This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost indefinite length, becoming so coiled and fastened in the intestines and stomach, effecting the health so saddy as to cause St. Vitus Dance, Fits, &c., that those afflicted seldom if ever suspect that it Is Tape Worm hastening them to an early grave.—In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 tablespoonfulls 3 times a day—these directions followed have never been known to fail in curing the most obstinate case of Tape Worm.
