Pearl Powder.

The object of this Cosmetic is to harmonize and soften the character of the complexion. Being an article entirely different from and much superior to ordinary powder, it requires a small quantity in its application, and yet so identifies itself with the natural appearance as to be imperceptible to the nicest observer. To those ladies particularly who are subject to flushes of the face or neck, to such as are exposed to habitual or occasional agitations, whether nervous or otherwise, the Pearl Powder affords harmless, effectual and most welcome relief; it is also very cool and refreshing in warm weather.

TOILET POWDER.

The Toilet and the Nursery bear equal testimony to the value of this article; in both it is justly esteemed indispensable. To cool the surface of the skin—to conceal the effect of agitation—to allay chafing and irritation, are its functions. The proprietor directs his attention to secure purity and sweetness in the selection of the ingredients as well as neatness and exactness in its preparations.

THE following highly respectable Testimonials
and Recommendations are submitted to the
Public:
"Having tried ADAM WM. RAPP'S PATENT

MEN'S FURNISHING GOODS,
such as Dress Shirts, Under Shirts, Drawers, Cravats, Bosome, Collars, Suspenders, Handkerchiefs, Gloves, Hosiery—and in short, everything required in a Gentleman's Wardrobe.

Mr. UNKLE, one of the above firm, would respectfully call the attention of his numerous friends in the city and county. of Lancaster to the fact, that his having been in the employ of F. J. Kramph for the past 12 years, and being persuaded by a large number of his friends to commence the business as above, he hopes by strict attention to his business, and with a disposition to please, his customers, he will receive a share of patronage, such as he has been favored with for his late employer Mr. COLEMAN, the other member of the firm, will have the entire charge of the Custom Work department; he is an experienced Cutter, and will insure garments passing through his hands to be a perfect fit, and cut in the latest fashion, or other, wise to suit the taste of the Customer.

'Tis even so, this world is "all a Stage,'
And Gents must dress in this "progressive age,''
Each have their taste of style, and cut of dress—The question asked, Where can we get the best? Where can the largest stock of goods be found?

Say, where the cheapest and the best abound!
Where we can at the shortest notice get,
A COAT, a VEST, and PANTALONS that fit?
To answer these we frankly say to all.

The cheapest place is "Fannkein Coorning HALL."
No humbug boasting, but the truth we tell,
We "strive to please," and low for cash we sell!
Then call at once and see our splendid Stock Of goods substantial, yea, the finest cloth Of every color, plain and fancy style,
They stand before you, rising pile on pile!
We say no more, let action do the rest—We ask a call and bring us to the test.
In North Queen street, you'll find our "Clothing Hall,"
Next door to the "Franklin House," then friends lic as the greatest improvement in Metallic rens that has met our attention.
