Stomach, picking at the Nose, hardness and fullness of the Belly, Dry Cough, Slow Fever, Pulse irregular—remember that all these denote WORMS, and you should at once apply the remedy:—

HOBENSACKS, WORM SYRUP.

An article founded upon scientific principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infant with decided beneficial effect, where bowel complaints and diarrahaa have made them weak and debilitated, the tunic properties of my Worm Syrup are such, that it stands without an equal in the catalogue of medicines in giving tone and strength to the stomach, which makes it an infallible remedy for those afflicted with Dyspepsia, the astonishing cures performed by

evidence of its superior efficacy over all others.

THE TAPE WORM! SECURE THE MEANS OF HAPPINESS By becoming in time possessed of the knowledge, the want of which has caused the sickness and poverty of thousands This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost indefinite length, becoming so coiled and fastened in the intestines and stomach, effecting the health so sadly as to cause St. Vitus Dance, Fits, &c., that those afflicted seldom it ever suspect that it is Tape Worm hastening them to an early grave.—
In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 tablespoonfults 3 times a day—these directions followed have never been known to fail in curing the most obstinate case of Tape Worm. in view of such consequences, now the or mother is accu-sable if she neglect to avail herself of that knowledge in respect to herself, which would spare her much suffering, be the means of herselfess and prosperity to her husband, and conferupoul er children that blessing above all price—healthy bodies with healthy minds.
